CHARGING THE EARBUDS AND CASE

Before first use, fully charge the earbuds and charging case.

1. **Charging the Case:** Connect the provided USB-C cable to the charging port on the case and to a USB power adapter (not included). The LED display on the case will show the battery percentage. A full charge takes approximately 1 hour.
2. **Charging the Earbuds:** Place the earbuds into the charging case. Ensure they are correctly seated in their respective slots (L for left, R for right). The LED indicators on the earbuds will light up, and the case display will show individual earbud battery levels. The earbuds will automatically charge from the case battery.

The charging case provides up to 56 hours of total playtime, with the earbuds offering up to 8 hours on a single charge.

56H Long Battery Life

PAIRING WITH YOUR DEVICE

The Drsaec J55 earbuds utilize advanced Bluetooth 5.4 technology for a stable and efficient connection.

1. First-Time Pairing:

- Open the charging case. The earbuds will automatically enter pairing mode.
- On your device (smartphone, tablet, computer), enable Bluetooth.
- Search for available Bluetooth devices and select "J55" from the list.
- Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

2. **Automatic Reconnection:** After the initial pairing, the earbuds will automatically connect to the last paired device when taken out of the charging case, provided Bluetooth is enabled on your device.

3. **Universal Compatibility:** The earbuds are compatible with most Bluetooth-enabled devices, including iOS and Android smartphones, tablets, and computers.

WATER RESISTANCE (IP7)

The Drsaec J55 earbuds are IP7 waterproof, providing protection against sweat and rain. This makes them suitable for sports and outdoor activities.

- IP7 rating means the earbuds can withstand immersion in water up to 1 meter for 30 minutes.
- They are resistant to sweat, splashes, and rain.
- **Important:** The charging case is NOT waterproof. Do not expose the charging case to water or moisture.
- Ensure earbuds are completely dry before placing them back into the charging case to prevent damage.

MAINTENANCE AND CARE

Proper care will extend the life of your Drsaec J55 earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Keep them in a cool, dry place, away from extreme temperatures.
- **Avoid Impact:** Do not drop or subject the earbuds or charging case to strong impacts.
- **Liquid Exposure:** While the earbuds are IP7 waterproof, avoid prolonged immersion and ensure they are dry before charging.

TROUBLESHOOTING

If you encounter any issues with your Drsaec J55 earbuds, refer to the following common solutions:

Problem	Solution
Earbuds not pairing	<ul style="list-style-type: none"> ◦ Ensure earbuds are charged. ◦ Turn off and on Bluetooth on your device. ◦ Forget "J55" from your device's Bluetooth list and re-pair. ◦ Place earbuds back in case, close, then reopen to reset pairing mode.
Only one earbud working	<ul style="list-style-type: none"> ◦ Ensure both earbuds are charged. ◦ Place both earbuds back in the charging case, close the lid, wait a few seconds, then open the lid and take them out together. ◦ Check if the non-working earbud has debris blocking the charging contacts.
Low volume or poor sound quality	<ul style="list-style-type: none"> ◦ Adjust volume on both your device and using earbud touch controls. ◦ Ensure earbuds are properly seated in your ears. ◦ Clean any earwax or debris from the earbud mesh.
Charging case not charging	<ul style="list-style-type: none"> ◦ Ensure the USB-C cable is securely connected to both the case and the power source. ◦ Try a different USB-C cable or power adapter.
