HOMCOM YH2303-S

HOMCOM Fireplace TV Stand (Model YH2303-S) Instruction Manual

Brand: HOMCOM | Model: YH2303-S

Introduction

Thank you for choosing the HOMCOM Fireplace TV Stand, Model YH2303-S. This modern entertainment center is designed to enhance your living space with both functionality and aesthetic appeal. It features a 36-inch glass electric fireplace, integrated LED lights, ample storage, and is suitable for televisions up to 80 inches. Please read this manual thoroughly before assembly and operation to ensure safe and correct use.

- **Spacious Entertainment Center:** A wide surface fits TVs up to 80 inches. Two glass-door cabinets and three open compartments keep devices organized.
- **Customizable Atmosphere:** Personalize your electric fireplace with 11 flame colors dancing over 10 crystal bed tones and four brightness levels.
- **Thermostat Control:** Choose 725W or 1450W for instant warmth. With 4944 BTU output, this electric fireplace quickly heats spaces up to 323 sq ft. The thermostat maintains a range of 59°F–95°F.
- **Convenient Remote & Timer:** Control the electric fireplace by remote (CR2025 battery not included) or touch panel. Set a timer for 0–12 hours.
- **Solid and Secure:** Safety cut-off prevents overheating, and the top panel stays cool to the touch. Constructed with a steel body and MDF frame for robust support.

Setup Instructions

Assembly of the HOMCOM Fireplace TV Stand requires attaching parts using screws provided. It is recommended to have two people for assembly and moving the unit due to its weight (approximately 131 pounds). Ensure all components are present before beginning assembly. A detailed user manual is included with the product for step-by-step guidance.

Operating Instructions

The electric fireplace and LED lights can be controlled via the included remote control or the touch panel on the unit. The remote requires a CR2025 battery (not included).

Fireplace and Flame Settings:

- Use the flame button on the remote or touch panel to cycle through 11 different flame colors.
- Adjust the brightness of the flames with four available levels.
- The crystal bed tones can also be changed to 10 different colors to match your preference.
- The flame effect can be operated independently without the heating function, allowing for ambiance in any season.

Heating Function:

- Select between 725W and 1450W heating modes.
- Utilize the thermostat control to set the desired room temperature between 59°F and 95°F. The unit will automatically adjust heat output to maintain this temperature.
- A timer function allows you to set the operating duration from 0 to 12 hours.

Storage and Design Features

The TV stand is designed for optimal organization and display. It features a wide top surface capable of holding TVs up to 80 inches, ensuring a stable and prominent display for your entertainment system.

- **Sliding Doors:** Two glass-door cabinets with sliding mechanisms provide flexible access to storage and add a sophisticated touch.
- **Open Compartments:** Three open compartments offer easy access and display space for media devices, decor, or books.
- **Cable Management:** Integrated cable management cutouts help keep wires tidy and out of sight.

Maintenance

To ensure the longevity and optimal performance of your HOMCOM Fireplace TV Stand, regular maintenance is recommended.

- **Cleaning:** Dust the unit regularly with a soft, dry cloth. For glass surfaces, use a non-abrasive glass cleaner. Avoid harsh chemicals that may damage the finish.
- **Fireplace Insert:** Periodically check the air intake and exhaust vents of the electric fireplace for any obstructions. Ensure they are clear to prevent overheating.
- **Electrical Components:** Inspect the power cord and plug for any signs of damage. If damage is found, discontinue use and contact customer support.
- **Structural Integrity:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain stability.

Troubleshooting

If you encounter any issues with your Fireplace TV Stand, please refer to the following common troubleshooting tips:

- **No Power:** Ensure the unit is properly plugged into a working electrical outlet. Check the circuit breaker.
- **Fireplace Not Heating:** Verify that the heating function is activated and the thermostat is set to a temperature higher than the ambient room temperature. Check for any obstructions in the heater vents.
- **Flames Not Visible:** Ensure the flame effect is turned on. Adjust flame brightness settings.
- **Remote Control Not Working:** Check and replace the CR2025 battery in the remote control. Ensure there are no obstructions between the remote and the unit's sensor.
- **Overheating:** The unit has a safety cut-off feature. If it overheats, it will shut down. Unplug the unit, allow it to cool, and check for any blocked vents before restarting.

If problems persist, please contact HOMCOM customer support for assistance.

Specifications

Feature	Specification
Brand	HOMCOM
Model Name	Fireplace TV Stand
Item Model Number	YH2303-S
