## Fansbe Direct A90

# Fansbe Direct A90 2.1ch Sound Bar with Wireless Subwoofer User Manual

Brand: Fansbe Direct | Model: A90

### INTRODUCTION

This manual provides comprehensive instructions for the setup, operation, and maintenance of your Fansbe Direct A90 2.1ch Sound Bar with Wireless Subwoofer. Please read this manual thoroughly before use to ensure optimal performance and longevity of your device.

The Fansbe Direct A90 Sound Bar features two high-quality full-range speakers, delivering immersive audio with enhanced voice clarity and realistic spatial sound. Paired with a powerful 5.25-inch wireless subwoofer, it produces deep bass down to 55Hz, filling your room with dynamic audio for movies, gaming, and music.

## SETUP AND CONNECTIVITY

The Fansbe Direct A90 Sound Bar offers multiple ways to connect to your TV and other devices. Ensure the sound bar is powered on before connecting to your projector or other audio sources.

### Connection Options:

- **Bluetooth 5.3:** For wireless connection with compatible TVs, smartphones, tablets, or computers.
- **HDMI (ARC):** Recommended for high-quality digital audio transmission with ARC-enabled TVs.
- **Optical:** For digital audio connection with TVs lacking HDMI ARC.
- **AUX:** For analog audio connection with devices using a 3.5mm audio jack.
- **USB:** For playing audio directly from a USB flash drive.

## INSTALLATION

The slim, compact design of the Fansbe Direct A90 Sound Bar allows for flexible placement options.

### Placement Options:

- **Tabletop:** Place the sound bar on a TV stand directly in front of your television.
- **Wall Mount:** Use the included wall-mount kit to securely attach the sound bar to the wall below your TV.

The sound bar's design ensures it will not block your TV's view or signal, regardless of the installation method.

## MAINTENANCE

To ensure the longevity and optimal performance of your Fansbe Direct A90 Sound Bar, follow these simple maintenance guidelines:

- Keep the sound bar and subwoofer clean by wiping them with a soft, dry cloth.
- Avoid using liquid cleaners or abrasive materials, as these can damage the finish.
- Ensure proper ventilation around the units to prevent overheating.
- Protect the devices from direct sunlight, extreme temperatures, and moisture.

## TROUBLESHOOTING

If you encounter any issues with your Fansbe Direct A90 Sound Bar, please refer to the following common troubleshooting steps:

- **No Sound:** Ensure all cables are securely connected and the correct input source is selected on both the sound bar and your TV. Check the volume levels on both devices.
- **Bluetooth Pairing Issues:** Make sure the sound bar is in Bluetooth pairing mode and your device's Bluetooth is enabled and discoverable. Try restarting both devices.
- **Distorted Audio:** Check the audio source for quality issues. Reduce the volume on both the sound bar and the source.

device. Ensure cables are not damaged.

- **Remote Control Not Working:** Replace the batteries in the remote control. Ensure there are no obstructions between the remote and the sound bar's sensor.

For further assistance, please contact customer support.
