4. Operating Instructions

4.1 Daybed and Trundle Operation

The MSmask Daybed features a pop-up roller bed with locking wheels, allowing for versatile use. It can function as a twin daybed, convert into two single beds, or expand into a spacious king-size bed.

- **To use as a Twin Daybed:** Keep the trundle bed stored underneath the main daybed frame.
- **To use as Two Single Beds:** Pull out the trundle bed from underneath the main frame. Unlock the wheels and lift the trundle mechanism to raise it to the same height as the main daybed. Lock the wheels for stability.
- **To convert to a King Bed:** Follow the steps for two single beds, then push the raised trundle bed alongside the main daybed to form a larger sleeping surface.

4.2 Charging Station

The headboard features a built-in charging station for convenience. It includes 2 AC power outlets, 1 USB port, and 1 fast-charging Type-C port. Simply plug your devices into the appropriate ports for charging.

- Ensure the daybed is connected to a power source.
- Use the AC outlets for larger electronics or chargers.
- The USB and Type-C ports are ideal for phones, tablets, and other compatible devices.

4.3 RGB LED Lighting

The daybed is equipped with vibrant RGB LED lights in the headboard. These lights can be controlled via a remote control or a dedicated app, offering various customization options.

- **Power On/Off:** Long press the button on the light strip or use the remote/app.
- **Color Selection:** Choose from over 60,000 colors using the remote or app.
- **Brightness Adjustment:** Adjust the light intensity to your preference.
- **Music Mode:** The lights can pulse and change rhythmically with music.
- **Timing Function:** Set schedules for the lights to turn on or off automatically.

4.4 Storage Features

The daybed integrates multiple storage solutions to maximize space and organization.

- **Double-Layer Storage Headboard:** Features a 2-layer storage rack and 5 open compartments for books, decor, and personal items.
- **Computer Desk:** A 44.3"D × 13.8"W computer desk provides a convenient surface for work or entertainment.
- **3 Fabric Drawers:** Three fabric drawers (21.3"D × 11.4"W × 8.7"H) offer concealed storage for bedding, toys, or electronics.
- **3-Tier Shelving Unit:** Additional shelving for organizing various items.

- **Side Storage Pouch:** An extra storage pouch on the opposite side provides quick access to smaller items.

5. Maintenance

Regular maintenance will help prolong the life and appearance of your MSmask Daybed.

- **Cleaning:** Wipe down wooden and metal surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish. For fabric drawers, spot clean with a mild detergent and allow to air dry.
- **Hardware Check:** Periodically check all screws, bolts, and connections to ensure they remain tight. Retighten as necessary to maintain stability and prevent creaking.
- **Trundle Mechanism:** Keep the trundle's wheels and sliding mechanism free of dust and debris to ensure smooth operation.
- **Electrical Components:** Ensure the charging station and LED light connections are secure. Do not attempt to repair electrical components yourself; contact qualified personnel if issues arise.

6. Troubleshooting

If you encounter any issues with your MSmask Daybed, refer to the following troubleshooting guide:

Issue	Possible Cause	Solution
Bed creaks or feels loose	Loose hardware connections.	Check and tighten all screws, bolts, and connections on the frame and headboard.
Trundle does not slide smoothly	Debris in the tracks or wheels. Wheels are locked.	Clean any debris from the trundle wheels and tracks. Ensure the lockable wheels are in the unlocked position before sliding.
LED lights not working	Power connection issue. Remote control battery low. App not connected.	Check if the daybed's power cord is securely plugged in. Replace remote control batteries. Ensure the app is correctly paired via Bluetooth/Wi-Fi.
Charging station not providing power	Daybed not plugged in. Device cable faulty.	Verify the daybed is plugged into a functional wall outlet. Test with a different charging cable or device to rule out cable issues.

If the problem persists after attempting these solutions, please contact MSmask customer support.
