DWVO Large Hidden Litter Box Furniture with Shelves & Charging Station Instruction Manual

Model: MADWVD4NGb

PRODUCT OVERVIEW

This manual provides instructions for the DWVO Large Hidden Litter Box Furniture with Shelves and Charging Station. This versatile furniture piece is designed to discreetly house large or self-cleaning litter boxes while offering additional storage and a convenient charging solution, blending seamlessly into your home decor.

Image: The DWVO Large Hidden Litter Box Furniture in white, featuring upper shelves for storage and a lower cabinet designed to conceal a litter box. A cat is visible near the entrance.

KEY FEATURES

- **High-Gloss Modern Furniture:** Functions as a hidden litter box enclosure, bookshelf, or storage cabinet with a charging station, enhancing your living space.
- **Litter Box Compatibility:** Accommodates automated or large traditional litter boxes measuring up to 30.5"L x 26.8"W x 28.5"H.
- **Enhanced Safety:** Features side baffle strips on upper shelves to prevent items from falling, and magnetic doors for secure closure.
- **Convenient Charging Station:** Includes power outlets (2 AC, 2 USB) for electric litter boxes, automatic feeders, and other devices.
- **Durable Construction:** Crafted from sturdy engineered wood, resistant to scratches and spills, and easy to clean with a damp cloth.

