## vidaXL 3394436

# vidaXL Chicken Cage Instruction Manual

Model: 3394436

## 1. INTRODUCTION

---

Thank you for choosing the vidaXL Galvanised Steel Chicken Cage. This manual provides essential information for the safe assembly, proper use, and effective maintenance of your new chicken cage. Please read these instructions carefully before beginning assembly or use to ensure optimal performance and the safety of your poultry.

This outdoor chicken cage is designed to provide a secure and comfortable habitat for your poultry. Constructed from galvanized steel, it offers durability and resistance to various weather conditions.

## 2. SAFETY INFORMATION

---

- Always wear appropriate personal protective equipment (PPE) during assembly, such as gloves, to prevent cuts or scrapes from metal edges.
- Ensure all components are securely fastened before placing animals inside the cage.
- Keep children and pets away from the assembly area to prevent accidents.
- Do not attempt to modify the cage structure, as this may compromise its stability and safety.
- Position the cage on a flat, stable surface to prevent tipping.
- Regularly inspect the cage for any signs of damage or wear that could affect its integrity or the safety of your poultry.

## 3. PACKAGE CONTENTS

---

Verify that all parts are present before assembly. If any parts are missing or damaged, please contact vidaXL customer support.

- Galvanised Steel Frame Panels (various sizes)
- Connecting Hardware (bolts, nuts, washers, springs)
- Assembly Instructions (this manual)

## 4. SETUP AND ASSEMBLY

---

Assembly of the vidaXL Chicken Cage requires two people and standard tools such as a hammer and screwdriver. Follow the steps below for a secure setup.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Check against the package contents list.
2. **Identify Panels:** Distinguish between the various galvanized steel frame panels. Note the triangular structure for the sides and the rectangular panels for the top and bottom sections.
3. **Assemble Side Panels:** Connect the triangular side panels using the provided hardware. Ensure all connections are tight but do not overtighten initially.
4. **Attach Top and Bottom Sections:** Securely attach the top and bottom wire mesh sections to the assembled side panels. The design ensures fresh air circulation and narrow grid spacing to prevent escape.

5. **Install Door Mechanism:** Locate the designated door panel. Attach it using the hinges and secure the lockable spring mechanism. Test the door to ensure it opens and closes smoothly and locks securely.
6. **Final Tightening:** Once all panels are in place and the cage structure is stable, go back and securely tighten all bolts and connections.

