> Bellemave Twin Loft Bed with Slide, Ladder, LED, and Storage Shelves Instruction Manual

Bellemave FST00272-T-AK1

Bellemave Twin Loft Bed Instruction Manual

Model: FST00272-T-AK1

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use of this product. Keep this manual for future reference.

- **Maximum Weight Capacity:** This loft bed is designed to support a maximum weight of 350 pounds. Do not exceed this limit.
- **Age Recommendation:** Loft beds are not recommended for children under 6 years of age.
- **Guardrails:** Ensure all guardrails are securely installed and maintained to prevent falls.
- **Ladder/Slide Safety:** Always use the ladder for climbing and the slide for descending. Supervise children during use.
- **Ventilation:** Ensure adequate ventilation around the bed, especially if using the under-bed area for play or storage.
- **Regular Checks:** Periodically check all bolts, screws, and connections to ensure they remain tight and secure.

2. PACKAGE CONTENTS

Verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, contact customer support immediately.

- Bed Frame Components (Headboards, Footboards, Side Rails)
- Guardrails
- Storage Shelves
- Wooden Slats
- Ladder
- Slide

- LED Light Strip
- Hardware Pack (screws, bolts, nuts, Allen wrench)

3. SETUP AND ASSEMBLY

Assembly instructions are provided with the product. Follow these step-by-step instructions carefully. It is recommended to assemble the bed with at least two adults.

3.1 Pre-Assembly Checklist

- Clear a spacious area for assembly.
- Lay out all components and hardware.
- Ensure you have a Phillips head screwdriver (not included) in addition to the provided Allen wrench.

3.2 Assembly Steps Overview

1. Assemble the main bed frame.
2. Attach the guardrails to the bed frame.
3. Install the wooden slats onto the bed frame.
4. Assemble and attach the ladder.
5. Assemble and attach the slide. Note that the ladder and slide positions can be interchanged during assembly based on your room layout.
6. Install the storage shelves.
7. Install the LED light strip into the designated area.

Refer to the detailed assembly diagram for component identification and precise connection points.

4. OPERATING INSTRUCTIONS

4.1 LED Lighting System

The integrated LED lights provide ambient lighting. To operate the LED lights, connect the power adapter to a standard electrical outlet. The lights are typically controlled via a switch or remote (if included). Refer to the specific LED light kit instructions for detailed operation.

4.2 Slide and Ladder Usage

The ladder provides access to the loft bed. Always face the ladder when climbing up or down. The slide is for descending only. Ensure the area around the slide exit is clear of obstructions for safe use.

4.3 Storage Shelves

The integrated storage shelves can be used to store books, small toys, or other personal items. Do not overload the shelves to maintain stability and prevent damage.

5. MAINTENANCE AND CARE

5.1 Cleaning

- Wipe down the wood surfaces with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- For spills, clean immediately to prevent staining.

5.2 Structural Integrity

- Periodically inspect all connections (bolts, screws) and tighten them as needed. Loose connections can compromise the bed's stability.

- Check wooden components for any signs of wear, cracks, or damage. Replace damaged parts immediately.

6. TROUBLESHOOTING

6.1 Loose Connections

If the bed feels wobbly or unstable, check all bolts and screws. Tighten any loose fasteners using the provided Allen wrench or a Phillips head screwdriver.

6.2 LED Lights Not Working

- Ensure the power adapter is securely plugged into both the LED strip and a working electrical outlet.
- Check if the power outlet is functional by plugging in another device.
- If the LED strip has a switch or remote, ensure it is turned on and batteries (if applicable) are functional.

6.3 Squeaking Noises

Squeaking can often be resolved by tightening all bed frame connections. Ensure the mattress is properly seated on the slats.

7. SPECIFICATIONS

Feature	Detail
Brand	Bellemave
Model Number	FST00272-T-AK1
UPC	810212244693
Size	Twin
Material	Wood
Product Dimensions (L x W x H)	77.76"L x 74.41"W x 37"H
Item Weight	36 Pounds
Maximum Weight Recommendation	350 Pounds
Included Components	Guardrails, Shelves, Slat, Slide
Required Assembly	Yes
Color	White With Led

8. WARRANTY AND SUPPORT

For information regarding product warranty, please refer to the documentation provided at the time of purchase or contact your retailer. This product is eligible for a 30-day free return policy from Amazon.com, offering refund or replacement options.

For customer support, assistance with assembly, or to report missing/damaged parts, please contact the

Bellemave customer service department through your purchase platform or the official Bellemave website.