PRODUCT DIMENSIONS

PRODUCT SIZE

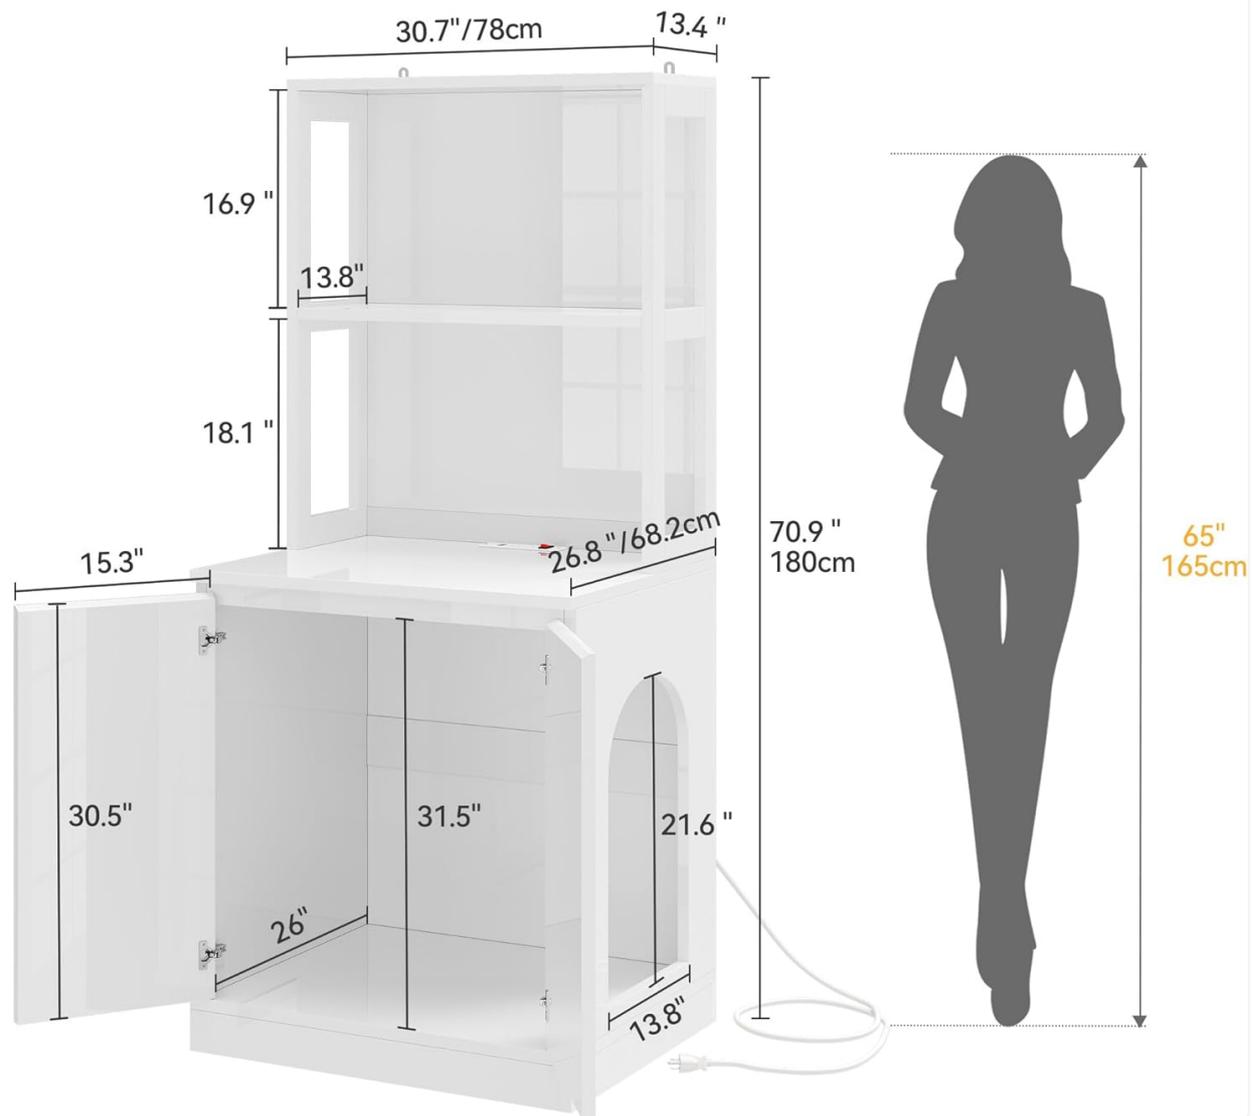

Image: Diagram illustrating the dimensions of the DWVO Large Hidden Litter Box Furniture. Overall height is 70.9 inches (180cm). The lower cabinet is 30.5 inches high, 26.8 inches wide, and 15.3 inches deep. The upper shelving unit is 30.7 inches wide and 16.9 inches deep for the top shelf, and 18.1 inches deep for the middle shelf. The litter box compartment entrance is 21.6 inches high and 13.8 inches wide.

- **Overall Dimensions (L x W x H):** 30.5" x 26.8" x 70.9"
- **Item Weight:** 80.91 Pounds
- **Litter Box Compartment Capacity:** Up to 30.5"L x 26.8"W x 28.5"H

SETUP AND ASSEMBLY

This furniture requires assembly. Follow the detailed instructions provided in the product packaging for proper construction. It is recommended to have two people for assembly due to the size and weight of the components. Ensure all parts are accounted for before beginning assembly.

For optimal stability and safety, ensure all fasteners are securely tightened during and after assembly. Do not overtighten screws to avoid damaging the material.

OPERATING INSTRUCTIONS

Litter Box Placement

Open the magnetic doors of the lower cabinet. Carefully place your automated or traditional litter box inside the designated compartment. Ensure the litter box fits within the maximum internal dimensions of 30.5"L x 26.8"W x 28.5"H. The arched side opening allows for easy cat access.

Image: The lower cabinet doors are open, revealing a large automatic litter box comfortably placed inside, demonstrating the spacious capacity.

Charging Station Usage

The integrated charging station is conveniently located on the top surface of the lower cabinet. It includes two 120V/12A AC outlets and two 5V/2A USB ports.

Your browser does not support the video tag.

Video: A close-up demonstration of the integrated charging station, showing a USB cable being plugged into one of the USB ports, highlighting its convenience.

To use, plug your electric litter box, automatic feeder, or other compatible devices into the available AC outlets or USB ports. Ensure the power switch on the charging station is in the "ON" position to supply power.

MAINTENANCE

Cleaning

The high-gloss panel surface of the furniture is designed for easy cleaning. Simply wipe down the surface with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or rough scrubbing pads, as these may damage the finish.

General Care

Regularly inspect all connections and fasteners to ensure they remain tight. Re-tighten if necessary. Keep the unit away from direct sunlight, extreme temperatures, and excessive moisture to prolong its lifespan and maintain its appearance.

SAFETY INFORMATION

This unit features an anti-tipping design. For enhanced safety, especially in households with children or active pets, it is strongly recommended to secure the furniture to a wall using the anti-tipping hardware provided in the package. Follow the wall-mounting instructions carefully.

The upper shelves include side baffle strips to prevent items from falling. Ensure items placed on shelves are stable and do not exceed the weight capacity of the shelves. Magnetic doors provide secure closure, preventing accidental openings and keeping the litter box discreetly hidden.

TROUBLESHOOTING

Power Issues with Charging Station

If the integrated charging station is not providing power, first ensure the main power cord is securely plugged into a functional wall outlet. Verify that the power switch on the charging station itself is in the "ON" position. If issues persist, try plugging another device into the wall outlet to confirm the outlet is working correctly.

Assembly Difficulties

If you encounter difficulties during assembly, carefully re-examine the instruction manual provided with the product. Ensure all pieces are oriented correctly and all hardware components are used as specified. Do not force parts together. If a part appears damaged or missing, contact customer support.

PRODUCT SPECIFICATIONS

Feature	Detail
