## VINGLI VLKIC111W

# VINGLI Rolling Kitchen Cart Instruction Manual

MODEL: VLKIC111W

## Introduction

---

Thank you for choosing the VINGLI Rolling Kitchen Cart. This compact and versatile kitchen island is designed to enhance your kitchen or dining area with additional storage and workspace. Featuring a durable construction, smooth-rolling wheels, and thoughtful design elements, this cart is an ideal solution for organizing kitchen essentials and small appliances. Please read this manual carefully before assembly and use to ensure proper setup and longevity of your product.

## Important Safety Information

---

- Do not exceed the maximum weight capacity of 120 lbs.
- Use caution when moving the cart on uneven surfaces to prevent tipping.
- Ensure all parts are properly secured before placing items on or inside the cart.
- Do not allow children to play on, with, or around the cart.
- Keep small parts away from children during assembly to prevent choking hazards.

## Package Contents

---

Before beginning assembly, please ensure all components listed in the included assembly guide are present and undamaged. If any parts are missing or damaged, please contact customer support for assistance.

## Assembly Instructions

The VINGLI Rolling Kitchen Cart is designed for straightforward assembly. Please follow the step-by-step instructions provided in the separate assembly manual included with your product. It is recommended to lay out all parts and identify them before starting. Pay close attention to the diagrams and ensure all connections are secure. Some users have noted that pieces may be labeled incorrectly; always refer to the pictures in the manual for accurate placement.

The cart is constructed from engineered wood and rubberwood. Handle components carefully during assembly to maintain the integrity of the piece. Assembly typically takes less than two hours.

# Thoughtful Design Details

Handy Towel Rack for Easy Access

Durable Solid Wood Countertop

Stylish and Sturdy Metal Handles

Secure Magnetic Door Catch

Sleek and Functional Side Hooks

Smooth-Gliding Drawer Slides

## 4 Universal Durable Caster Wheels

4 omnidirectional wheels for effortless mobility

2 lockable caster wheels for stable positioning

*Image: A detailed view of the cart's four durable caster wheels, highlighting their omnidirectional movement and the two lockable casters for stable positioning.*

## Setup

1. After assembly, choose a suitable location for your kitchen cart.
2. If you intend for the cart to remain stationary, engage the locks on the two lockable casters to prevent unwanted movement.
3. For mobile use, ensure the caster locks are disengaged.
4. Place heavier items on lower shelves or inside the cabinet for better stability.

## Operating the Kitchen Cart

- **Moving the Cart:** To move the cart, disengage the wheel locks and gently push or pull using the towel rods or the top surface.
- **Using the Drawer:** The top drawer is ideal for storing cutlery, small utensils, or other kitchen gadgets.
- **Cabinet Storage:** The barn door cabinet provides enclosed storage for larger items, keeping them out of sight and protected.
- **Open Shelves:** The open shelves are perfect for frequently used items, decorative pieces, or small appliances like blenders or coffee makers.

- **Side Hooks & Towel Rods:** Utilize the side hooks for hanging oven mitts, aprons, or small cooking tools. The towel rods can hold kitchen towels for easy access.

## Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining, especially on the wooden top.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.
- **Weight Distribution:** Distribute weight evenly across shelves and the top surface to maintain stability and prevent warping.

## Troubleshooting

- **Stability Issues:** If the cart feels wobbly, ensure all cam locks and screws are fully tightened. Verify that the casters are properly installed and locked if stationary.
- **Drawer/Door Malfunction:** If a drawer or cabinet door does not open or close smoothly, check for obstructions or misaligned slides/hinges. Adjust as needed.
- **Missing/Damaged Parts:** If you encounter missing or damaged parts during assembly, refer to the contact information in your assembly guide for customer support.

## Specifications

Feature	Detail
Product Dimensions	15.75"D x 29.13"W x 35"H
Shelf Type	Tiered Shelf
Frame Material	Metal
Brand	VINGLI
Color	White
Furniture Finish	Painted White
Style	Modern
Maximum Weight Recommendation	120 Pounds
Size	33"
Assembly Required	Yes
Number of Shelves	1
Manufacturer	VINGLI
Item Weight	38.5 pounds
Item Model Number	VLKIC111W
Date First Available	November 20, 2025
