PACKAGE CONTENTS

The package includes pieces to assemble the figure. The Dragon Shiryu Champion Class set features detailed armor, a heroic pose, and a classic aesthetic.

SETUP AND ASSEMBLY

Assembly is required for this figure. Detailed assembly instructions are included in the package. Carefully follow the provided guide to construct your Dragon Shiryu figure. Ensure all pieces are correctly aligned and securely connected.

1. Unpack all components and verify against the parts list in the included instructions.
2. Follow the step-by-step diagrams to connect the body parts, starting with the main torso.
3. Attach the armor pieces according to the character design.
4. Securely connect all joints and ensure freedom of movement where intended.
5. Once assembled, ensure the figure is stable before display.

OPERATING AND DISPLAY

This figure is recommended for display and collection. Its detailed articulation allows for various heroic poses. Once assembled, place the figure on a stable surface away from direct sunlight or extreme temperatures to preserve its condition. Avoid excessive force when posing to prevent damage to joints or parts.

- Gently manipulate joints to achieve desired poses. Do not force movement beyond the figure's natural range of motion.
- Display the figure on a flat, stable surface to prevent accidental falls.
- Keep the figure away from areas with high humidity or significant temperature fluctuations.

MAINTENANCE

To maintain the appearance of your BLOKEES Dragon Shiryu figure, gently wipe it with a soft, dry cloth to remove dust. Avoid using abrasive cleaners or solvents, as these can damage the paint or plastic. Store the figure in a cool, dry place, away from direct sunlight, which can cause discoloration over time.

TROUBLESHOOTING

- **Loose Joints:** If joints become loose, carefully adjust them. Avoid forcing movement if resistance is met.
- **Missing Parts:** Refer to the included assembly instructions to verify all parts are present. If a part is missing upon unboxing, contact customer support.
- **Assembly Difficulty:** Double-check the assembly instructions. Ensure all pieces are oriented correctly before attempting to connect them. Do not force pieces together.
