Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to avoid damage.
2. **Attach Legs:** Locate the pre-drilled holes on the bottom of each sofa frame (3-seater, loveseat, armchair). Align the wooden legs with these holes and secure them using the provided screws and Allen wrench. Ensure all legs are tightened firmly.
3. **Place Cushions:** Position the seat cushions onto the sofa frames. The back cushions are designed to rest against the backrest.
