

Linkdaze 10.1 Inch Digital Calendar

Linkdaze 10.1 Inch Digital Calendar and Picture Frame User Manual

Brand: Linkdaze | **Model:** 10.1 Inch Digital Calendar

1. INTRODUCTION

This manual provides instructions for setting up, operating, and maintaining your Linkdaze 10.1 Inch Digital Calendar and Picture Frame. This device combines a high-definition IPS touchscreen calendar with a digital photo frame, offering features such as multi-calendar synchronization, chore management, and photo/video sharing.

2. SETUP

2.1 Unpacking and Placement

- Carefully remove the digital calendar from its packaging.
- Place the device on a stable, flat surface in a location with good Wi-Fi signal.

2.2 Power Connection

- Connect the power adapter to the device and then plug it into a standard electrical outlet.
- The device will power on automatically.

2.3 Initial Wi-Fi Setup

- Upon first power-on, follow the on-screen prompts to select your language and connect to a Wi-Fi network. The device supports both 2.4 GHz and 5 GHz bands.
- Enter your Wi-Fi password when prompted.

2.4 AiMOR App Installation

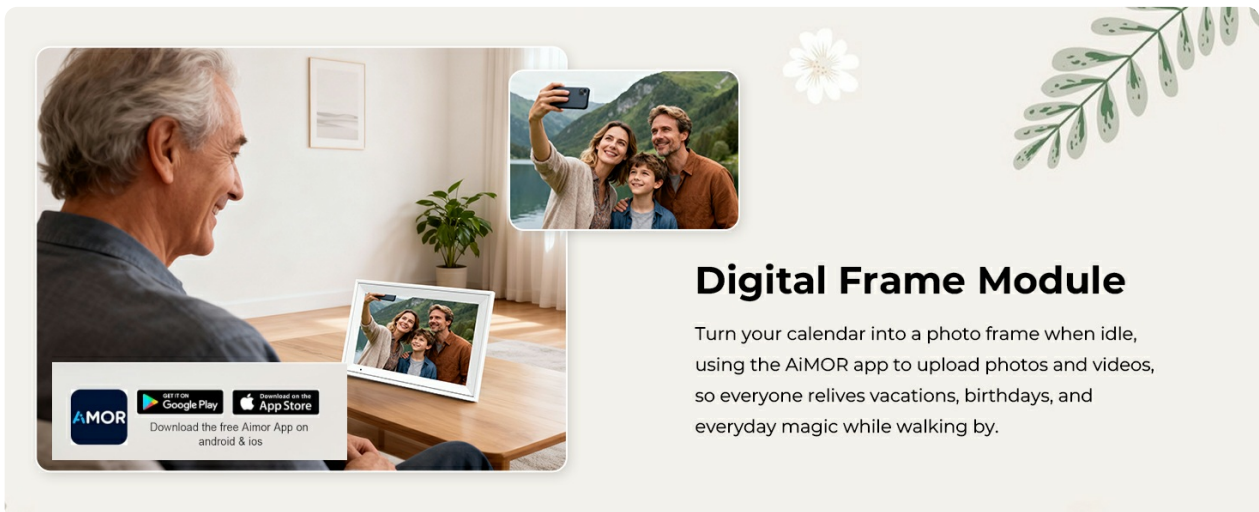

- Download the AiMOR app from the Google Play Store or Apple App Store on your smartphone.
- Create an account or log in to an existing one.
- Follow the in-app instructions to pair your digital calendar with your AiMOR account. This enables photo/video sharing and advanced calendar features.

3. OPERATING INSTRUCTIONS

3.1 Digital Photo Frame Function

When idle, the device functions as a digital photo frame, displaying your cherished memories.

- **Uploading Photos/Videos:** Use the AiMOR app on your smartphone to upload photos and videos directly to the digital calendar.
- **Auto-Rotate:** The frame automatically adjusts photo orientation (portrait or landscape) to match the device's position.
- **Smart Cropping:** Images are automatically adjusted to fill the display perfectly.
- **Slideshow Settings:** Customize slideshow intervals and transition effects through the device settings.

Digital Frame Module

Turn your calendar into a photo frame when idle, using the AiMOR app to upload photos and videos, so everyone relives vacations, birthdays, and everyday magic while walking by.

3.2 Multi-Calendar Synchronization

Sync your digital calendar with various external calendar applications.

- **Google Calendar:** Enjoy seamless two-way synchronization. Follow the on-screen instructions to link your Google account.
- **iCloud, Outlook, Cozi, Yahoo, TeamSnap:** Sync schedules via a URL link. Navigate to the calendar settings on your device and input the provided URL link from your preferred calendar service.
- **Calendar Views:** Choose from day, week, or month views to suit your preference.
- **Color-Coded Events:** Differentiate family members or event types by assigning unique color labels.

To-do List

Create family event lists, shopping lists, and more in calendar, which will automatically sync to family members' AiMOR app

3.3 Chore Chart & Reward System

Manage household tasks and motivate family members with an interactive chore chart.

- **Assign Tasks:** Create and assign tasks to specific family members.
- **Automated Reminders:** Set reminders for tasks to ensure completion.
- **Color-Coding:** Each family member can be assigned a color for easy task recognition.
- **Earn Points:** Family members earn points for completing chores.
- **Redeem Rewards:** Set up a system where accumulated points can be redeemed for rewards.

Rewards

Assign point rewards to each chore and set prizes that can be redeemed by the points, motivates your whole family!

3.6 Memory Management

- **Internal Storage:** The device has 32GB of built-in memory, capable of storing over 50,000 photos.
- **Micro SD Card Expansion:** Expand storage capacity using Micro SD cards up to 64GB.
- **Importing from SD Card:** Photos and videos cannot be played directly from an SD card. They must first be imported into the digital frame's internal memory.

3.7 Display and Power Settings

- **IPS HD Touchscreen:** Navigate the device using the responsive 10.1-inch touchscreen.
- **Auto-Brightness:** A built-in light sensor automatically adjusts screen brightness based on ambient light levels for optimal viewing.
- **Sleep Mode:** Configure sleep and wake-up times according to your schedule to conserve power.

4. MAINTENANCE

4.1 Cleaning the Device

- Ensure the device is powered off and unplugged before cleaning.
- Use a soft, lint-free cloth to gently wipe the screen and exterior surfaces.
- For stubborn marks, slightly dampen the cloth with water or a screen-safe cleaning solution. Avoid harsh chemicals or abrasive materials.

4.2 Software Updates

- Periodically check for software updates in the device settings to ensure optimal performance and access to new features.
- Ensure a stable Wi-Fi connection during updates.

5. TROUBLESHOOTING

5.1 Device Not Powering On

- Check if the power adapter is securely connected to both the device and the power outlet.
- Ensure the power outlet is functional by testing it with another device.

5.2 Wi-Fi Connectivity Issues

- Verify that your Wi-Fi router is on and functioning correctly.
- Ensure you have entered the correct Wi-Fi password.
- Move the device closer to your Wi-Fi router to improve signal strength.
- Restart both the digital calendar and your Wi-Fi router.

5.3 Photos/Videos Not Displaying

- Confirm that photos and videos have been successfully uploaded via the AiMOR app.
- If using an SD card, ensure the media has been imported into the device's internal memory.
- Check the file formats; ensure they are compatible with the device.

5.4 Calendar Sync Problems

- Ensure the device has a stable internet connection.
- For Google Calendar, verify your account is correctly linked and permissions are granted.
- For other calendars (iCloud, Outlook, etc.), double-check the URL link entered in the device settings.
- Try re-syncing the calendar manually through the device settings.
