5. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your ModernMate Executive Standing Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the wood finish.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary.
- **Cable Management:** Ensure power cords and other cables are neatly organized and not pinched or strained.
- **Motor Care:** Keep the motor and lifting columns free from dust and obstructions.

6. TROUBLESHOOTING

If you encounter issues with your desk, refer to the following common troubleshooting steps:

- **Desk Not Moving:**
 - Check if the power cord is securely plugged into both the desk and the wall outlet.
 - Ensure the control panel cable is properly connected to the motor.
 - Try resetting the desk by unplugging it for 30 seconds and then plugging it back in.
- **Uneven Height:**
 - Ensure the desk is placed on a level surface.
 - Refer to the assembly video for instructions on adjusting column heights if they become inconsistent.
- **Unusual Noise:**
 - While the desk is designed for quiet operation, check for any loose components or obstructions around the lifting columns.
 - Ensure the desk is not overloaded beyond its weight capacity.

If these steps do not resolve the issue, please contact ModernMate customer support.
