

## Bellemave Full Size House Bed with Stairs (B0G341WYJ1)

# Bellemave Full Size House Bed with Stairs Instruction Manual

Model: Full Size House Bed with Stairs (B0G341WYJ1)

## 1. INTRODUCTION

Thank you for choosing the Bellemave Full Size House Bed with Stairs. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

## 2. SAFETY INFORMATION

Your safety and the safety of your child are paramount. Please adhere to the following safety guidelines:

- **Adult Assembly Required:** This product must be assembled by adults. Keep children away during assembly to prevent injury from small parts.
- **Weight Limit:** The bed frame is designed to support a maximum weight of 450 lbs (approximately 204 kg). Do not exceed this weight limit.
- **Regular Inspection:** Periodically check all bolts, screws, and fasteners to ensure they are tight and secure. Loose hardware can lead to instability and injury.
- **Proper Mattress Fit:** Ensure the mattress used fits snugly within the bed frame to prevent gaps where a child could become entrapped.
- **No Climbing on Frame:** The house-shaped frame is for decorative purposes. Do not allow children to climb on the roof structure or side rails, as this can cause the bed to tip or parts to break, leading to injury.
- **Stairs Safety:** Ensure children use the stairs properly, one step at a time, and do not jump from them.
- **Placement:** Position the bed away from windows, cords, and other potential hazards.
- **Ventilation:** Ensure adequate ventilation around the bed.

## 3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

### 3.1 Expected Components

- Bed frame panels (headboard, footboard, side rails)
- House frame components (roof beams, support posts)
- Stairs assembly
- Bed slats
- Hardware pack (screws, bolts, nuts, washers, Allen wrench)
- Instruction manual

### 3.2 Tools Required (Not Included)

- Phillips head screwdriver
- Rubber mallet (optional, for gentle tapping)

