## Yanosaku B0G3WN16Q7

# Yanosaku 72-inch Tall Vanity Desk with LED Mirror and Charging Station

Model: B0G3WN16Q7

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your Yanosaku 72-inch Tall Vanity Desk. Please read all instructions carefully before assembly and use to ensure safe and proper functionality of the product.

## Important Safety Information

- This product contains electrical components. Always follow the manufacturer's instructions for safe assembly, usage, and maintenance.
- Keep the glass top clean and dry to prevent breakage.
- Do not place heavy objects on the glass top to avoid damage.
- Ensure all electrical connections are secure and comply with local electrical codes.
- Keep children and pets away from the product during assembly.

## PACKAGE CONTENTS

---

Before beginning assembly, verify that all components are present and undamaged. The vanity desk is shipped in two separate boxes, which may arrive at different times. Please ensure both packages have been received before starting assembly.

- Vanity Desk Components (Engineered Wood)
- LED Mirror Unit
- Charging Station Unit (with AC outlets and USB ports)
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Assembly Instructions Manual

## OUR PACKAGE

The item comes **in two boxes** and may not arrive at the same time

The vanity desk is shipped in two separate boxes, which may arrive at different times.

## SETUP AND ASSEMBLY

Assembly of the Yanosaku Vanity Desk requires careful attention to the provided step-by-step instructions and labeled accessories. It is recommended to have a second person assist with certain steps due to the size and weight of the components. Ensure you have adequate space for assembly.

### Assembly Steps Overview:

1. Unpack all components and verify against the parts list in the separate assembly manual.
2. Assemble the main desk frame according to the diagrams.
3. Install the drawers and their slides.
4. Attach the upper cabinet and shelving unit.
5. Mount the LED mirror and connect its power supply.
6. Install the charging station and secure the hair dryer holder.

7. Assemble the vanity stool.
8. Place the tempered glass tabletop.

Refer to the dedicated assembly manual included in your package for detailed diagrams and specific instructions for each step.

## OPERATING INSTRUCTIONS

### LED Mirror Operation

The integrated LED mirror features three lighting modes and adjustable brightness to suit various lighting needs.

- **Changing Light Color:** Touch the switch on the mirror surface to cycle through Cool White, Warm White, and Warm Yellow light modes.
- **Adjusting Brightness:** Long-press the switch to increase or decrease the brightness within the selected color mode. Release when the desired brightness is achieved.

# TOUCH SWITCH & SMART DIMMING

**COLD WHITE**      **WARM WHITE**      **WARM YELLOW**

Touch the switch to change the color  
Long-press to adjust the brightness

The LED mirror offers three distinct lighting modes and adjustable brightness.

### Built-in Charging Station

The vanity desk includes a convenient charging station for your electronic devices and styling tools.

- The charging station features two 125V/12A AC outlets and two 5V/2A USB ports.
- Use the AC outlets for hair dryers, curling irons, or other small appliances.
- Use the USB ports to charge mobile phones, tablets, and other USB-powered devices.
- A dedicated holder is provided for your hair dryer.

## Built-in Power Strip

Convenient for phone charging & hair dryer use

The charging station provides convenient power access for various devices.

### Adjustable Tabletop and Storage

The vanity desk features an expandable and foldable tabletop, along with extensive storage options.

- The tabletop can be adjusted to provide additional workspace when needed.
- The tempered glass surface allows for a clear view of items stored beneath, aiding in organization.
- Utilize the 6 main drawers, 2 transparent cabinets, and 3 open shelves for organizing cosmetics, skincare, and accessories.
- The accompanying stool also includes 2 hidden drawers for additional discreet storage.

## #Visible, Anti-Scalding, Easy to clean

### Embedded Tempered Glass Tabletop

A visible glass top enabling you to locate your cosmetics or accessories at a glance

The tempered glass tabletop provides visibility for stored items.

# Vanity Stool with Hidden Drawers

The vanity stool includes two hidden drawers for extra storage.

## MAINTENANCE

---

Proper care and maintenance will extend the life and appearance of your vanity desk.

- **Cleaning the Surface:** Wipe all engineered wood surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Glass Top Care:** Clean the tempered glass surface with a glass cleaner and a lint-free cloth. Ensure the glass is dry after cleaning to prevent water spots. Do not use sharp objects on the glass.
- **Electrical Components:** Ensure the charging station and LED mirror are unplugged before cleaning. Wipe with a dry cloth. Do not expose electrical components to water.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If needed, a small amount of silicone lubricant can be applied.
- **Hardware:** Periodically check and tighten any loose screws or fittings to maintain stability.

## TROUBLESHOOTING

---

If you encounter any issues with your vanity desk, refer to the following common troubleshooting steps:

- **LED Mirror Not Lighting Up:**

- Ensure the vanity desk is properly plugged into a working power outlet.
- Check if the power cord is securely connected to the mirror unit.
- Gently touch the power switch on the mirror to activate it.

- **Charging Station Not Working:**

- Verify the main power cord for the vanity desk is plugged in.
- Test the outlet with another device to confirm it is functional.
- Ensure devices are correctly plugged into the AC outlets or USB ports.

- **Drawers Sticking or Not Closing Smoothly:**

- Check for any obstructions inside the drawer or along the slides.
- Ensure the drawer slides are properly aligned and securely attached.
- Apply a small amount of silicone lubricant to the drawer slides if necessary.

- **Vanity Feels Unstable:**

- Re-check all assembly hardware and tighten any loose screws or bolts.
- Ensure the vanity is placed on a flat, level surface.

If these steps do not resolve the issue, please contact customer support for further assistance.
