4.2 Power On/Off

- **To Power On:** Press and hold the Power button (usually on the side) until the screen lights up.
- **To Power Off:** Press and hold the Power button, then select "Power Off" from the on-screen options.

4.3 Initial Configuration

Upon first power-on, follow the on-screen prompts to set up your device:

1. Select your preferred language.
2. Connect to a Wi-Fi network for internet access and app downloads.
3. Set the date and time.
4. Sign in with your Google account to access the Play Store and synchronize data.

5. OPERATING INSTRUCTIONS

5.1 Basic Navigation

The AGXOV M302 uses a touchscreen interface. Swipe to navigate between screens, tap icons to open applications, and use the back button (if present) or swipe gestures to return to previous screens.

5.2 Music Playback

The device supports various audio formats including MP3, FLAC, APE, WAV, and AAC, delivering high-fidelity sound quality.

- Open the Music app to browse and play local audio files.
- Create custom playlists to organize your music.
- Adjust playback settings such as sequential play, single loop, playlist loop, or random playback.

5.5 Wi-Fi Connectivity

Connect to a Wi-Fi network to access online streaming services, download apps, and perform system updates.

1. Go to **Settings > Network & internet > Wi-Fi**.
2. Turn on Wi-Fi.
3. Select your desired network and enter the password if required.

5.6 App Installation and Management

Running on Android 9.0, the AGXOV M302 supports the Google Play Store, allowing you to download and install various applications.

- **Pre-installed Apps:** Spotify and Amazon Music are pre-installed for immediate streaming access.
- **Downloading Apps:** Open the Play Store app, search for desired applications, and tap "Install".
- **Managing Apps:** To uninstall an app, go to **Settings > Apps & notifications**, select the app, and tap "Uninstall". This can free up storage space.

6. MAINTENANCE

6.1 Cleaning

- Use a soft, dry, lint-free cloth to clean the screen and body of the device.

- Avoid using abrasive cleaners, solvents, or aerosol sprays.
- Do not expose the device to excessive moisture.

6.2 Battery Care

- Avoid extreme temperatures, as they can degrade battery life.
- Do not leave the device fully discharged for extended periods.
- For long-term storage, charge the battery to about 50% and store in a cool, dry place.

6.3 System Updates

Regularly check for and install system updates to ensure optimal performance, security, and compatibility.

- Go to **Settings > System > System update**.
- Tap "Check for updates" and follow the on-screen instructions.
- Updates can be performed wirelessly via Wi-Fi, without needing a computer.

Wireless Updates, No Computer Required

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your AGXOV M302 MP3 Player.

7.1 Device Will Not Turn On

- Ensure the device is sufficiently charged. Connect it to a charger for at least 30 minutes.
- Press and hold the Power button for 10-15 seconds to perform a forced restart.

7.2 Cannot Connect to Wi-Fi/Bluetooth

- Ensure Wi-Fi/Bluetooth is enabled in Settings.
- Restart the MP3 player and your router/Bluetooth device.
- For Wi-Fi, verify the password and ensure you are within range of the network.
- For Bluetooth, ensure the other device is in pairing mode and within range.

7.3 Apps Crashing or Not Responding

- Close and reopen the app.
- Clear the app's cache: Go to **Settings > Apps & notifications**, select the app, then **Storage & cache > Clear cache**.
- Ensure the app and system software are up to date.
- If the issue persists, consider uninstalling and reinstalling the app.

7.4 Poor Sound Quality

- Check the volume level on both the player and connected headphones/speakers.
- Ensure headphones/speakers are properly connected (wired) or paired (Bluetooth).
- Test with different audio files or headphones to isolate the problem.
