Mirightone 717K

Mirightone Full Size Montessori Floor Bed with Tent and Light

Model: 717K - Instruction Manual

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Ensure all parts are present and undamaged before beginning assembly.
- Do not use power tools for assembly unless specifically instructed, as this may overtighten or damage components.
- Periodically check all connections and fasteners to ensure they remain tight.
- This bed is designed for a full-size mattress. Mattress is not included.
- Maximum weight capacity: 600 LBS.

2. INCLUDED COMPONENTS

The Mirightone Full Size Montessori Floor Bed includes the following:

- Wooden Floor Bed Frame
- Detachable Tent and Roof Fabric
- Built-in Light System
- Hardware (screws, bolts, etc.)
- Installation Manual (this document)

3. SETUP AND ASSEMBLY

Assembly of the Mirightone Floor Bed requires careful attention to the step-by-step instructions provided in the included installation manual. It is recommended to have two adults for assembly.

3.1 Preparation

- Clear a spacious area for assembly.
- Unpack all components and verify against the parts list in the separate installation manual.

- Keep small parts out of reach of children.

3.2 Assembly Steps (Refer to separate detailed manual)

The detailed, step-by-step assembly instructions with diagrams are provided in a separate installation manual included with your purchase. Please follow those instructions precisely.

1. Assemble the main bed frame structure.
2. Attach the side rails.
3. Install the bed slats.
4. Attach the tent frame components.
5. Secure the tent and roof fabric, including the built-in light system.

