# GAOMON 6-Drawer Dresser with LED Light and Charging Station User Manual

## INTRODUCTION

Thank you for choosing the GAOMON 6-Drawer Dresser. This modern dresser is designed to enhance your living space with its functional features and stylish appearance. It includes integrated LED lighting, a convenient charging station, and ample storage capacity. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure safe and optimal use of your product.

## SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Keep this manual for future reference.

- **Anti-Tipping Device:** For your safety, an anti-tipping device is included. It is crucial to install this device securely to a wall to prevent accidental tipping, especially in households with children or pets.
- **Weight Capacity:** Do not overload drawers or shelves. Distribute weight evenly to maintain stability.
- **Placement:** Place the dresser on a flat, stable surface. Avoid placing it near heat sources or in direct sunlight to prevent material damage.
- **Electrical Safety:** When using the charging station, ensure all connected devices and cables are in good condition. Do not exceed the specified electrical ratings.

## PACKAGE CONTENTS

Verify that all components and hardware are present before beginning assembly. A detailed list of parts and hardware is provided in the separate assembly instruction manual included with your purchase.

## ASSEMBLY INSTRUCTIONS

This dresser requires assembly. Detailed, step-by-step instructions with labeled parts are provided in a separate assembly manual included in the packaging. Please follow these instructions carefully to ensure correct and safe assembly.

- Ensure you have adequate space for assembly.
- Use the provided tools or appropriate household tools.
- Do not overtighten screws to avoid damaging the material.
- It is recommended to have two people for assembly.

## OPERATING INSTRUCTIONS

### LED Lighting System

The integrated LED lighting system offers over 60,000 vibrant colors to create various ambiances. It can be controlled via a remote or a dedicated app.

- **Remote Control:** Use the provided remote to power the lights on/off, change colors, adjust brightness, and select various modes (e.g., Mic Mode, Music Mode, Timer functions).
- **App Control:** Download the compatible app (refer to the LED light manual for details) to access additional customization options and control features from your smartphone.
- **Modes:** Explore Mic Mode (lights react to sound), Music Mode (lights sync with music), and Timer functions for automated operation.

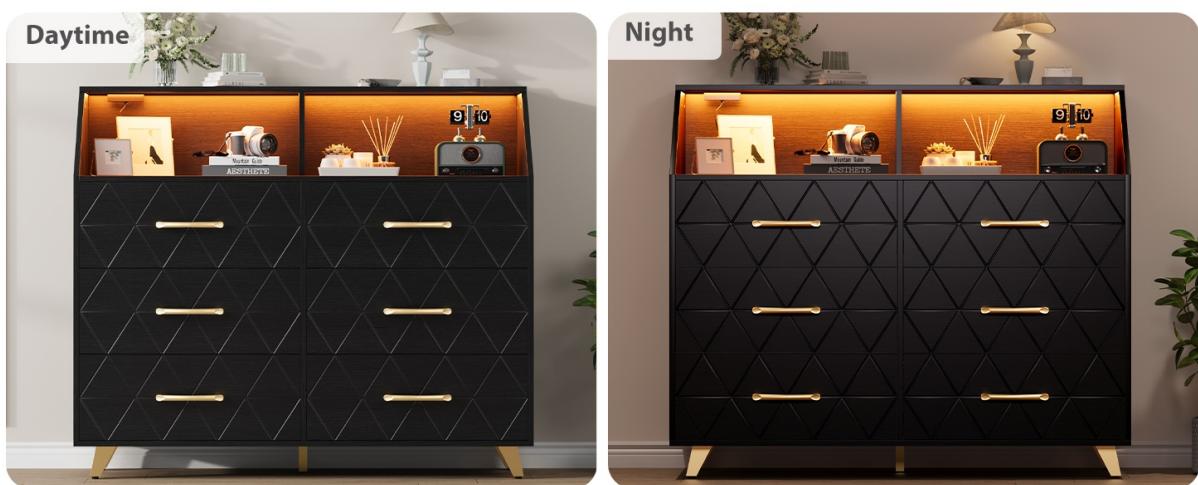

Figure 4: Visual comparison of the dresser with LED lights off (Daytime) and on (Night).

## Integrated Charging Station

The dresser features a built-in charging station to keep your electronic devices powered and organized.

- **AC Outlets:** Two 125V/12A AC outlets are available for powering larger electronics.
- **USB Ports:** Two 5V/2A USB ports are provided for charging smartphones, tablets, and other USB-

powered devices.

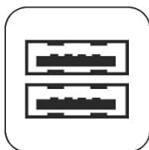

- **Cable Management:** Utilize the integrated cable hole design to route power cords neatly, reducing clutter.

## STORAGE AND ORGANIZATION

The dresser offers versatile storage solutions with its six spacious drawers and open top shelves.

- **Six Drawers:** Ideal for storing clothes, linens, personal items, or toys. The smooth drawer slide tracks ensure easy opening and closing.
- **Open Shelves:** The top open shelves provide space for displaying decorative items, books, or frequently accessed essentials.

## CARE AND MAINTENANCE

Proper care will extend the life and appearance of your dresser.

- **Cleaning:** The dresser features a stain-resistant surface. Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Inspection:** Periodically check all hardware connections and tighten if necessary to maintain structural integrity.

## TROUBLESHOOTING

If you encounter any issues with your dresser, please refer to the following common solutions:

- **LED Lights Not Working:** Check the power connection to the LED strip. Ensure the remote control batteries are functional. Verify the LED system is properly connected to the power source.
- **Charging Station Not Functioning:** Confirm the dresser's main power cord is securely plugged into a working wall outlet. Test the outlets and USB ports with different devices and cables.
- **Drawers Sticking:** Ensure drawers are properly aligned on their tracks. Check for any obstructions within the drawer slides. Do not force drawers open or closed.

- **Wobbling/Instability:** Verify that the dresser is on a level surface. Check and tighten all assembly hardware. Ensure the anti-tipping device is correctly installed.

For persistent issues or concerns not addressed here, please contact customer support.
