

League Outfitters F7 Air

Schutt F7 Air & F7 Air Elite Football Helmet Instruction Manual

Brand: League Outfitters | Model: F7 Air Series

1. PRODUCT OVERVIEW

The Schutt F7 Air Football Helmet Series is engineered to provide advanced protection and comfort for football players across all age and competition levels. This manual covers the Youth F7 Air, Adult F7 Air, and the F7 Air Elite models, detailing their features and proper usage.

Key Features:

- **Premium Protection:** Designed for top-tier impact absorption with multi-layered padding.
- **TPU Cushioning System:** Schutt’s signature TPU Cushioning ensures consistent, reliable protection in various temperatures and conditions.
- **Lightweight & Durable Shell:** Reinforced shell construction reduces weight while maintaining high-impact performance.
- **Improved Airflow:** Strategically placed ventilation channels enhance comfort by promoting airflow and moisture control.
- **Secure, Customizable Fit:** Features adjustable liners and multiple jaw pad options for a personalized and secure fit.

2. PACKAGE CONTENTS

Upon opening your Schutt F7 Air or F7 Air Elite Football Helmet package, please ensure all components are present:

- 1 x Schutt F7 Air or F7 Air Elite Football Helmet
- 1 x Facemask (Black F7X EGOP III for Adult F7 Air Small Black - Air variant)
- 1 x Soft Cup Chinstrap

If any items are missing or damaged, please contact League Outfitters customer support immediately.

3. SETUP AND ASSEMBLY

3.1. Sizing and Fit

Proper helmet sizing is crucial for protection. Refer to the Schutt sizing chart (usually found on the product packaging or official website) to ensure you have the correct size. The helmet should fit snugly around the head without excessive movement.

3.2. Attaching the Facemask

1. Align the facemask clips with the corresponding holes on the helmet shell.
2. Secure the facemask using the provided hardware (screws and T-nuts). Ensure all screws are tightened firmly but do not overtighten.
3. Verify that the facemask is securely attached and does not wobble.

3.3. Adjusting the Chinstrap

1. Place the helmet on your head.
2. Position the soft cup chinstrap so it cradles your chin comfortably.
3. Adjust the straps on both sides to achieve a snug fit. The helmet should not move freely when you shake your head.
4. Ensure the chinstrap is tight enough to prevent the helmet from being pulled off easily, but not so tight as to cause discomfort or restrict breathing.

4. OPERATING INSTRUCTIONS

4.1. Wearing the Helmet

Always wear the helmet properly positioned on your head, ensuring the front edge is approximately one inch above your eyebrows. The helmet should not tilt backward or forward excessively.

4.2. Pre-Game Safety Check

Before each use, perform the following checks:

- **Fit Check:** Ensure the helmet fits snugly and does not shift when you move your head.
- **Facemask Security:** Confirm the facemask is firmly attached and all clips are secure.
- **Chinstrap Adjustment:** Ensure the chinstrap is properly adjusted and buckled.
- **Visual Inspection:** Check for any visible damage to the shell, padding, or facemask. Do not use a damaged helmet.

5. MAINTENANCE

5.1. Cleaning

- Clean the helmet shell with mild soap and water. Avoid harsh chemicals or abrasive cleaners.
- Wipe down the interior padding with a damp cloth. Allow to air dry completely before storage.
- The facemask can be cleaned with soap and water.

5.2. Storage

Store the helmet in a cool, dry place away from direct sunlight and extreme temperatures. Avoid placing heavy objects on the helmet, which could deform the shell or padding.

5.3. Regular Inspection

Periodically inspect the helmet for:

- Cracks or deformities in the shell.
- Loose or damaged facemask clips and hardware.
- Worn, torn, or compressed interior padding.
- Damaged or frayed chinstraps.

Any signs of significant wear or damage warrant immediate replacement or professional inspection.

6. TROUBLESHOOTING

6.1. Helmet Feels Loose

- **Check Chinstrap:** Ensure the chinstrap is tightened properly.
- **Verify Sizing:** Re-check your head circumference against the sizing chart. If the helmet is too large, it may need to be replaced with a smaller size.
- **Inspect Padding:** Over time, padding can compress. Consider replacing worn padding or using thicker jaw pads for a tighter fit.

6.2. Discomfort or Pressure Points

- **Adjust Internal Padding:** Ensure internal pads are correctly positioned and not bunched up.

- **Jaw Pad Adjustment:** Experiment with different jaw pad thicknesses to alleviate pressure.
- **Break-in Period:** New helmets may require a short break-in period to conform to your head shape.

6.3. Facemask Obstruction

- **Re-align Facemask:** Loosen the facemask screws, adjust its position for optimal visibility, and re-tighten.
- **Check for Bends:** Inspect the facemask for any bends or damage that might obstruct vision. Replace if damaged.

7. SPECIFICATIONS

Feature	Detail
Brand	League Outfitters
Model Name	F7 Air
Team Name	Adult F7 Air
Age Range	Adult
Size	Small
Color	Black - Air
Outer Material	Polycarbonate (PC)