Product Dimensions

INCH

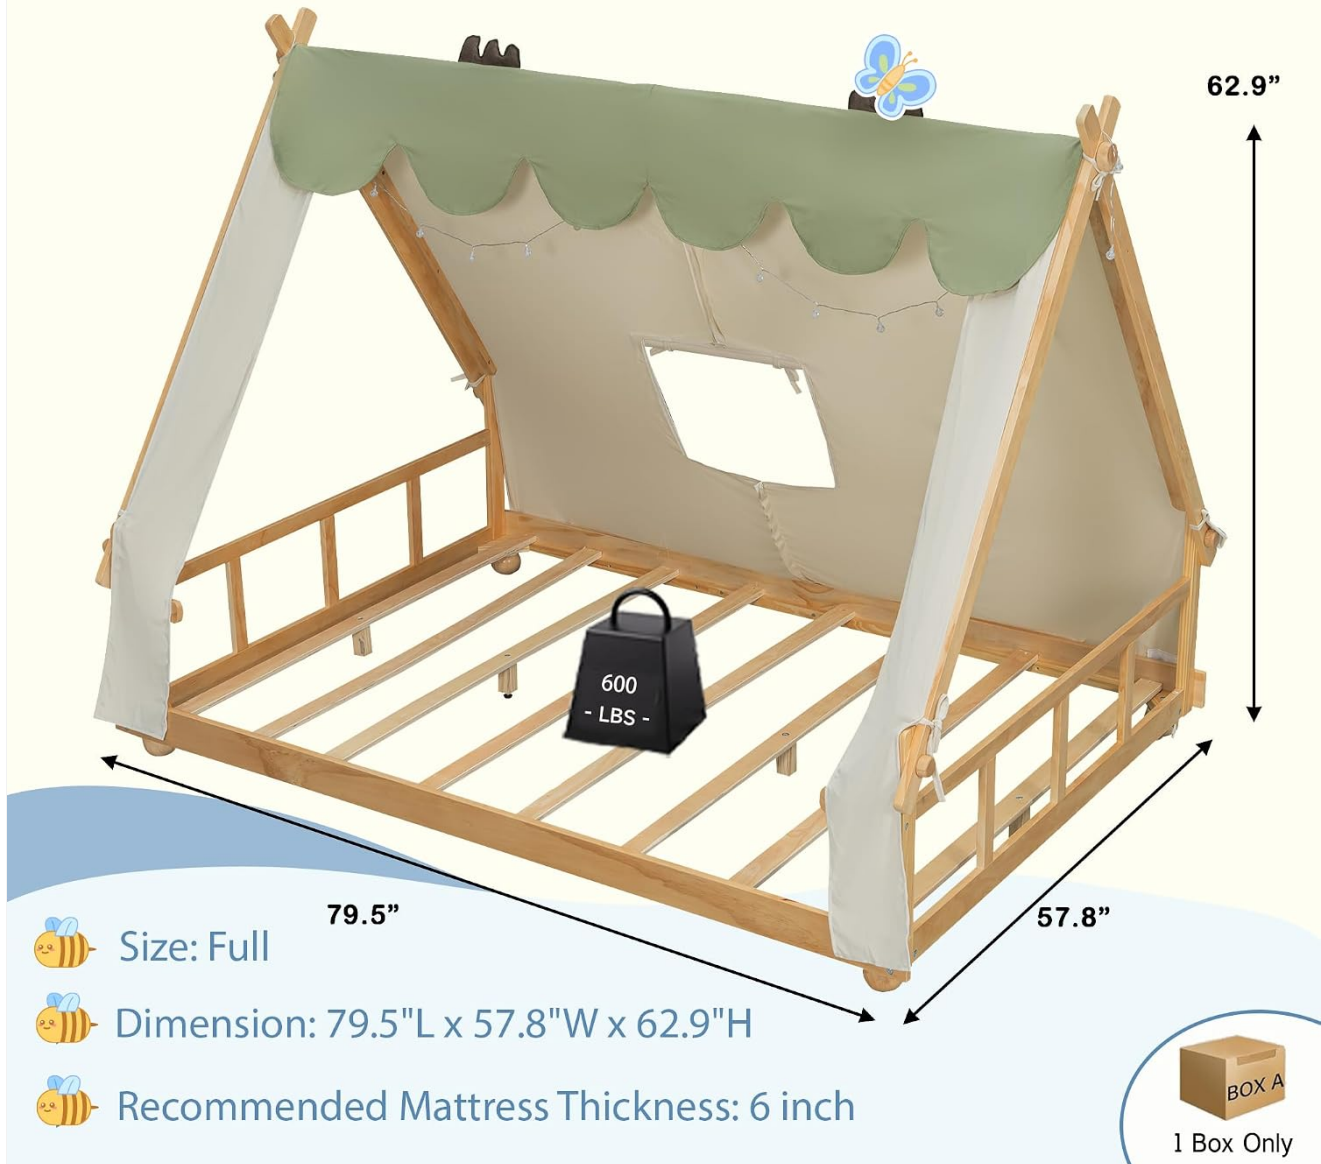

Image: Diagram showing the dimensions of the Mirightone Full Size Floor Bed: 79.5 inches L, 57.8 inches W, 62.9 inches H. It also indicates a 600 LBS weight capacity and a recommended mattress thickness of 6 inches.

4. OPERATING INSTRUCTIONS

4.1 Tent and Roof Functionality

The tent and roof components are fully detachable, allowing for versatile use. You can easily switch between a full tent enclosure for imaginative play or a standard bed frame by removing the fabric elements.

Detachable Tent

Image: The Mirightone Floor Bed with the tent fabric installed, highlighting its detachable nature. An inset shows the bed frame without the tent.

4.2 Light Control Canopy System

The canopy features a built-in skylight with a roll-up curtain. This allows you to adjust the amount of natural light entering the bed area. Roll up the curtain for more light and air, or roll it down for a cozier, enclosed space.

Skylight with roll-up curtain

Built-in small skylight with roll-up curtains lets in natural light or creates a cozy, enclosed space for play or sleep.

4.3 Built-in Lighting

The bed includes built-in lights within the tent structure. These lights are designed to create a cozy and dreamy atmosphere. Refer to the separate installation manual for specific instructions on connecting and operating the lighting system.

Montessori Bed with Light

This twin-size floor bed features a charming tent frame with built-in light, creating a cozy and dreamy bedtime atmosphere for children.

5. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Mirightone Floor Bed, follow these care instructions:

- **Cleaning the Wood Frame:** Wipe the wooden surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the painted finish.
- **Cleaning the Tent Fabric:** The tent fabric can be spot cleaned with a mild detergent and water. For more thorough cleaning, detach the fabric and follow any specific washing instructions provided on the fabric label (if available).
- **Hardware Check:** Periodically inspect all screws, bolts, and connections to ensure they are secure. Tighten any loose hardware as needed.
- **Light System:** Ensure the built-in light system is handled gently. If a bulb needs replacement, refer to the separate installation manual for specific bulb types and replacement procedures.

6. TROUBLESHOOTING

If you encounter any issues with your Mirightone Floor Bed, please consider the following:

- **Loose Connections:** If the bed feels unstable, re-check all assembly hardware and tighten any loose screws or bolts.

- **Light Malfunction:** Ensure the light system is properly connected and powered. Check for any loose wires or damaged bulbs.
- **Missing or Damaged Parts:** If you find any missing or damaged parts during assembly or use, please contact customer support immediately.
