## JOYMOR 4-Pieces Set

# JOYMOR Soft Foam Climbing Blocks 4-Pieces Set Instruction Manual

Model: 4-Pieces Set

## 1. INTRODUCTION

The JOYMOR Soft Foam Climbing Blocks 4-Pieces Set is designed to provide a safe and engaging environment for babies and toddlers to develop gross motor skills, cognitive abilities, and balance. This set includes four soft foam blocks that can be arranged in various configurations for crawling, climbing, and sliding activities.

## 2. SAFETY INFORMATION

Please read and follow all safety instructions to ensure a safe play environment for your child.

- **Adult Supervision Required:** Always supervise children during play to prevent accidents.
- **Indoor Use Only:** This product is designed for indoor use on a flat, stable surface.
- **Non-Slip Bottom:** The foam climbers feature a non-slip bottom to help keep the structure in place during use.
- **Soft Surfaces:** The blocks are made with soft foam and have no hard surfaces or sharp corners, protecting children from harm.

- **Footwear:** It is recommended that children remove their shoes prior to using the climbing blocks to maintain product integrity and cleanliness.
- **Age Recommendation:** Suitable for children aged 1 month to 3 years.

### 3. PRODUCT COMPONENTS

---

The JOYMOR Soft Foam Climbing Blocks 4-Pieces Set includes the following components:

- 2 x Tunnel Blocks
- 1 x Two-Step Block
- 1 x Ramp Block

### 4. SETUP AND ARRANGEMENT

---

The foam blocks can be arranged in various configurations to create different play structures. Ensure all blocks are placed on a flat, stable surface before use.

1. **Basic Configuration:** Place the two tunnel blocks parallel to each other. Position the two-step block between them, connecting the top surfaces. Attach the ramp block to one of the tunnel blocks or the step block to create an incline.
2. **Corner Climber:** Arrange the blocks to fit into a corner of a room, using walls for additional support if desired.
3. **Individual Use:** Each block can be used separately for crawling, sitting, or stacking activities.

## 5. OPERATING AND USAGE

The JOYMOR Soft Foam Climbing Blocks encourage active play and skill development. Children can engage in the following activities:

- **Crawling:** Utilize the tunnel blocks for crawling through.
- **Climbing:** Ascend the two-step block or the ramp block.
- **Sliding:** Slide down the ramp block.
- **Stacking:** Arrange blocks in different ways to create new structures, fostering imagination and problem-solving.

## 6. MAINTENANCE AND CLEANING

---

Proper maintenance ensures the longevity and hygiene of your climbing blocks.

- **Cleaning:** The thickened PU leather cover is waterproof and easy to clean. Use a mild soap and water solution with a soft cloth to wipe down surfaces.
- **Drying:** Allow blocks to air dry completely before storage or next use.
- **Inspection:** Regularly inspect the blocks for any signs of wear, tears, or damage. Discontinue use if significant damage is observed.

## 7. STORAGE

---

When not in use, the blocks can be stored efficiently.

- **Space-Saving:** The blocks can be stacked or arranged vertically against a wall to save space.
- **Location:** Store in a clean, dry indoor environment away from direct sunlight or extreme temperatures.

## 8. PRODUCT SPECIFICATIONS

| Feature         | Detail                                                     |
|-----------------|------------------------------------------------------------|
| Brand           | JOYMOR                                                     |
| Model           | 4-Pieces Set                                               |
| Material        | Polyvinyl Chloride (PU Leather Cover)                      |
| Recommended Age | 1 month and up (specifically 6-36 months for optimal use)  |
| Color           | Purple (as per product data, though images show pink/blue) |
| ASIN            | B0G3WBJ374                                                 |

## 9. TROUBLESHOOTING

---

This product is designed for durability and safety. Should you encounter any issues, consider the following:

- **Stability Issues:** Ensure blocks are placed on a flat, even surface. Verify that the non-slip bottom is clean and free of debris.
- **Damage:** If any block shows signs of significant wear, tears, or structural damage, discontinue use immediately to prevent injury.
- **Cleaning Difficulties:** For stubborn stains, repeat the cleaning process with mild soap and water. Avoid harsh chemicals or abrasive cleaners.

## 10. WARRANTY INFORMATION

---

Specific warranty details for JOYMOR products may vary. Please refer to the product packaging or the official JOYMOR website for the most current warranty information. Typically, products are covered against manufacturing defects for a limited period from the date of purchase.

## 11. CUSTOMER SUPPORT

---

For further assistance, questions, or concerns regarding your JOYMOR Soft Foam Climbing Blocks, please contact JOYMOR customer support through their official website or the retailer where the product was purchased.
