

MISINI M7024

MISINI M7024 US Navy Warship Building Brick Set Instruction Manual

Brand: MISINI

Model: M7024

1. INTRODUCTION

This instruction manual provides detailed guidance for assembling and understanding the features of your MISINI M7024 US Navy Warship Building Brick Set. This 1:300 scale model of the Wasp-class amphibious assault ship, USS WASP LHD-1, is composed of over 5,000 pieces, offering an intricate and rewarding building experience.

Key Features:

- **Scale and Detail:** Based on the USS WASP LHD-1, this model adheres to a 1:300 scale, measuring 86.7 cm (34.13 inches) in length. It features highly detailed replicas of the deck, island superstructure, and flight deck.
- **Modular Design:** The deck and hatches incorporate a quick-release design, allowing for disassembly of the main deck in whole or in sections.
- **Interior Access:** Openable structures for side power rooms and aft landing bays provide access to explore the complex internal structure.
- **Detailed Interior:** Meticulously recreates key compartments such as the second-floor engine room, combat conference room, crew rest area, shower area, and electrical and mechanical room.
- **Amphibious Operations:** The aft landing craft compartment can accommodate two hovercraft, enhancing the immersive experience.

2. ASSEMBLY INSTRUCTIONS

The MISINI M7024 set includes a detailed, illustrated guide to facilitate the assembly process. It is recommended to follow the instructions carefully, paying close attention to piece colors and placement. The assembly is divided into multiple steps across two comprehensive books.

Video 2.1: Overview of the Wasp-Class Amphibious Assault Ship model, demonstrating assembly steps and key features.

Assembly Tips:

- **Organize Pieces:** Before starting, sort pieces by color and type to streamline the building process.
- **Follow the Guide:** Refer to the included instruction books for step-by-step guidance. Each book contains approximately 200 pages with full-color images.
- **Check Piece Colors:** Pay close attention to the shades of gray, white, and off-white pieces to avoid errors.
- **Modular Construction:** The model is designed with modular sections, allowing for easier handling during assembly.

3. FEATURES AND OPERATION

The MISINI M7024 model incorporates several interactive features designed to enhance its display and playability. These features allow for a deeper exploration of the ship's design and functionality.

Deck Module Disassembly:

The main deck can be quickly disassembled into five modules. This feature allows for easy access to the internal compartments and enhances the display options of the model.

4. MAINTENANCE

To ensure the longevity and appearance of your MISINI M7024 building brick set, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For deeper cleaning, gently wipe with a damp cloth and mild soap, then rinse with clean water and air dry thoroughly. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic bricks.
- **Handling:** Handle the model with care, especially when moving it, to prevent accidental disassembly of smaller components.

5. TROUBLESHOOTING

While the MISINI M7024 set is designed for a smooth building experience, you may encounter minor issues. Here are some common concerns and solutions:

- **Missing Pieces:** In the rare event of missing pieces, please contact customer support with details of the missing components.
- **Difficulty in Assembly:** Some sections may require careful attention due to the model's complexity. Double-check the instruction guide for correct piece orientation and placement. Ensure all connections are firm.
- **Loose Connections:** If parts feel loose, ensure they are fully pressed together. The bricks are designed for a secure fit.

If you encounter any persistent problems during assembly or operation, please do not hesitate to contact MISINI customer support for assistance.

6. SPECIFICATIONS

Attribute	Detail
Brand	MISINI
Model Name	MISINI M7024 Wasp-Class Amphibious Assault Ship
Item Model Number	M7024
Scale	1:300
Number of Pieces	5220
Product Dimensions (L x W x H)	34.13 x 10.47 x 10.43 inches (86.7 cm x 26.6 cm x 26.5 cm)
Item Weight	17.64 pounds (8.02 Kilograms)
Material	Acrylonitrile Butadiene Styrene
Color	Gray, Black
Included Components	Instruction Guide
Manufacturer Recommended Age	14 years and up

7. SAFETY INFORMATION

This product contains small parts and is **not suitable for children under 14 years old**. Adult supervision is recommended during assembly for younger builders within the recommended age range. Keep small pieces away from young children to prevent choking hazards.

8. WARRANTY AND SUPPORT

For any questions, concerns, or support regarding your MISINI M7024 Building Brick Set, please contact the seller or manufacturer directly. Refer to the packaging or purchase documentation for specific contact details. Your satisfaction is important, and assistance is available for any issues encountered during the product's lifecycle.
