MJDDJA Mini Flowers Building Block Set (Red Roses 128pcs)

Model: M3082

Introduction

This instruction manual provides detailed guidance for assembling and caring for your MJDDJA Mini Flowers Building Block Set, specifically the Red Roses 128pcs model. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.

Safety Information

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years. Recommended for ages 10 and above.
Ensure all small parts are kept away from young children and pets. Adult supervision is recommended during assembly for younger users.

Setup and Assembly

Your MJDDJA Mini Flowers Building Block Set includes all necessary mini bricks and a detailed instruction manual to guide you through the assembly process. The pieces are typically organized in numbered bags to simplify construction.

Assembly Steps:

1. **Unpack Components:** Carefully open the packaging and lay out all numbered bags of building blocks. Refer to the included instruction manual for a complete list of parts.
2. **Follow Numbered Instructions:** The manual provides step-by-step diagrams. Begin with bag number one and proceed sequentially. Each step illustrates which pieces to use and where to place them.
3. **Connect Pieces Securely:** Ensure each mini brick is firmly connected to the previous one. The durable ABS material is designed for firm connections.
4. **Complete the Model:** Continue following the instructions until all sections of the Red Roses flowerpot are assembled.

Operating and Display

This building block set is designed for manual assembly and serves as a decorative item. Once assembled, the Red Roses flowerpot can be displayed in various locations.

Display Recommendations:

- Place on a flat, stable surface such as a desk, shelf, or windowsill.
- Avoid direct sunlight for prolonged periods to prevent potential color fading.
- Keep away from areas with high humidity or extreme temperatures.

Maintenance

To maintain the appearance and longevity of your building block set, follow these simple care instructions.

Cleaning Instructions:

- Use a soft, dry cloth or a small brush to gently remove dust from the blocks.
- For more stubborn dirt, lightly dampen a cloth with water (no harsh chemicals) and wipe the affected areas. Ensure the blocks are completely dry before re-displaying.
- Do not submerge the entire model in water.

Troubleshooting

If you encounter any issues during assembly or with the finished product, refer to the following common solutions.

Common Issues and Solutions:

Issue	Possible Cause	Solution
Pieces do not fit together securely.	Incorrect piece placement or insufficient pressure during connection.	Double-check the instruction manual for correct piece orientation. Apply firm, even pressure when connecting blocks.
Missing pieces.	Pieces may be overlooked or accidentally discarded.	Carefully re-examine the packaging and work area. If pieces are genuinely missing, contact customer support.
Finished model is unstable.	Some connections may not be fully secured.	Review the assembly steps, paying close attention to the base and core structure. Ensure all connections are tight.
