Reobrix 11041

Reobrix 11041 Super Sports Car Construction Kit User Manual

Model: 11041 | Brand: Reobrix

INTRODUCTION

This manual provides detailed instructions for assembling and understanding the Reobrix 11041 Super Sports Car Construction Kit. This 1:16 scale model is designed for adult enthusiasts and features a realistic replica of a Le Mans racing car. Please read all instructions carefully before beginning assembly.

SAFETY INFORMATION

- Age Recommendation:** This construction kit is recommended for individuals 14 years and up due to small parts and complexity.
- Small Parts Warning:** The kit contains small parts which may pose a choking hazard. Keep out of reach of young children and pets.
- Assembly Environment:** Assemble on a clean, flat, and well-lit surface to prevent loss of parts and ensure proper construction.
- Material:** The building blocks are made of plastic. Avoid exposing them to extreme heat or direct sunlight for prolonged periods to prevent deformation.

PACKAGE CONTENTS

The Reobrix 11041 Super Sports Car Construction Kit includes:

- Approximately 1370 building blocks.
- Detailed instruction manual (this document).
- Sticker sheet for decorative details.

Upon opening the package, verify all components are present. If any parts are missing or damaged, please contact customer support.

ASSEMBLY INSTRUCTIONS

The assembly process is divided into logical steps, with parts organized in numbered bags to simplify construction. Follow the included printed manual for step-by-step visual guidance.

1. **Preparation:** Open only the bags corresponding to the current step number. This prevents mixing parts and streamlines the building process.
2. **Step-by-Step Construction:** Each step in the manual provides clear images, often with both side and top-down views, indicating where each brick should be placed.
3. **Engine Assembly:** Begin by constructing the detailed V6 engine, which forms the core of the car's rear section.
4. **Chassis and Suspension:** Assemble the chassis, incorporating the front and rear suspension systems for realistic movement.
5. **Bodywork and Interior:** Attach the body panels, including the cockpit details and the simulated steering wheel. The windscreen is designed to be removable for better access to the interior.
6. **Wheels and Axles:** Install the four-wheel drive system, connecting the front and rear axles to ensure the wheels can roll smoothly.
7. **Final Details:** Apply the included stickers to add the racing livery, numbers, and other intricate details to complete the model.

PRODUCT FEATURES

The Reobrix 11041 Super Sports Car model incorporates several realistic and interactive features:

- **Realistic Design:** A 1:16 scale replica of a 499P sports car, featuring a detailed V6 engine, steering wheel, cooler, and exhaust pipes.
- **Removable Windscreen:** The hypercar's windscreen can be detached to provide a clearer view of the cockpit details.
- **Functional Four-Wheel Drive:** The model includes a four-wheel drive system that connects the front and rear axles, allowing the wheels to roll forward and backward with pressure.
- **Suspension System:** Equipped with front and rear suspension for an authentic appearance.
- **Exquisite Stickers:** Detailed stickers are included to enhance the model's racing aesthetic.

MAINTENANCE

Proper care will ensure the longevity and appearance of your Reobrix Super Sports Car model.

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For more thorough cleaning, gently wipe with a damp cloth and mild soap, then dry immediately. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping of plastic parts.
- **Handling:** Handle the model carefully, especially delicate sections like the rear wing and suspension, to prevent parts from detaching.

TROUBLESHOOTING

If you encounter issues during or after assembly, consider the following:

- **Loose Parts:** Some sections, particularly on the rear end, might feel sensitive or pop loose during initial assembly. Ensure all connections are firmly pressed together. Often, subsequent steps will add structural integrity, holding these parts securely in place.
- **Missing Pieces:** Carefully re-check the packaging and your workspace. If a piece is genuinely missing, contact Reobrix customer support with the part number (if identifiable) and your purchase details.
- **Difficulty Connecting Bricks:** Ensure bricks are oriented correctly. Apply firm, even pressure. If a brick is consistently difficult, check for any molding imperfections.

SPECIFICATIONS

Feature	Detail
Model Number	11041
Brand	Reobrix
Number of Pieces	1370
Scale	1:16
Material Type	Plastic
Recommended Age	14 years and up
Assembly Required	Yes
Batteries Required	No
Educational Objective	Problem Solving Skills
