Safety Information

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- Do not exceed the maximum weight capacity for the tabletop (44 lbs) and each drawer (22 lbs).
- Utilize the provided anti-tipping device to secure the console table to a wall. This is crucial to prevent accidental tipping and potential injury, especially in households with children or pets.
- Keep small parts and packaging materials away from children during assembly.
- Avoid placing hot items directly on the surface; use coasters or protective pads.

Package Contents

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please

contact customer support.

- Tabletop Panel
- Bottom Shelf Panel
- Side Support Legs (4)
- Drawer Components (Front, Back, Sides, Bottom)
- Drawer Slides
- Drawer Knobs
- Assembly Hardware (Screws, dowels, cam locks, etc.)
- Anti-Tipping Device
- Assembly Guide

Setup and Assembly

Assembly is designed to be straightforward. Follow the numbered steps in the included assembly guide. It is recommended to have two people for certain steps to ensure stability and ease of construction.

1. **Prepare the Area:** Clear a spacious, flat, and clean area for assembly. Lay down the packaging material to protect the furniture pieces and your floor.
2. **Identify Parts:** Unpack all components and match them with the parts list in the assembly guide. Each part is typically numbered or labeled.
3. **Assemble the Frame:** Attach the side support legs to the tabletop and bottom shelf panels using the specified hardware. Ensure all connections are firm.
4. **Construct Drawers:** Assemble the drawer boxes according to the instructions, ensuring the drawer slides are correctly installed.
5. **Install Drawers:** Carefully insert the assembled drawers into the console table frame.
6. **Attach Knobs:** Secure the drawer knobs to the front of each drawer.
7. **Install Anti-Tipping Device:** Secure the console table to a wall using the provided anti-tipping hardware. This step is essential for safety.

Operating Instructions

The Gizoon 2 Drawer Console Table is designed for versatile storage and display in various rooms.

- **Drawers:** The two slide-out drawers provide enclosed storage for smaller items, helping to keep your space tidy. Gently pull the knobs to open and push to close. Avoid forcing the drawers.
- **Top Surface:** Use the spacious desktop for displaying decorative items, lamps, or for holding frequently used items like keys and mail.
- **Bottom Shelf:** The open bottom shelf offers additional storage or display space for larger items such as baskets, books, or shoes.

2-Tier Storage Spaces

1 open storage partition at the bottom and 2 drawers that slide smoothly

Maintenance

To ensure the longevity and appearance of your console table, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish. The waterproof panel is easy to clean.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the wood finish.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Heat and Moisture:** Keep the table away from direct heat sources and areas of high humidity.

Troubleshooting

If you encounter any issues during assembly or use, refer to these common solutions:

- **Parts Don't Fit:** Double-check the assembly guide to ensure you are using the correct parts for each step and that they are oriented correctly. Sometimes, a slight rotation of a panel can resolve alignment issues.
- **Wobbly Table:** Ensure all screws and fasteners are fully tightened. If the table remains wobbly, disassemble and reassemble, paying close attention to the alignment of each piece.
- **Drawers Stick:** Verify that the drawer slides are installed correctly and are not obstructed. Ensure the drawer box is assembled squarely.
- **Missing Hardware:** Review the package contents list. If hardware is genuinely missing, contact customer support for replacements.
