

AECOJOY Outdoor Grill Table Cart

AECOJOY Outdoor Grill Table Cart with Storage Cabinet Instruction Manual

INTRODUCTION

Thank you for choosing the AECOJOY Outdoor Grill Table Cart with Storage Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor storage and prep solution. Please read all instructions carefully before use to ensure proper functionality and longevity of the product.

SAFETY INFORMATION

Please observe the following safety precautions to prevent injury or damage to the product:

- Ensure all parts are properly secured before use.
- Do not allow children to play on, with, or around the cart.
- Exercise caution around sharp edges during assembly and use.
- Use caution when moving the cart on uneven surfaces to prevent tipping.

PRODUCT OVERVIEW

The AECOJOY Outdoor Grill Table Cart is a versatile unit designed for various outdoor activities, offering both a spacious work surface and ample storage. It features a robust galvanized material structure, ensuring durability and resistance to outdoor elements.

Image: The AECOJOY Outdoor Grill Table Cart positioned in a garden, demonstrating its storage capabilities with various items inside the cabinets.

- **Prep Surface:** A generous 7.42 square feet of surface area for meal preparation, serving, or displaying items.
- **Storage Capacity:** Two enclosed storage compartments, each providing 3.86 cubic feet of space, and two additional shelved storage spaces, each measuring 2.06 cubic feet, for organized storage of outdoor essentials.
- **Mobility:** Equipped with four lockable swivel casters for easy movement and secure positioning.
- **Versatility:** Suitable for use as a BBQ cart, outdoor bar, serving station, or food prep table.
- **Construction:** Made from alloy steel and metal with a galvanized finish, providing waterproof, dust & moisture proof, and rust-resistant properties.

SETUP AND ASSEMBLY

The AECOJOY Outdoor Grill Table Cart requires assembly. Please follow the included instructions and diagrams carefully. While the process is designed to be straightforward, attention to detail is crucial for correct part orientation and screw placement. It is recommended to use appropriate tools for assembly, as the provided tools may not offer optimal leverage or comfort.

Important Note: Some sheet metal parts may have a thin plastic protective sheeting. This sheeting can be challenging to remove. Allow extra time for its removal, or consider leaving it in place if it does not interfere with functionality or aesthetics.

Ensure all parts align correctly before tightening screws. Over-tightening certain screws, such as those for handle brackets, can cause deformation. Using washers may help prevent this. If you encounter difficulties, refer to the troubleshooting section or contact customer support.

OPERATING INSTRUCTIONS

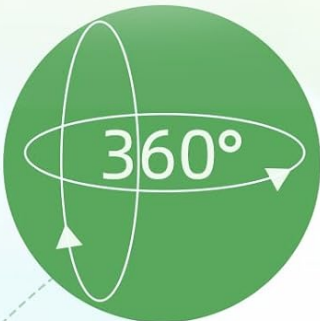

Your AECOJOY Outdoor Grill Table Cart is designed for ease of use and versatility.

- **Using the Prep Surface:** The spacious 7.42 sq. ft. top surface is ideal for preparing food, serving drinks, or holding potted plants and other outdoor decor. Ensure heavy items are distributed evenly.
- **Accessing Storage:** Open the cabinet doors to access the two large storage compartments and two shelved spaces. These areas are suitable for storing grilling accessories, garden tools, kitchen implements, or other outdoor essentials.
- **Moving the Cart:** To move the cart, unlock the four swivel casters. The 360-degree rotation allows for easy maneuverability. When the cart is in the desired location, engage the brakes on the casters to secure it firmly in place.

MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your AECOJOY Outdoor Grill Table Cart.

- **Cleaning:** Clean surfaces regularly with a mild soap and water solution. Rinse thoroughly with clean water and dry immediately with a soft cloth to prevent water spots. Avoid abrasive cleaners or harsh chemicals.
- **Inspection:** Periodically inspect all fasteners (screws, bolts) and tighten them if necessary to ensure structural integrity.
- **Protection:** Although the galvanized material structure is designed to be waterproof, dust & moisture proof, and rust resistant, storing the cart under cover during extreme weather conditions will further extend its lifespan.

TROUBLESHOOTING

- **Difficulty during assembly:** Review the assembly diagrams carefully. Ensure all parts are correctly oriented before tightening screws. If protective film is difficult to remove, try gently warming it or using a plastic scraper.
- **Cart not stable:** Verify that all four casters are locked when the cart is stationary. Ensure all assembly screws are securely tightened. Check that the cart is placed on a level surface.
- **Doors not closing properly:** Check for any obstructions in the cabinet or hinge area. Ensure the cart is assembled squarely and all screws are tightened evenly.
