Wi-Fi Connection

Connect your device to a Wi-Fi network to access online features, download apps, and receive updates. The N2 supports dual-band Wi-Fi (2.4G & 5G) for stable connections.

1. Go to **Settings**.
2. Select **Network & internet**.
3. Tap **Wi-Fi** and turn it on.
4. Choose your desired network from the list.
5. Enter the password if prompted and tap **Connect**.

Your browser does not support the video tag.

Google Account Setup

To fully utilize the Google Play Store and other Google services, you may sign in with your Google Account. This step is optional but recommended for app downloads.

Security Reminder

Please remember any password or PIN codes you set on the MP3 player. Losing these credentials may prevent access to your device.

2. OPERATING YOUR DEVICE

Basic Navigation

The Luoran N2 features a 5.0" HD IPS touch screen for intuitive navigation. Swipe left or right to browse applications and tap icons to open them. Physical buttons on the side control power and volume.

Music Playback

Enjoy your music collection with support for various audio formats including MP3, FLAC, APE, OGG, M4A, AAC, WMA, and MP2. The player offers different playback modes for both offline and online music.

- **Bluetooth 5.0:** Connect wirelessly to Bluetooth headphones, speakers, or car audio systems for a stable and fast connection.
- **Wired Connection:** Use the included wired earphones or your preferred 3.5mm jack headphones.

3. MAINTENANCE

Battery Management

The Luoran N2 is equipped with a 3000 mAh long-lasting battery. To ensure optimal battery life:

- Charge the device using the provided USB-C cable.
- Avoid extreme temperatures during charging and operation.
- For prolonged storage, charge the battery to approximately 50% to prevent deep discharge.

Cleaning Instructions

To clean your device, use a soft, lint-free cloth. For the screen, a screen cleaner designed for electronics can be used. Avoid harsh chemicals or abrasive materials.

Software Updates

Regularly check for and install software updates to ensure your device has the latest features, security patches, and performance improvements. Connect to Wi-Fi to download updates.

4. TROUBLESHOOTING

If you encounter issues with your Luoran N2 MP3 Player, try the following steps:

- **Device Not Powering On:** Ensure the battery is charged. Connect the device to the charger for at least 30 minutes before attempting to power on again.
- **Wi-Fi Connection Issues:** Verify your Wi-Fi password and ensure the device is within range of the router. Try restarting both the device and your router.
- **App Crashing/Freezing:** Close the problematic app and reopen it. If the issue persists, try clearing the app's cache or reinstalling it.
- **Slow Performance:** Close unused applications. Consider freeing up storage space by deleting unnecessary files or apps.
- **Factory Reset:** As a last resort, you can perform a factory reset through the Settings menu. This will erase all data on the device, so back up important files beforehand.

Your browser does not support the video tag.
