Jocoevol 1210 Fluted dresser

Jocoevol Modern 6-Drawer Dresser User Manual

Model: 1210 Fluted Dresser

1. Important Safety Information

Please read and understand all instructions before assembling and using this dresser. Keep this manual for future reference.

- **Tipping Hazard:** Furniture can tip over, causing serious or fatal injuries. To prevent tipping, this furniture must be permanently attached to the wall using the provided anti-tip kit.
- Always use the anti-tip device.
- Never allow children to climb or hang on drawers, doors, or shelves.
- Place heaviest items in the lowest drawers.
- Do not place heavy objects on top of the dresser that could fall off.
- Ensure all parts are securely fastened before use. Periodically check and re-tighten all fasteners.
- Do not overload drawers. Distribute weight evenly.
- Assemble on a soft, clean surface to prevent scratching.

Figure 1: Anti-collapse design and proper wall anchoring to prevent tipping. Always secure the dresser to a wall.

2. Product Overview

The Jocoevol Modern 6-Drawer Dresser is designed for bedroom storage, featuring a natural oak finish, fluted panel design, and smooth curved edges. It provides ample storage with six spacious drawers.

Product Dimensions

3. Assembly and Setup

Assembly is required for this dresser. Please follow the detailed instructions provided in the separate assembly manual included with your product. Ensure all parts are present before beginning assembly.

General Assembly Steps:

1. Unpack all components and verify against the parts list in your assembly manual.
2. Identify each part and hardware.
3. Follow the step-by-step diagrams and instructions carefully.
4. Do not over-tighten screws to avoid damaging the wood.
5. Once assembled, install the anti-tip kit as described in Section 1 and the assembly manual.

4. Operation

Using your Jocoevol dresser is straightforward. Follow these guidelines for optimal performance:

- **Drawer Operation:** Gently pull and push drawers using the integrated handles. The ball-bearing slides are designed for smooth movement. Avoid forcing drawers open or shut.
- **Weight Distribution:** Distribute items evenly within drawers. Avoid placing all heavy items in one drawer or on one side of the dresser.
- **Top Surface:** The top surface can be used for decorative items, lamps, or other light objects. Do not place excessively heavy items on top.

5. Maintenance and Care

Proper care will help maintain the appearance and longevity of your dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For tougher spots, use a mild, non-abrasive cleaner specifically designed for wood furniture. Dry immediately with a clean cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, ammonia-based products, or silicone-based polishes, as these can damage the finish.
- **Protect from Elements:** Avoid direct sunlight, extreme temperatures, and high humidity, which can cause warping, fading, or cracking. Use coasters under drinks to prevent water rings.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary.

6. Troubleshooting

Here are solutions to common issues you might encounter:

- **Drawers are Sticking or Not Sliding Smoothly:**
  - Check if the drawer is properly aligned on its slides.
  - Ensure the slides are clean and free of debris.
  - Verify that the drawer is not overloaded or unevenly weighted.
  - Check if any screws on the slides or drawer box are loose.
- **Dresser Feels Wobbly:**
  - Ensure the dresser is placed on a flat, level surface.
  - Check and tighten all assembly screws.
  - Verify that the anti-tip kit is securely installed and not causing imbalance.
- **Minor Scratches or Dents:**
  - For minor imperfections, a wood repair kit or furniture marker matching the oak finish can be used.

7. Specifications

Feature	Detail
Brand	Jocoevol