## 4. SETUP AND ASSEMBLY

---

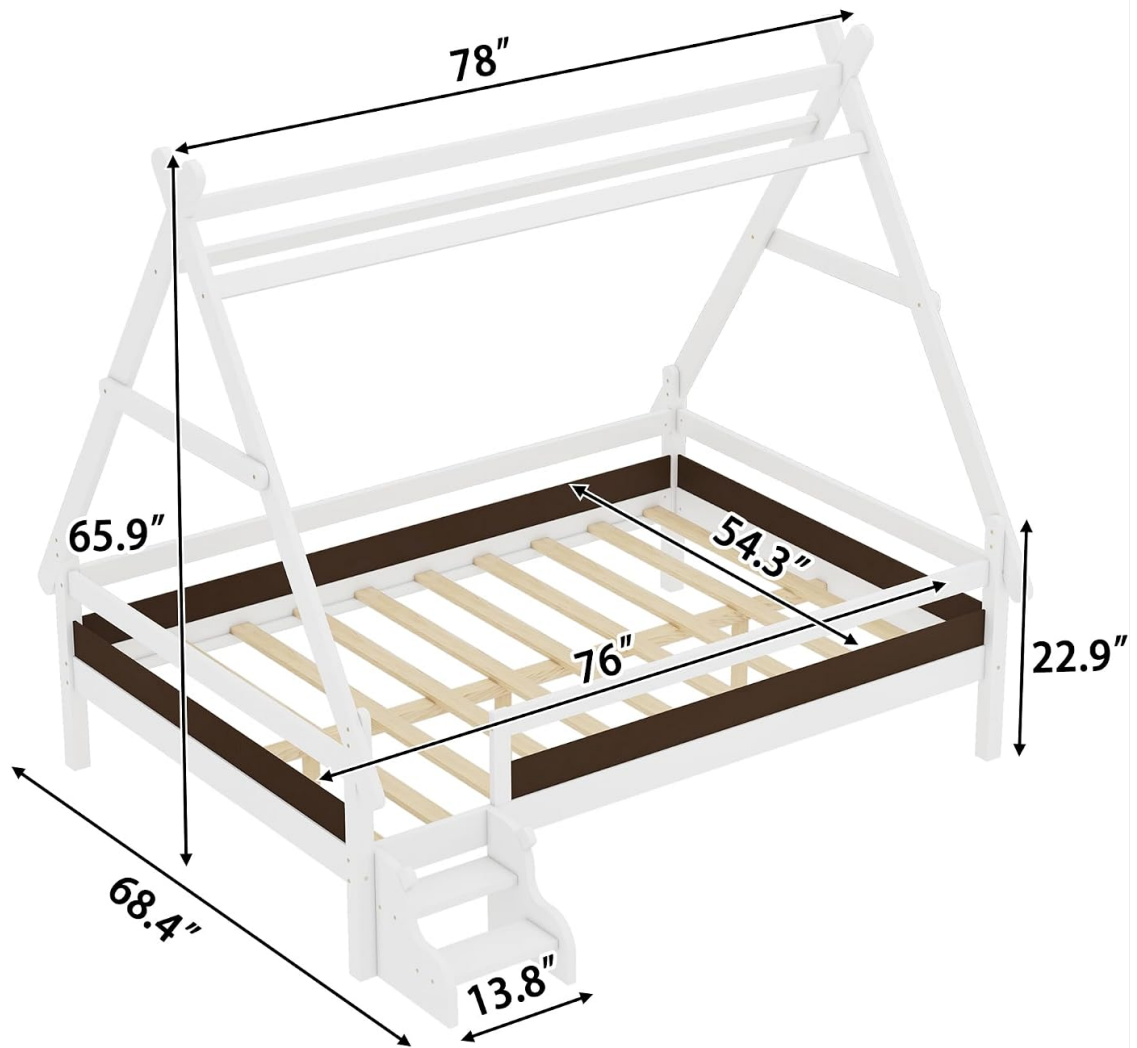

Assembly typically requires two adults. Follow the step-by-step instructions provided in the separate assembly guide included with your hardware pack. Ensure you have ample space and a clean, flat surface for assembly.

### 4.1 Assembly Overview

1. Unpack all components and lay them out on a soft, clean surface to prevent scratches.
2. Identify all parts using the provided parts list in the assembly guide.
3. Attach the side rails to the headboard and footboard using the specified hardware. Do not fully tighten bolts until all major components are connected.
4. Assemble the house frame structure according to the diagrams.
5. Securely attach the stairs to the bed frame.
6. Install the bed slats evenly across the frame, ensuring they are properly spaced and secured.
7. Once all components are in place, tighten all bolts and screws firmly. Do not overtighten.

### 4.2 Product Dimensions

## Size: inch

This diagram illustrates the overall dimensions of the Bellemave Full Size House Bed with Stairs, including length, width, and height measurements in inches. Key dimensions are 78"L x 68.4"W x 65.9"H, with a mattress area of 76"L x 54.3"W and a bed height of 22.9".

### 4.3 Component Details

A close-up image detailing the upper house-shaped frame structure of the bed, showing the wooden beams and their connections. This part forms the decorative roof of the house bed.

This image provides a detailed view of the integrated two-step stairs and the adjacent side rail of the bed frame, highlighting the low-profile design for easy access.

## 5. OPERATING INSTRUCTIONS

---

The Bellemave Full Size House Bed is designed for comfortable and imaginative sleeping. Its low-profile design ensures easy access for children.

- **Mattress Placement:** Place a standard full-size mattress directly onto the bed slats. No box spring is required.
- **Stairs Usage:** The integrated stairs provide a safe and convenient way for children to get in and out of bed. Always ensure the stairs are clear of obstructions.
- **Decorative Use:** The house frame can be decorated with lightweight fabrics, fairy lights, or other non-heavy items to enhance the playhouse experience. Ensure decorations are securely attached and do not pose a choking or entanglement hazard.

An overall view of the Bellemave Full Size House Bed with Stairs, set up in a child's room and adorned with string lights, showcasing its playhouse design.

## 6. MAINTENANCE

Proper maintenance will extend the life and appearance of your Bellemave bed frame.

- **Cleaning:** Wipe the bed frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Hardware Check:** Every 3-6 months, re-tighten all assembly hardware (bolts, screws) to ensure the bed remains stable and secure. Do not overtighten.
- **Wood Care:** Protect the wood from extreme temperature changes and direct sunlight, which can cause warping or fading.
- **Avoid Moisture:** Keep the bed frame dry. Promptly wipe up any spills.

## 7. TROUBLESHOOTING

If you encounter any issues with your Bellemave bed frame, refer to the following common solutions:

| Problem | Possible Cause | Solution |
|---------|----------------|----------|
|---------|----------------|----------|

| Problem                       | Possible Cause                              | Solution                                                                                                                 |
|-------------------------------|---------------------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Bed feels wobbly or unstable  | Loose hardware                              | Re-tighten all bolts and screws. Ensure all connections are secure.                                                      |
| Squeaking noises              | Loose connections or friction between parts | Tighten all hardware. Apply a small amount of paraffin wax or silicone spray to contact points if squeaking persists.    |
| Missing parts during assembly | Packaging error or lost during unpacking    | Carefully check all packaging materials. Contact customer support with the specific part number from the assembly guide. |
| Damage to wood surface        | Impact or improper cleaning                 | For minor scratches, use a wood repair marker or furniture polish. For significant damage, contact customer support.     |
