## CARBINOX Edge

# CARBINOX Edge Smart Watch Instruction Manual

Model: Edge | Brand: CARBINOX

## INTRODUCTION

The CARBINOX Edge Smart Watch is a rugged, feature-rich device designed for durability and comprehensive health and fitness tracking. This manual provides essential information for setting up, operating, and maintaining your smartwatch, ensuring you get the most out of its advanced capabilities.

### Key Features:

- **Stainless Steel Frame + Gorilla Glass:** Impact and scratch resistant for harsh environments.
- **500mAh Long Battery:** Up to 25 days per charge, with full recharge in approximately 2 hours.
- **Bluetooth Calls:** Answer and make calls directly from your wrist using the built-in microphone and speaker.
- **IP69K/5ATM Waterproof:** Sealed against dust, mud, and rain, suitable for swimming and demanding tasks.
- **Dual-Band GNSS GPS:** Utilizes 6 systems for precise, phone-free tracking in remote locations.
- **Pro Sensors:** Includes Altimeter, Barometer, Compass, Heart Rate, SpO2, Sleep, and Stress monitoring.
- **Sport Modes + Plans:** Tracks 23 activities with detailed metrics (steps, distance, calories) and offers training plans.
- **CARBINOX MAX App:** Compatible with iOS/Android for watch faces, data, notifications, and settings management.
- **22mm Quick-Release Strap:** Fits 150–240 mm wrists; a rugged silicone band is included.
- **AI Voice Texting:** Send and read SMS messages hands-free, with quick commands even while wearing gloves.

## SETUP

### 1. Unboxing and Initial Charge

Upon unboxing, you will find the CARBINOX Edge Smart Watch, a charging cable, a watch band, and a user manual. It is recommended to fully charge the device before first use. The watch features a 500mAh battery, providing up to 25 days of use on a single charge, with a full recharge taking approximately 2 hours.

## 2. App Installation and Pairing

To unlock the full potential of your CARBINOX Edge Smart Watch, download the **CARBINOX MAX App** from your smartphone's app store (iOS/Android). Follow the in-app instructions to pair your watch with your smartphone. This process typically involves scanning a QR code displayed on the watch screen or selecting the device from a list of nearby Bluetooth devices.

Your browser does not support the video tag.

## 3. Initial Configuration

Once paired, use the CARBINOX MAX App to customize settings such as units (Imperial/Metric), temperature (Fahrenheit/Celsius), time zone, and language. You can also select from hundreds of free watch faces to personalize your device's appearance.

## OPERATING THE SMART WATCH

## Gesture Operations:

- **Swipe Down:** Access the Control Center for quick settings.
- **Swipe Up:** View notifications.
- **Swipe Left/Right:** Navigate through various app lists and widgets.
- **Press Side Buttons:** The watch features 'UP', 'DOWN', 'SEL' (Select), and 'BACK' buttons for navigation and function selection.

## Calls and Notifications:

With Bluetooth connectivity, you can answer and make calls directly from your wrist. The built-in speaker and microphone ensure clear communication. Manage notifications through the CARBINOX MAX App, choosing which app alerts appear on your watch.

## AI Voice Texting:

Utilize the AI Voice Texting feature to send and read SMS messages hands-free. This is particularly useful in situations where manual interaction is difficult, such as when wearing gloves.

## HEALTH MONITORING

---

The CARBINOX Edge Smart Watch provides 24/7 health monitoring with an upgraded 4PD sensor for enhanced accuracy. Access detailed health data through the watch and the CARBINOX MAX App.

- **Heart Rate:** Continuously monitors your heart rate.
- **SpO2 (Blood Oxygen):** Measures blood oxygen saturation levels.
- **Sleep Tracking:** Analyzes sleep patterns to help improve sleep quality.
- **Stress Monitoring:** Tracks stress levels throughout the day.
- **Mood Tracking:** Records and analyzes your mood.

## SPORT MODES & TRAINING

Engage in a wide range of physical activities with the watch's extensive sport modes and training plans. It supports 23 activities, tracking steps, distance, and calories burned. The Dual-Band GNSS GPS provides precise, phone-free tracking for outdoor adventures.

<b>Item Weight</b>	10.2 ounces

## MAINTENANCE

---

- **Cleaning:** Regularly clean the watch and strap with a soft, damp cloth. For silicone straps, mild soap and water can be used. Ensure the watch is dry before charging.
- **Charging:** Use the provided charging cable. Align the charger with the magnetic contacts on the back of the watch.
- **Software Updates:** Keep the CARBINOX MAX App updated to ensure your watch has the latest features and performance improvements. Firmware updates for the watch will be managed through the app.
- **Storage:** When not in use for extended periods, store the watch in a cool, dry place.

## TROUBLESHOOTING

---

- **Watch Not Turning On:** Ensure the watch is fully charged. Connect it to the charger and wait a few minutes before attempting to power it on.
- **Pairing Issues:**
  1. Ensure Bluetooth is enabled on your smartphone.
  2. Make sure the watch is within range of your smartphone.
  3. Restart both your watch and smartphone.
  4. Check the CARBINOX MAX App for any specific pairing instructions or troubleshooting steps.
- **Inaccurate Health Data:**
  1. Ensure the watch is worn snugly on your wrist, but not too tight.
  2. Clean the sensors on the back of the watch.
  3. Avoid excessive movement during measurements for best accuracy.
- **Notifications Not Appearing:**
  1. Verify that app notifications are enabled in the CARBINOX MAX App.
  2. Check your smartphone's system settings to ensure notification permissions are granted for the CARBINOX MAX App.
  3. Ensure the watch is connected via Bluetooth.

- **Screen Unresponsive:** Try restarting the watch by pressing and holding the power button (if available) or performing a hard reset as per app instructions.

## WARRANTY & SUPPORT

---

The CARBINOX Edge Smart Watch comes with a **Lifetime Warranty**, reflecting the manufacturer's confidence in its durability and quality. For detailed warranty information and to register your product, please refer to the warranty card included in the packaging or visit the official CARBINOX website.

For further assistance, technical support, or inquiries, please contact CARBINOX customer service through the CARBINOX MAX App or their official website.
