7. TROUBLESHOOTING

If you encounter any issues with your Devoko sofa bed, please refer to the following general advice:

- **Assembly Issues:** Double-check all connections and ensure screws are tightened according to the

assembly instructions. Verify all parts are correctly oriented.

- **Conversion Mechanism:** If the pull-out bed or chaise storage is stiff, ensure no obstructions are present and that the mechanism is clean. Apply a silicone-based lubricant if necessary (avoid oil-based lubricants).
- **Stability:** Ensure the sofa is placed on a flat, even surface. Check that all legs are securely attached and making full contact with the floor.
