Shahoo SH-OCRC23

Shahoo Gaming Chair SH-OCRC23 User Manual

Model: SH-OCRC23 | Brand: Shahoo

Introduction

Welcome and thank you for choosing the Shahoo Gaming Chair SH-OCRC23. This manual provides essential information for assembly, operation, and maintenance to ensure safe and optimal use of your chair.

Safety Information

Please assemble the chair according to the provided instructions. Be aware that the color of the chair may vary slightly due to lighting and display settings.

Package Contents

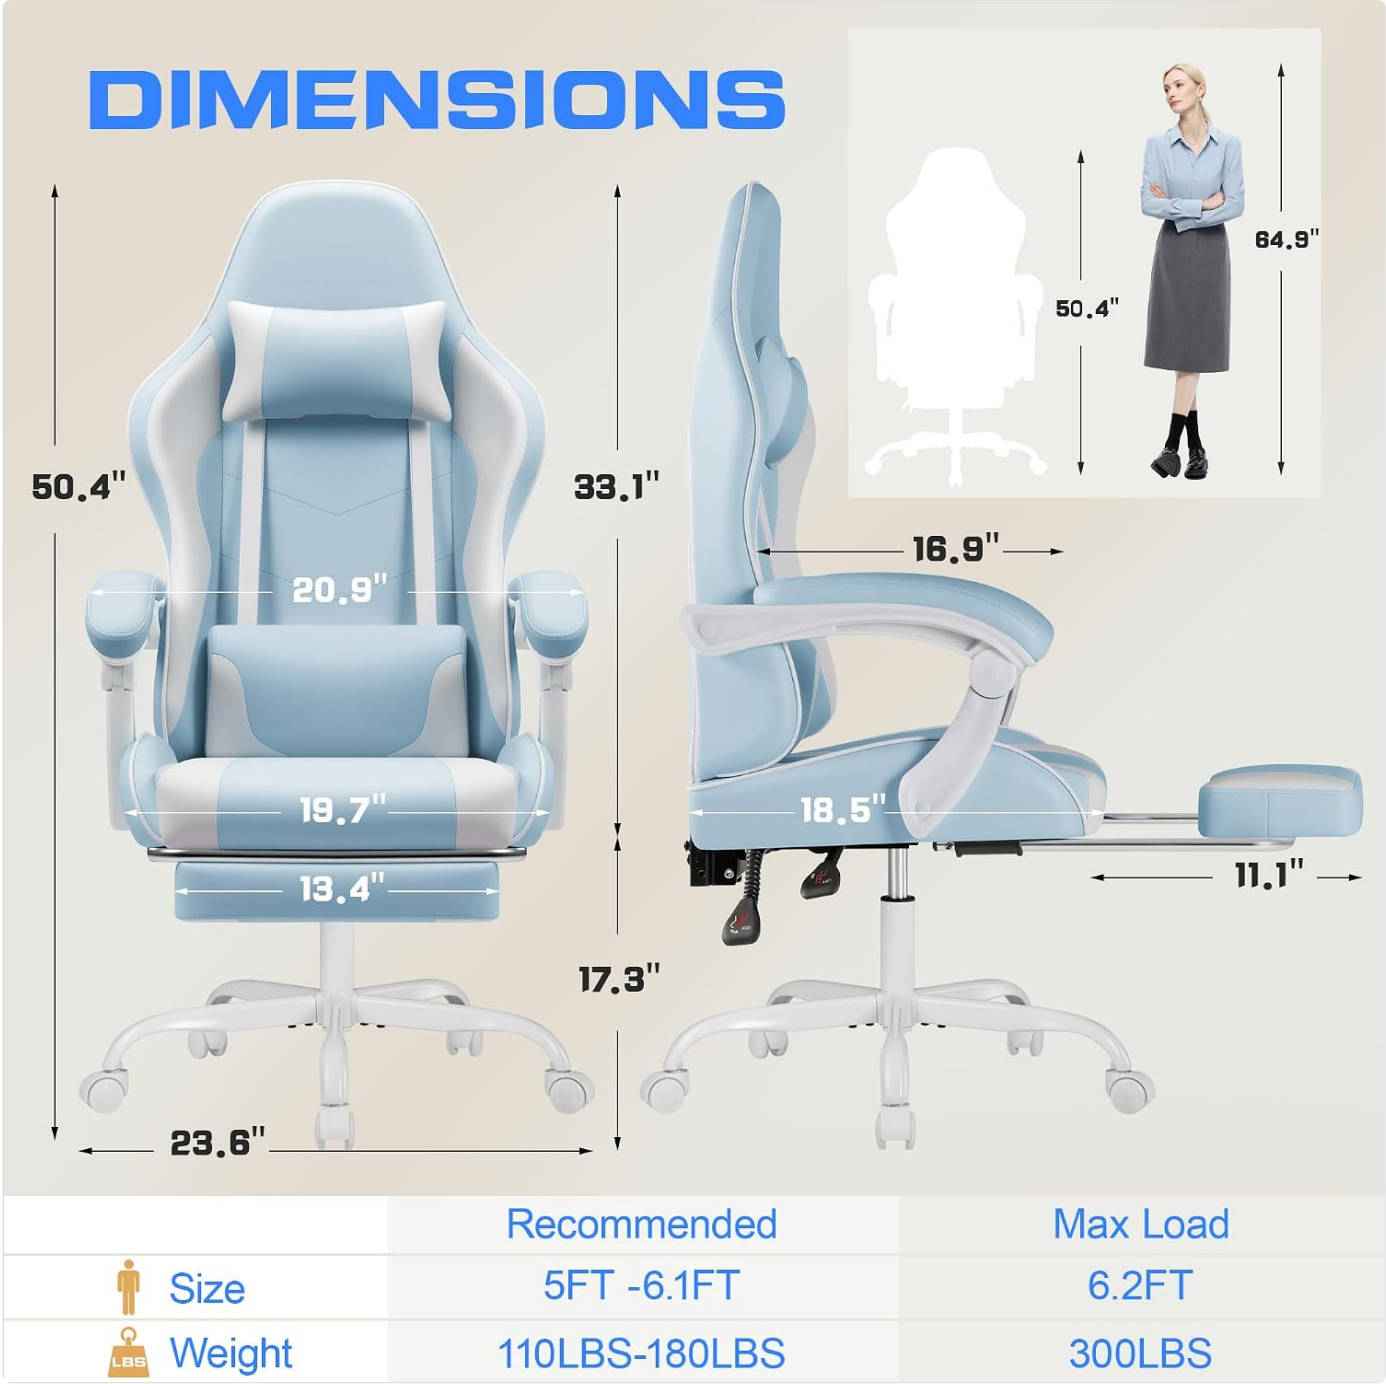

Before beginning assembly, please verify that all components are present:

- A gaming chair (main components)
- A tool kit (for assembly)
- A manual of installation and usage (this document)

Assembly Instructions

The Shahoo Gaming Chair SH-OCRC23 requires assembly. Please follow the detailed instructions provided in the included manual. A general overview of the chair's structure is outlined below.
Note: An installation and usage manual is included in the package for detailed step-by-step assembly instructions.

Assembly Overview and Dimensions

	Recommended	Max Load
Size	5FT -6.1FT	6.2FT
Weight	110LBS-180LBS	300LBS

This diagram provides a visual reference for the chair's components and overall dimensions, which are crucial during the assembly process.

Operating Instructions

Your Shahoo Gaming Chair SH-OCRC23 offers multiple adjustment options for personalized comfort and ergonomic support.

Height Adjustment

The chair's height can be adjusted between 48.5 inches and 52 inches. Use the lever located under the seat to raise or lower the chair to your desired height. To raise, lift the lever while taking weight off the seat. To lower, lift the lever while seated.

Recline Function

The backrest can be reclined between 90° (upright) and 160° (nearly flat). Use the recline lever on the side of the chair to adjust the angle. Ensure the lever is securely locked in place after adjustment.

360° Swivel