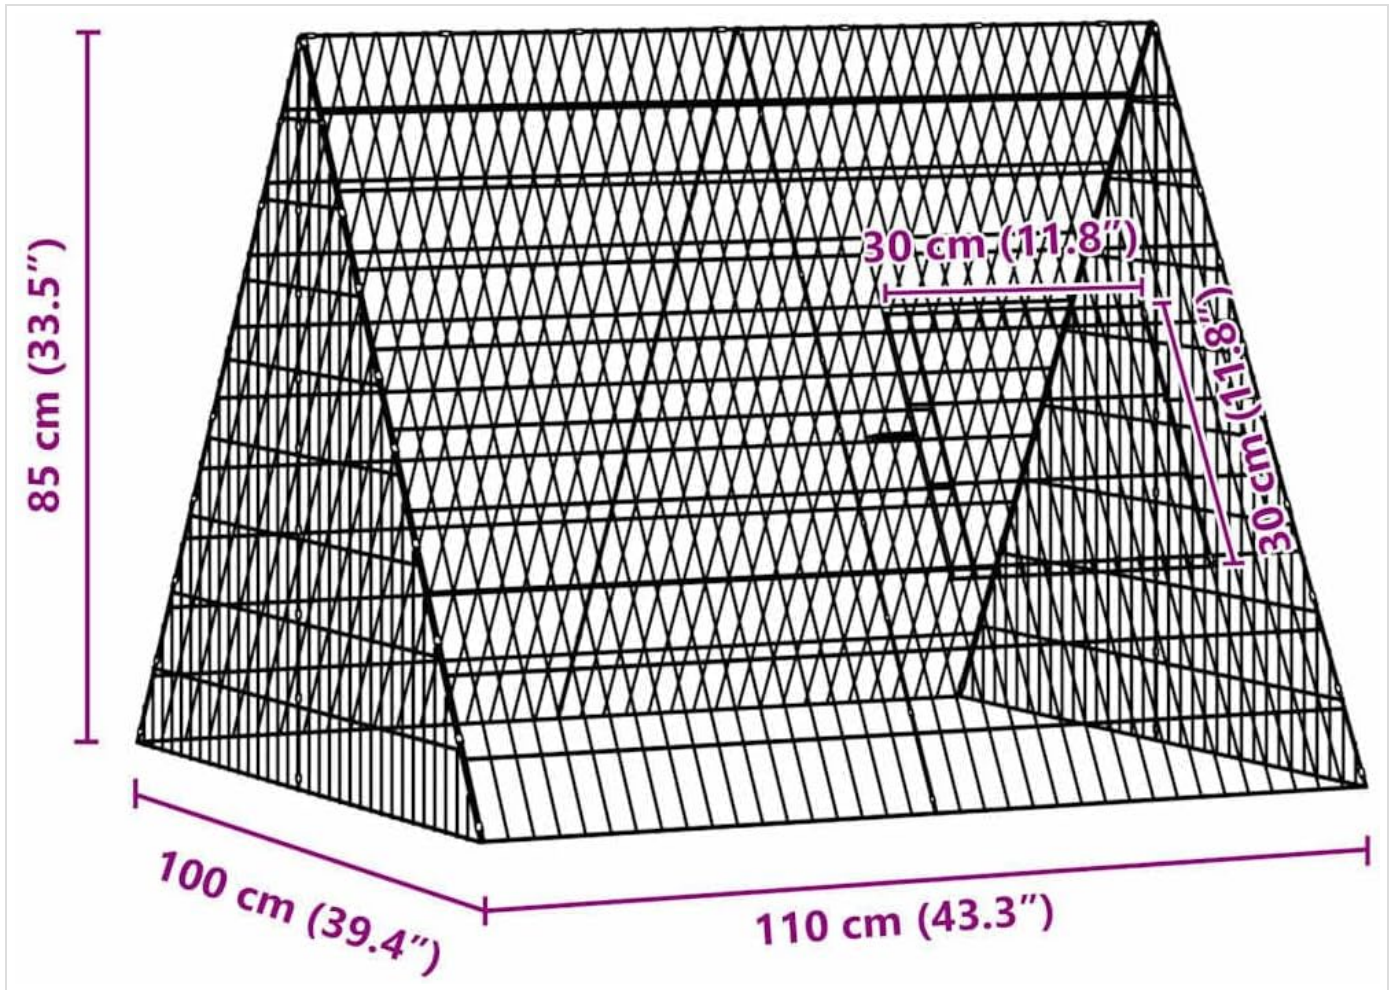

Image: A diagram illustrating the overall dimensions of the chicken cage: 110 cm (43.3") length, 100 cm (39.4") width, and 85 cm (33.5") height. It also shows a 30 cm (11.8") opening.

## 5. OPERATING INSTRUCTIONS

---

Once assembled, the vidaXL Chicken Cage is ready for use. Follow these guidelines for optimal operation:

- **Placement:** Position the cage in a suitable outdoor area, ensuring it is on level ground and provides adequate shade and shelter from extreme weather.
- **Introducing Poultry:** Gently introduce your chickens to their new habitat. Ensure they have access to food and water within the cage.
- **Access Door:** Use the lockable door for convenient entry and feeding. Always ensure the door is securely latched to prevent escapes and protect your poultry from predators.

## 6. MAINTENANCE

Regular maintenance will extend the lifespan of your vidaXL Chicken Cage and ensure a healthy environment for your poultry.

- **Cleaning:** Periodically clean the cage to remove droppings and debris. Use mild soap and water, then rinse thoroughly. Ensure the cage is dry before reintroducing poultry.
- **Inspection:** Regularly check all connections, bolts, and the door mechanism for tightness and proper function. Tighten any loose fasteners.
- **Rust Prevention:** The galvanized steel construction is designed to be rust-resistant. However, inspect for any scratches or damage to the galvanization that could lead to rust. Address any issues promptly.
- **Weather Protection:** While the cage is weatherproof, consider additional coverings during extreme weather conditions (heavy snow, prolonged rain, intense sun) to provide extra comfort for your poultry.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your chicken cage, refer to the following common troubleshooting tips:

- **Cage Instability:** Ensure all bolts and connections are fully tightened. Verify the cage is placed on a flat and level surface.
- **Door Not Latching:** Check if the spring mechanism is properly aligned and free of obstructions. Ensure the door panel is not bent or misaligned.
- **Rust Spots:** Although galvanized, prolonged exposure to harsh conditions or damage to the coating can lead to rust. Clean the area and apply a rust-inhibiting paint if necessary.

## 8. SPECIFICATIONS

---

Feature	Detail
Brand	vidaXL
Model Number	3394436
Material	Galvanised Steel
Overall Dimensions (L x W x H)	43.31 x 39.37 x 33.46 inches (110 x 100 x 85 cm)
Item Weight	8.8 pounds
Assembly Required	Yes
Batteries Required	No
Intended Use	Outdoor use only
