SETUP AND ASSEMBLY

The Tribesigns L-Shaped Desk is designed for straightforward assembly. All parts are labeled, and detailed instructions are included in the hardware kit. A screwdriver is provided, but you may use your own if preferred. Two people are recommended for easier and safer assembly.

- Unpack:** Carefully unpack all components and the hardware kit. Place them on a clean, soft surface (like a rug or blanket) to prevent scratches during assembly.
- Identify Parts:** Refer to the included assembly diagram to identify each part by its label. Ensure all components listed in the package contents are present.
- Assemble Frame:** Follow the step-by-step instructions provided in the hardware kit to connect the main frame components. Do not fully tighten screws until instructed.
- Attach Storage Unit:** Securely attach the file cabinet and open storage shelves to the desk frame as per the instructions.
- Final Tightening:** Once all parts are loosely assembled and aligned, gently tighten all screws and fasteners. Do not overtighten, as this can damage the wood.
- Placement:** Position the assembled desk in its desired location, ensuring it is stable and level.

OPERATING AND USAGE

The Tribesigns L-Shaped Desk is designed for versatile use in various settings, including home offices, study areas, and gaming setups. Its L-shape provides an expansive workspace, while the integrated storage offers convenient organization.

- **Workspace:** Utilize the spacious desktop for computers, multiple monitors, writing, drawing, and other tasks requiring ample surface area.
- **Storage:** The desk features a file cabinet with doors and open storage shelves. Use these for organizing documents, books, office supplies, and displaying decorative items.
- **Cable Management:** For a tidy workspace, consider using cable ties or clips (not included) to manage and route power cords and peripheral cables.

MAINTENANCE

To ensure the longevity and maintain the appearance of your Tribesigns L-Shaped Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes, which can damage the engineered wood finish.
- **Spills:** Promptly wipe up any spills to prevent water damage or staining. The desk surface is designed to be water-resistant, but prolonged exposure to liquids should be avoided.
- **Protection:** Use coasters for drinks and desk pads for writing or placing heavy or sharp objects to protect the surface from scratches and marks.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary, but do not overtighten.

TROUBLESHOOTING

If you encounter any issues with your Tribesigns L-Shaped Desk, refer to the following common solutions:

Problem	Possible Solution
Desk is wobbly	◦ Ensure all screws and fasteners are securely tightened. ◦ Verify that the desk is placed on a completely level surface. ◦ If applicable, adjust any leg levelers to stabilize the desk.
Parts missing or damaged upon arrival	◦ Do not attempt to assemble the desk with missing or damaged parts. ◦ Contact Tribesigns customer support immediately with your purchase details and a description of the issue.

Difficulty during assembly	◦ Review the assembly instructions and diagrams carefully, paying close attention to part orientation. ◦ Ensure you have all necessary tools. ◦ It is recommended to have two people for assembly to assist with alignment and lifting.