The chair features a 360° swivel function, allowing for easy rotation and access to your surroundings without needing to move the entire chair.

Retractable Footrest

A retractable footrest is integrated under the seat. Pull it out for additional leg support when reclining or resting. Push it back in when not in use.

Detachable Head Pillow and Lumbar Support

The soft head pillow and thick lumbar support cushions are detachable. Adjust their position or remove them entirely according to your comfort needs and preferred posture.

Ergonomic Design for Comfort

Image: An illustration demonstrating the ergonomic features of the Shahoo Gaming Chair, emphasizing how it conforms to the back's natural curve and provides elbow support to prevent fatigue during extended use.

The chair is designed to conform to your back's natural curve, providing excellent support and reducing fatigue. The armrests also offer elbow support for added comfort.

Maintenance

Care and Cleaning

To maintain the quality and appearance of your Shahoo Gaming Chair SH-OCRC23, wipe clean with a damp cloth as needed. Avoid harsh chemicals or abrasive cleaners, as these can damage the leather finish. Regular cleaning will help prolong the life of your chair.

Troubleshooting

Common Issues and Solutions

- **Squeaking Noises:** Check all screws and bolts to ensure they are tightened. Over time, fasteners can loosen, causing noise. Apply a small amount of silicone-based lubricant to moving parts if necessary, avoiding contact with upholstery.
- **Difficulty Adjusting Height:** Ensure the gas lift lever is fully engaged. If the issue persists, the gas lift cylinder may need replacement. Contact customer support for assistance.
- **Chair Wobbles:** Verify that the base and casters are securely attached and that the chair is on a flat, even surface. Re-tighten any loose connections on the base or seat plate.

Specifications

Product Specifications

Feature	Detail
Brand	Shahoo
