## PACKAGE CONTENTS

- PAXA Mini Portable Electric Shaver
- PAXA 2-in-1 Clip-on Open Ear Headphones (with interchangeable earbud styles)
- USB-C Charging Cable
- Cleaning Brush (for shaver)
- User Manual (this document)

## PAXA MINI PORTABLE ELECTRIC SHAVER

### 1. Setup and Charging

1. **Initial Charge:** Before first use, fully charge the shaver. Connect the provided USB-C charging cable to the shaver's charging port and to a compatible USB power source (e.g., laptop, power bank, wall adapter). A full charge takes approximately 1 hour.
2. **Travel Lock:** To prevent accidental activation during travel, engage the built-in travel lock. Refer to

the device for specific instructions on activating/deactivating the lock.

## 2. Operating Instructions

1. **Power On/Off:** Press the power button to turn the shaver on. Press it again to turn it off.
2. **Shaving Technique:** For optimal results, hold the shaver gently against your skin. The dual-ring arc blade with protective mesh and 9,000 RPM high-speed motor is designed for a close and smooth shave. Move the shaver in small, circular motions or against the direction of hair growth.
3. **Usage Time:** A full charge provides approximately 60 minutes of shaving time.

## Dual-ring floating blade mesh

Flexible stainless steel shaving head

10,800 cuts per minute

Martensitic steel blade

9000rpm Motor speed

High torque speed motor

### 3. Maintenance

1. **Cleaning the Blade Head:** The magnetic blade head can be easily removed for cleaning. Use the provided cleaning brush to remove hair clippings from the blades and the shaver body. Ensure the shaver is turned off before cleaning.
2. **Storage:** Store the shaver in a dry place, away from direct sunlight and extreme temperatures.

## PAXA 2-IN-1 CLIP-ON OPEN EAR HEADPHONES

### 1. Setup and Pairing

- Charging:** Place the earbuds into their charging case. Connect the USB-C cable to the case and a power source.
- Bluetooth Pairing:**
  - Ensure the earbuds are charged.
  - Open the charging case. The earbuds will enter pairing mode (indicated by a flashing light).
  - On your device (smartphone, tablet, etc.), go to Bluetooth settings and search for available devices.
  - Select "PAXA Headphones" (or similar name) from the list to connect.
  - The earbuds utilize Bluetooth 6.0 for stable and efficient connection.
- Switching Earbud Styles:** The PAXA headphones offer both in-ear and clip-on open ear styles. Gently detach the earbud from one style and attach it to the other as desired. Ensure a secure fit for optimal sound and comfort.

## 2. Operating Instructions

1. **Wearing Comfort:** The earbuds are ergonomically designed for all-day wearing comfort. Choose the style (in-ear or clip-on) that best suits your activity and preference.
2. **Audio Experience:** The open ear headphones provide an immersive, spatial stereo sound experience. Directional sound transmission technology helps minimize sound leakage, maintaining privacy.
3. **Usage Scenarios:** Easily switch between earbud styles to suit different environments, such as sports, work, or commuting.

### 3. Maintenance

1. **Cleaning:** Gently wipe the earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
2. **Storage:** Store the earbuds in their charging case when not in use to protect them and keep them charged. The case features a 360-degree rotatable design.

# 360° Rotatable Earbuds Case

- Relieve your anxiety and release stress
- Funny spinning stress relief toy

## TROUBLESHOOTING

- **Shaver not turning on:** Ensure the shaver is charged. Check if the travel lock is disengaged.
- **Shaver not shaving effectively:** Ensure the blades are clean. The shaver may need recharging.
- **Headphones not pairing:** Ensure the earbuds are charged and in pairing mode. Turn off and on your device's Bluetooth. Try forgetting the device and re-pairing.
- **No sound from headphones:** Check volume levels on both the headphones and your connected device. Ensure the headphones are properly connected via Bluetooth.
