Reobrix 11042

Reobrix Super Sports Car Kit 11042 Instruction Manual

Model: 11042

INTRODUCTION

This manual provides detailed instructions for assembling, operating, and maintaining your Reobrix Super Sports Car Kit, model 11042. This 1:16 scale racing car model is designed for enthusiasts aged 14 and above, consisting of 1370 pieces to build a replica of the Ferrari 499P sports car. Please read all instructions carefully before beginning assembly.

SETUP AND ASSEMBLY

Unboxing and Inventory

Carefully open the packaging and remove all contents. Verify that all 1370 building bricks and the instruction manual are present. It is recommended to organize the parts by color and type before starting assembly.

Assembly Instructions

Follow the step-by-step instructions provided in the physical instruction manual included with your kit. The parts are organized in numbered bags to facilitate the building process. Ensure each piece is securely connected to prevent the model from falling apart.

- **Step 1:** Open bag 1 and begin assembling the chassis as indicated in the manual.
- **Step 2:** Progress through the numbered bags, following the visual guides for each section.
- **Step 3:** Pay close attention to the orientation of specialized pieces, such as the V6 engine components and steering mechanism.
- **Step 4:** Apply the authentic decals as instructed to complete the racing livery.

OPERATING THE MODEL

Interactive Features

The Reobrix Super Sports Car Kit 11042 includes several interactive elements:

- **Removable Windshield:** The hypercar's windshield can be easily removed to view the detailed cockpit inside.
- **Functional Wheels:** The connected all-wheel-drive system allows the wheels to roll smoothly forward and backward with a gentle push.
- **Steering Wheel:** The model features a realistic steering wheel that can be turned.

MAINTENANCE

Cleaning

To clean the model, gently wipe with a dry, soft cloth. Avoid using harsh chemicals, abrasive materials, or excessive moisture, as these can damage the plastic bricks or decals.

Storage

Store the model in a cool, dry place away from direct sunlight to prevent material degradation, discoloration, or warping of the plastic components. Keep it away from extreme temperatures.

Part Replacement

In case of missing or damaged parts, refer to the manufacturer's support information for assistance. Do not attempt to force incompatible parts together.

TROUBLESHOOTING

Missing Parts

If you find any missing pieces during assembly, double-check all packaging and the surrounding area. Sometimes small pieces can be overlooked. If parts are still missing, contact Reobrix customer support.

Assembly Difficulties

If you encounter difficulties during assembly, carefully review the instruction manual steps. Ensure all pieces are correctly oriented and firmly connected. Sometimes, a small misalignment can prevent subsequent steps from fitting correctly.

Loose Connections

For loose connections, gently press the bricks together until they are secure. Avoid excessive force, which could damage the pieces. If a connection remains loose, ensure the correct parts are being used as per the manual.

SPECIFICATIONS

Feature	Detail
Brand	Reobrix
Model Name	Ferrari 499
Model Number	11042
Number of Pieces	1370
Scale	1:16
