GarveeHome 78.7" Four-Door

GarveeHome 78.7" Four-Door Dog Crate Furniture Instruction Manual

Model: 78.7" Four-Door | Brand: GarveeHome

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your GarveeHome 78.7-inch Four-Door Dog Crate Furniture. Designed for small to medium dogs, this versatile piece functions as a comfortable indoor kennel, a stylish TV stand, and a storage unit with integrated feeding bowls. Please read all instructions carefully before assembly and use to ensure proper function and safety for your pets.

SAFETY INFORMATION

- Always ensure all parts are securely fastened before allowing pets inside the crate.
- Do not exceed the maximum weight capacity of the top surface (300 lbs).
- Regularly inspect the crate for any loose parts, damage, or wear and tear. Tighten fasteners as needed.
- Keep small children away from the assembly area and ensure they do not play inside or on the crate.
- This product is designed for indoor use only.
- Ensure adequate ventilation for your pets at all times.

PACKAGE CONTENTS

Your GarveeHome Dog Crate Furniture is shipped in two separate packages for convenient transportation. Please verify that all components and hardware are present before beginning assembly.

- Main structure (wooden panels and metal bars)
- Four storage drawers
- Eight stainless steel feeding bowls
- Assembly hardware (screws, bolts, latches, etc.)
- Assembly instructions (this manual)

SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your dog crate furniture. It is recommended to have two people for assembly.

- 1. Check all accessories and tools:** Unpack both packages and lay out all components. Compare them with the parts list in your included assembly guide to ensure nothing is missing.
- 2. Assemble the dog crate according to the manual's steps:** Refer to the detailed diagrams and instructions provided in the separate assembly manual for step-by-step guidance. Start by constructing the main frame, then integrate the dog crate compartments, storage drawers, and feeding bowl mechanisms.
- 3. Inspect all connections for stability:** After assembly, thoroughly check all screws, bolts, and latches to ensure they are tight and secure. This is crucial for the safety and stability of the unit.
- 4. Positioning:** Place the assembled unit in its desired indoor location, ensuring it is on a flat, stable surface.

OPERATING INSTRUCTIONS

Dog Crate Compartments

The unit features two spacious dog crate compartments, each with two doors secured by metal latches. These provide a safe and comfortable space for your small to medium-sized dogs.

- **Opening/Closing Doors:** To open, slide the metal latch upwards or downwards and pull the door outwards. To close, push the door shut and secure the latches.
- **Comfort:** Place comfortable bedding inside each compartment to create a cozy resting area for your pets.

Storage Drawers

The furniture includes four spacious drawers, each measuring 17.9"L x 13.3"W x 4.5"H, providing ample storage for pet essentials.

- **Accessing Drawers:** Pull the round handles to open the drawers. Push them firmly to close.
- **Organization:** Use these drawers to store leashes, toys, treats, grooming tools, and other pet supplies to keep your living space tidy.

Provide Large Capacity Storage Space

Integrated Feeding Bowls

Each dog compartment is equipped with two built-in feeding bowls on a pull-out tray for easy access.

- **Feeding:** Gently pull the small drawer beneath each crate compartment to reveal the two stainless steel bowls. Fill one with food and the other with water.
- **Refilling and Cleaning:** The pull-out design makes refilling and cleaning the bowls simple and mess-free. After use, push the drawer back in to keep the area neat.

Multi-functional Use

This furniture is designed to serve multiple purposes beyond a dog crate.

- **TV Stand:** The sturdy top surface can accommodate TVs up to 80 inches, making it a functional entertainment center.
- **Display Cabinet:** Utilize the desktop for decorative items, books, or other household essentials.

MAINTENANCE

- **Cleaning the Surface:** The waterproof surface coating allows for easy cleaning. Wipe down the wooden surfaces with a damp cloth and mild detergent as needed. Avoid abrasive cleaners.
- **Cleaning Feeding Bowls:** Regularly remove and wash the stainless steel feeding bowls with soap and water. Ensure they are dry before placing them back.
- **Metal Components:** Wipe metal bars and latches with a damp cloth. Avoid harsh chemicals that may damage the finish.
- **Periodic Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.

TROUBLESHOOTING

- **Wobbly Unit:** If the unit feels unstable, re-check all assembly connections and tighten any loose screws. Ensure it is placed on a level surface.
- **Drawers Sticking:** If drawers are difficult to open or close, check for any obstructions or misaligned tracks. Ensure they are properly seated.
- **Doors Not Latching:** Verify that the metal latches are correctly aligned with their receivers. Adjust if necessary.
- **Pet Discomfort:** If your pet is not comfortable in the crate, ensure the bedding is soft and clean. Consider placing familiar toys or blankets inside.
