2. PRODUCT OVERVIEW AND FEATURES

The HONEY JOY Ride On Tractor with Trailer offers a versatile play experience, functioning as both a ride-on tractor and a kids digging bulldozer. It features a detachable trailer, a manual control front loader, interactive steering wheel with sounds, and ample storage.

Key Features:

- **2-in-1 Multifunctional Design:** The ride-on tractor includes a detachable rear trailer, allowing for varied play scenarios.
- **Easy-to-Operate Front Loader:** Children can manually control the front loader by pulling the handle upward to lift the bucket and pushing downward to lower it.
- **Sufficient Under-Seat Storage:** A compartment under the seat provides space for small toys, blocks, or snacks. The detachable rear trailer also offers additional storage.

- **Upgraded Multi-Terrain Wheels:** The wheels are designed to be wear-resistant and puncture-resistant, suitable for various surfaces like asphalt, wooden floors, cement, and brick roads.
- **Interactive Steering Wheel:** Features music, engine sounds, and a horn for an engaging play experience. (Requires 2 AA batteries, not included).
- **Kid-Friendly Details:** Includes cute cartoon stickers, an ergonomic seat with a convenient backrest, and strong connections for durability.

5. MAINTENANCE

Regular maintenance ensures the longevity and safe operation of your ride-on tractor.

- **Cleaning:** Wipe down the tractor with a damp cloth and mild soap. Avoid harsh chemicals that may damage the plastic.
- **Storage:** Store the tractor in a cool, dry place away from direct sunlight when not in use to prevent material degradation.
- **Battery Replacement:** Replace AA batteries in the steering wheel as needed. Ensure proper disposal of old batteries.
- **Inspection:** Periodically check all screws, nuts, and moving parts to ensure they are secure and functioning correctly. Tighten any loose fasteners.

- **Wheel Care:** Inspect wheels for wear or damage. The multi-terrain wheels are designed for durability but should be checked regularly.

6. TROUBLESHOOTING

If you encounter any issues with your ride-on tractor, refer to the following common troubleshooting tips:

- **No Sound from Steering Wheel:**
 - Check if batteries are installed correctly.
 - Replace with fresh AA batteries.
- **Front Loader Not Moving Smoothly:**
 - Inspect the mechanism for any obstructions (e.g., dirt, debris).
 - Ensure all connecting parts are securely attached.
- **Wheels Not Rolling Freely:**
 - Check for debris caught in the wheels or axles.
 - Ensure axle nuts are not overtightened, allowing wheels to spin.
