

Baseus BH1 Lite

Baseus Bass BH1 Lite Wireless Headphones User Manual

Model: BH1 Lite

INTRODUCTION

This manual provides comprehensive instructions for the Baseus Bass BH1 Lite Wireless Headphones. Please read this guide carefully to ensure proper use, optimal performance, and longevity of your device. Keep this manual for future reference.

PRODUCT OVERVIEW

The Baseus Bass BH1 Lite headphones are designed to deliver an immersive audio experience with advanced features for comfort and convenience.

Key Features

- **Hi-Res Audio with LDAC:** Experience ultra-clear, lossless sound quality with Hi-Res and Hi-Res Wireless certifications, supporting LDAC for 3 times more data transmission than standard Bluetooth codecs.
- **SuperBass 2.0:** Enjoy rich, impactful bass and detailed clarity, enhanced by biocellulose diaphragms and dynamic drivers.
- **Cloud-Like Comfort:** Designed for all-day wear with soft memory foam earcups, contoured shells, and a breathable headband, adapting ergonomically to your head.
- **Extended Playtime:** Up to 80 hours of continuous playback on a single charge. A 10-minute quick charge provides 8 hours of listening.
- **Crystal-Clear Calls:** Equipped with AI-powered voice boost, directional sound sensor, and ENC (Environmental Noise Cancellation) for clear calls in noisy environments.
- **Seamless Wireless Connectivity:** Bluetooth 6.0 technology ensures lag-free, ultra-fast, and stable audio streaming with enhanced audio quality and ultra-low latency.
- **Adjustable & Portable Design:** Features an adjustable headband, resilient soft cushions, and 120° rotatable earcups for easy storage and portability.

SETUP

1. Charging the Headphones

Before first use, fully charge your Baseus Bass BH1 Lite headphones. Use the provided USB-C cable to connect the headphones to a power source (e.g., computer USB port, wall adapter).

- A full charge provides up to 80 hours of playback.
- A quick 10-minute charge can provide approximately 8 hours of listening time.
- The LED indicator will show charging status (e.g., red for charging, blue/off for fully charged).

2. Bluetooth Pairing

1. **Power On:** Press and hold the Power button on the headphones until the LED indicator flashes blue and red, indicating pairing mode.
2. **Activate Bluetooth:** On your device (smartphone, tablet, computer), enable Bluetooth.
3. **Select Device:** In your device's Bluetooth settings, search for "Baseus BH1 Lite" and select it to connect.

- 4. **Confirmation:** Once successfully paired, the LED indicator on the headphones will turn solid blue or off, and you may hear an audible confirmation.
- 5. **Reconnect:** The headphones will automatically attempt to reconnect to the last paired device when powered on.

OPERATING INSTRUCTIONS

Basic Controls

Function	Action
Power On/Off	Press and hold the Power button.
Play/Pause	Single press the Multi-function button (often the Power button or a dedicated play/pause button).
Volume Up	Press the Volume + button.
Volume Down	Press the Volume - button.
Next Track	Press and hold Volume + (or double-tap Multi-function button, refer to specific model instructions if available).
Previous Track	Press and hold Volume - (or triple-tap Multi-function button, refer to specific model instructions if available).
Answer/End Call	Single press the Multi-function button during an incoming call.
Reject Call	Press and hold the Multi-function button during an incoming call.
Activate Voice Assistant	Double-press the Multi-function button (or specific button if available).

Note: Specific button functions may vary slightly. Refer to the physical buttons on your headphones for exact layout.

Calling Functions

The Baseus Bass BH1 Lite headphones feature ENC (Environmental Noise Cancellation) and 5 AI-powered microphones to ensure clear communication during calls, even in noisy environments.

- Ensure your headphones are connected to your phone via Bluetooth.
- Manage calls using the Multi-function button as described in the Basic Controls table.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your headphones.

- **Cleaning:** Use a soft, dry cloth to clean the earcups and headband. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the headphones in a cool, dry place, away from direct sunlight and extreme temperatures. The foldable design allows for compact storage.
- **Water Resistance:** The headphones are water-resistant. However, avoid submerging them in water or exposing them to heavy rain for extended periods. Dry thoroughly if they get wet.

- **Charging Port:** Keep the USB-C charging port free of dust and debris.

TROUBLESHOOTING

If you encounter any issues with your Baseus Bass BH1 Lite headphones, refer to the following common solutions:

Problem	Solution
Headphones do not power on.	Ensure the headphones are fully charged. Connect them to a power source using the USB-C cable.
Cannot pair with device.	Ensure headphones are in pairing mode (LED flashing blue/red). Turn off and on Bluetooth on your device. Move headphones closer to your device (within 10 meters). Forget "Baseus BH1 Lite" from your device's Bluetooth list and try pairing again. Ensure no other devices are actively connected to the headphones.
No sound or low volume.	Check volume levels on both headphones and your connected device. Ensure headphones are properly connected via Bluetooth. Try playing different audio sources.
Call quality is poor.	Ensure the microphone is not obstructed. Move to a quieter environment if possible, though ENC helps. Check your phone's signal strength.
Intermittent connection.	Ensure no physical obstructions between headphones and device. Avoid strong Wi-Fi or other wireless interference sources. Keep within the 10-meter Bluetooth range.

SPECIFICATIONS
