

## HEYSONG P002

# HEYSONG Fiesta Party Speaker P002 Instruction Manual

Model: P002

## INTRODUCTION

---

Thank you for choosing the HEYSONG Fiesta Party Speaker P002. This portable audio system is designed to deliver powerful sound and dynamic LED lighting for various indoor and outdoor events. This manual provides essential information for the safe and efficient operation of your speaker. Please read it thoroughly before use and retain it for future reference.

## SAFETY INFORMATION

---

- Do not expose the speaker to extreme temperatures, direct sunlight, or excessive humidity.
- Avoid dropping or subjecting the speaker to strong impacts.
- Do not attempt to disassemble or modify the speaker. This will void the warranty.
- Keep the speaker away from water and other liquids. While durable, it is not specified as waterproof.
- Use only the provided charging cable and adapter.
- Ensure proper ventilation when operating the speaker.
- Keep out of reach of children.

## PACKAGE CONTENTS

---

Upon unpacking, please ensure all items listed below are present:

- HEYSONG Fiesta Party Speaker P002
- Power Adapter/Charging Cable
- User Manual (this document)

## PRODUCT OVERVIEW

---

The HEYSONG Fiesta Party Speaker P002 features a robust design with integrated controls and dynamic LED lighting. Familiarize yourself with the main components:

**Image 1:** Front view of the HEYSONG Fiesta Party Speaker P002 with its multi-color LED lights active around the speakers and top panel. The "BLUETOOTH" indicator is visible on the top panel.

- **Top Control Panel:** Contains power button, volume controls, mode selection, and LED light controls.
- **Main Speakers:** Two large speaker drivers with illuminated rings.
- **LED Light Strips:** Integrated multi-color LED lights on the front and top.
- **Rear Panel:** Charging port, AUX input, USB port.

## SETUP

---

### 1. Charging the Speaker

1. Connect the provided power adapter to the charging port on the rear panel of the speaker.
2. Plug the adapter into a standard wall outlet.
3. The charging indicator light will illuminate (color may vary) to show the speaker is charging.
4. Allow approximately 4-6 hours for a full charge. The indicator light will change or turn off when fully charged.

*Note: For optimal battery life, fully charge the speaker before first use.*

### 2. Powering On/Off

- **To Power On:** Press and hold the Power button on the top control panel for approximately 3 seconds. You will hear an audible prompt, and the LED lights will activate.
- **To Power Off:** Press and hold the Power button for approximately 3 seconds. You will hear an audible prompt, and the LED lights will turn off.

## OPERATING INSTRUCTIONS

---

### 1. Bluetooth Pairing

1. Ensure the speaker is powered on and in Bluetooth mode. If not, press the 'Mode' button until you hear the "Bluetooth mode" prompt. The Bluetooth indicator light will flash.
2. On your mobile device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "HEYSONG Fiesta P002" from the list of devices.
4. Once paired, you will hear a confirmation sound, and the Bluetooth indicator light on the speaker will stop flashing and remain solid.
5. You can now play audio from your device through the speaker.

**Image 2:** The HEYSONG Fiesta Party Speaker P002 positioned in a modern living room, demonstrating its aesthetic integration into an indoor environment. The speaker's front grille and subtle branding are visible.

## 2. TWS (True Wireless Stereo) Pairing

TWS allows you to connect two HEYSONG Fiesta P002 speakers wirelessly for a stereo sound experience.

1. Ensure both speakers are powered on and in Bluetooth mode, but not yet connected to any device.
2. On one speaker (this will be the primary speaker), press and hold the TWS button (or a designated pairing button, refer to speaker controls) for a few seconds. You will hear a prompt indicating TWS pairing mode.
3. The two speakers will automatically search for and connect to each other. Once connected, you will hear a confirmation sound.
4. Now, connect your mobile device to the primary speaker via Bluetooth as described in the "Bluetooth Pairing" section.
5. Audio will now play in stereo across both speakers.

*Note: TWS functionality requires two identical HEYSONG Fiesta P002 speakers.*

## 3. LED Light Modes

The speaker features multiple LED light modes to enhance your listening experience.

- Press the 'Light' button (or designated LED control button) on the top panel to cycle through different light modes.
- Modes may include static colors, pulsating effects, and sound-reactive patterns.
- Press and hold the 'Light' button to turn the LED lights off.

**Image 3:** The HEYSONG Fiesta Party Speaker P002 illuminated with vibrant LED lights, placed in a festive environment with scattered confetti and party cups, illustrating its use in a celebration setting.

#### 4. Volume Control

- Use the '+' and '-' buttons on the top control panel to adjust the speaker's volume.
- You can also control the volume from your connected Bluetooth device.

#### 5. Other Input Modes (USB/AUX)

The speaker supports additional audio input methods:

- **USB Playback:** Insert a USB flash drive containing MP3 audio files into the USB port. The speaker will automatically switch to USB mode and begin playback. Use the control panel for track navigation.

- **AUX Input:** Connect an external audio device (e.g., MP3 player, laptop) to the AUX input port using a 3.5mm audio cable. Press the 'Mode' button until you hear the "AUX mode" prompt.

## MAINTENANCE

---

### 1. Cleaning

- Ensure the speaker is powered off and unplugged before cleaning.
- Wipe the exterior surfaces with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, solvents, or chemical sprays.
- Avoid getting moisture into any openings.

### 2. Storage

- Store the speaker in a cool, dry place, away from direct sunlight and extreme temperatures.
- If storing for an extended period, charge the battery to approximately 50% every 3-6 months to maintain battery health.

### 3. Battery Care

- Avoid fully discharging the battery frequently.
- Do not leave the speaker connected to power for prolonged periods after it is fully charged.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Speaker does not power on.	Battery is depleted.	Charge the speaker using the provided power adapter.
No Bluetooth connection.	Speaker not in pairing mode; device Bluetooth off; speaker already connected to another device.	Ensure speaker is in Bluetooth pairing mode. Turn on Bluetooth on your device. Disconnect from other devices.
No sound.	Volume too low; incorrect input mode; device not playing audio.	Increase speaker and device volume. Select correct input mode (Bluetooth, AUX, USB). Ensure audio is playing on the source device.
TWS pairing fails.	Speakers too far apart; one speaker already paired to a device.	Ensure speakers are within close proximity. Disconnect both speakers from any Bluetooth devices before initiating TWS pairing.
LED lights not working.	Lights turned off; malfunction.	Press the 'Light' button to cycle through modes or turn them on. If issue persists, contact support.
