3. SETUP AND INSTALLATION

This toilet is designed for easy installation with a standard 12-inch rough-in. It includes all necessary hardware for setup.

3.1 Included Components

- One-piece toilet with integrated tank
- White tank cover
- Pre-installed fill and flush valve
- Elongated slow-close seat with lid
- Wax seal
- Mounting kit (floor bolts and hardware)

3.2 Pre-Installation Check

Before installation, ensure sufficient space and proper shut-off valve distance. The skirted design requires adequate side clearance for installation.

Check shut-off valve distance and side clearance

before purchasing a skirted one-piece toilet

inlet valve location

- Recommended:
✓ must ≥ 8 in from center line
- ✗ Too close = can not fit

Skirted Design = **Wider Base requires more space** than two-piece toilets

Figure 4: Recommended inlet valve location and side clearance for installation.

3.3 Installation Steps

1. Prepare the floor flange and ensure it is clean and level.
2. Place the wax seal onto the toilet's waste outlet or directly onto the floor flange.
3. Carefully align the toilet over the floor bolts and lower it into position.
4. Secure the toilet to the floor flange using the provided bolts and washers.
5. Connect the water supply line to the toilet's fill valve.
6. Install the soft-close toilet seat by inserting the expansion nuts into the mounting holes, tightening the bolts, and then attaching the seat to the hinge base.
7. Ensure all connections are tight and check for leaks.

4. OPERATING INSTRUCTIONS

4.1 Dual-Flush System

The CD-T006 features a water-saving dual-flush system. Use the smaller button for liquid waste (1.0 GPF) and the larger button for solid waste (1.28 GPF). This system meets EPA's WaterSense criteria for water conservation.

4.2 Soft-Close and Quick-Release Seat

The toilet seat is designed to close quietly and slowly, preventing slamming. For cleaning or replacement, press the quick-release button located on the seat hinges to easily remove the seat.

Soft-Close Seat & Lid

Close slowly and quietly

Avoid pinching

No Slam

5. MAINTENANCE AND CLEANING

The CD-T006 toilet features a seamless, skirted design that conceals trapway curves, making it easy to clean and maintain. The fully glazed trapway also helps prevent waste accumulation.

5.1 General Cleaning

- Use a soft cloth and mild, non-abrasive cleaner for the exterior surfaces.
- For the bowl, use a toilet brush and a toilet bowl cleaner. Avoid harsh chemicals that may damage the glaze.
- Regular cleaning will help maintain the toilet's appearance and hygiene.

5.2 Seat Cleaning

Utilize the quick-release feature to easily remove the seat for thorough cleaning of both the seat and the toilet rim. Clean the seat with mild soap and water.

6. TROUBLESHOOTING

If you encounter any issues with your CASTA DIVA CD-T006 toilet, please refer to the following common troubleshooting tips:

- **Weak Flush:** Ensure the water supply valve is fully open. Check the water level in the tank; it should be at the marked waterline. Adjust the fill valve if necessary.
- **Continuous Running Water:** Inspect the flapper or flush valve for proper seating. Ensure the chain is not too tight or tangled, preventing the flapper from closing completely. Check the fill valve for any obstructions or malfunctions.
- **Leaking:** Verify all connections (water supply line, tank-to-bowl bolts, floor bolts) are tight. Inspect the wax seal for proper installation and integrity. If leaking persists, professional assistance may be required.
- **Slow Filling:** Check the water supply line for kinks or obstructions. Ensure the shut-off valve is fully open. The fill valve might be clogged or faulty.

For more complex issues, please contact customer support.

7. WARRANTY AND SUPPORT

The CASTA DIVA CD-T006 toilet meets CUPC standards and comes with a 1-year limited customer service warranty. Additionally, lifetime technical consulting is provided to assist with any product-related inquiries. For warranty claims, technical assistance, or any other support needs, please contact CASTA DIVA customer service through the retailer where the product was purchased or directly via the manufacturer’s official contact channels.
