MSmask Daybed with Trundle

MSmask Daybed with Trundle - User Manual

Model: Daybed Twin with Trundle

1. Important Safety Information

Please read and understand all safety information before assembling or using your MSmask Daybed. Failure to follow these instructions may result in injury or damage to the product.

- Always keep the trundle bed fully extended when in use.
- Do not allow children to play or sleep in the trundle bed when it is not fully extended.
- Keep the storage drawers closed when not in use to prevent entrapment.
- Always follow the assembly instructions carefully to ensure the bed is assembled correctly and safely.
- Do not exceed the maximum weight capacity of 500 lbs for the daybed and 400 lbs for the trundle.

2. Package Contents

The MSmask Daybed package includes all necessary components for assembly. Please verify that all parts listed below are present before beginning assembly. Refer to the included installation manual for a detailed parts list with corresponding labels.

- Daybed Frame Components (Main bed frame, trundle frame)
- Headboard with Integrated Shelving and Charging Station
- 3 Fabric Drawers
- Side Storage Cabinet with Computer Desk and 3-Tier Shelves
- Hardware Pack (screws, bolts, tools)
- RGB LED Light Kit with Remote Control
- Installation Manual

3. Assembly Instructions

Your MSmask Daybed is designed for straightforward assembly. It comes with clear, step-by-step instructions, a complete toolset, and all parts are numbered for easy identification. We recommend assembling the bed with two people to ensure stability and ease of handling.

Before You Begin

- Unpack all components and lay them out in an organized manner.
- Verify all parts against the included parts list in the manual.
- Ensure you have enough space for assembly.

Assembly Steps

- Follow the numbered steps in the provided installation manual precisely.
- Do not overtighten screws until all components are loosely fitted, then tighten securely.
- Ensure all connections are firm and stable before use.

4. Operating Instructions

4.1. Daybed and Trundle Conversion

The MSmask Daybed features a versatile pop-up trundle that can be used as a second twin bed or raised to create a king-sized sleeping surface.

- **To Extend Trundle**: Gently pull the trundle unit out from under the main daybed frame.
- **To Raise Trundle**: Lift the trundle frame upwards until it locks into place, aligning with the main daybed mattress height. Ensure the locking wheels are engaged for stability.
- **To Retract Trundle**: Unlock the trundle frame, lower it carefully, and push it back under the main daybed.

Details of the trundle mechanism, including lockable wheels, mattress stoppers, and fixing clamps for secure operation.

4.2. Built-in Charging Station

The headboard includes a convenient charging station to power your electronic devices.

- **Features**: 2 AC power outlets (125V/12A), 1 USB port (5V/2A), and 1 fast-charging Type-C port (5V/3A).
- **Usage**: Plug the daybed's main power cord into a wall outlet. Connect your devices to the appropriate ports on the charging station.

Detailed view of the charging station's ports and specifications.

4.3. RGB LED Lighting

Enhance your room's ambiance with the integrated RGB LED lights in the headboard.

- **Control**: Use the included remote control or a compatible smartphone app to manage the lights.
- **Functions**:
  - **Color Selection**: Choose from over 60,000 colors.
  - **Brightness Adjustment**: Dim or brighten the lights.
  - **Dynamic Modes**: Select various flashing effects, music mode (lights pulse to rhythm), and mic mode.
  - **Timing Function**: Set a timer for the lights to turn off automatically.
- **Turning On/Off**: Long press the power button on the remote or app to turn the RGB light on or off.

4.4. Storage Features

This daybed offers extensive storage solutions to keep your space organized.

- **Headboard Shelves**: Two-layer storage rack and five open compartments for books, decor, and personal items.
- **Side Storage Cabinet**: Can be installed on either the left or right side. Includes:
  - **Computer Desk**: A dedicated surface for work or entertainment (44.3"D × 13.8"W).
  - **3 Fabric Drawers**: For organizing bedding, clothes, or toys (21.3"D × 11.4"W × 8.7"H).
  - **3-Tier Shelving Unit**: Additional open storage.
- **Side Storage Pouch**: An extra fabric pouch on the opposite side of the cabinet for small items.

An annotated image highlighting the various storage components of the daybed.

5. Maintenance

Proper care and maintenance will extend the life and appearance of your MSmask Daybed.

- **Cleaning**:
  - For wooden surfaces, wipe with a soft, damp cloth. Avoid harsh chemicals.
  - For metal parts, use a mild soap and water solution if necessary, then dry thoroughly.
  - Dust regularly with a dry cloth.
- **Hardware Check**: Periodically check all screws and bolts to ensure they are tight. Retighten if necessary to maintain stability.

- **LED Lights**: If LED lights malfunction, check the power connection. Do not attempt to repair the LED strip yourself; contact customer support.
- **Trundle Mechanism**: Keep the trundle wheels and sliding mechanisms free of debris to ensure smooth operation.

6. Troubleshooting

Refer to this section for solutions to common issues you might encounter.

- **LED Lights Not Working**:
  - Ensure the power adapter is securely plugged into a working outlet and the LED strip.
  - Check the remote control battery.
  - Try resetting the lights by unplugging and replugging the power.
- **Trundle Difficult to Pull Out/Push In**:
  - Check for any obstructions under the bed or in the trundle's path.
  - Ensure the wheels are clean and free of debris.
  - Verify the trundle frame is not bent or damaged.
- **Bed Frame Squeaks or Wobbles**:
  - Retighten all assembly screws and bolts.
  - Ensure the bed is on a level surface.
  - Verify all slats are properly seated in their supports.
- **Charging Station Not Working**:
  - Ensure the daybed's main power cord is plugged into a live wall outlet.
  - Test with different devices and cables.
  - If only one port is not working, it might be a specific port issue.

7. Specifications

Detailed specifications for the MSmask Daybed with Trundle.

Feature	Detail
