2. WHAT'S IN THE BOX

Upon unboxing, please ensure all the following items are present:

- FOGARI Keyboard Case for iPad Pro 11 inch / iPad Air
- USB-C Charging Cable (not explicitly listed but implied for charging)
- User Manual (this document)

3. SETUP INSTRUCTIONS

Attaching Your iPad

The keyboard case features a magnetic suspension design for secure attachment. Simply align your iPad with the magnetic area on the stand. The strong magnets will hold your iPad in place.

DETACHABLE With POWERFUL MAGNETS

finding the best comfortable angle

Image: Illustration demonstrating the detachable magnetic attachment of the iPad to the keyboard, allowing for easy placement and removal.

Powering On/Off

- **Power On:** Double-click the power button.
- **Power Off:** While the device is on, double-click the power button.

Bluetooth Pairing

1. Ensure the keyboard is powered on. The blue light will indicate wireless pairing status.
2. On your iPad, go to **Settings** > **Bluetooth**.
3. Turn on Bluetooth.
4. Select the keyboard from the list of available devices (it may appear as "Bluetooth Keyboard" or similar).
5. Follow any on-screen prompts to complete the pairing process.

4. OPERATING INSTRUCTIONS

Keyboard Light Indicators

- **Blue Light:** Indicates wireless pairing status.
- **White Light:** Illuminates when Caps Lock is active (uppercase), turns off when Caps Lock is inactive (lowercase).
- **Red Light (Blinking):** Indicates low battery.
- **Red Light (Solid):** Indicates the keyboard is charging.
- **Green Light (Solid):** Indicates the keyboard is fully charged.

Floating Cantilever Stand

The ergonomic floating cantilever stand allows for adjustable viewing angles up to 135°. Adjust the iPad to your preferred tilt angle for comfortable use. Opening or closing the case will automatically wake or sleep your iPad.

Precision Multi-Touch Trackpad

The integrated multi-touch trackpad, made with an etching process and a powerful linear motor, allows for

precise control of your iPad. Utilize various gestures such as scrolling, swiping, and tapping for navigation and multimedia functions. The trackpad is designed for smooth, responsive operation without stuttering or lag, and is easy to clean.

Backlit Keyboard with Shortcuts

The keyboard features ergonomic keys and backlighting with adjustable brightness levels, enabling comfortable and accurate typing even in low-light environments. A full row of iPadOS shortcuts provides quick access to functions like brightness adjustment, media control, and volume control, enhancing efficiency.

Apple Pencil Charging Support

The case design supports Apple Pencil charging. Place your Apple Pencil on the designated magnetic strip on your iPad while it is in the case to charge it wirelessly.

Image: Depicts the magnetic charging area for an Apple Pencil on the iPad's side and the Type-C charging port for the keyboard, along with battery life indicators.

5. MAINTENANCE

- **Storage:** Store the keyboard at room temperature.

- **Charging:** If the keyboard is not used for an extended period, charge it under normal voltage. It is recommended to charge the keyboard once every two months to maintain battery health.
- **Low Power:** When the battery is low, charge the keyboard promptly.

6. TROUBLESHOOTING

Battery Usage Display on iPad

After the keyboard is successfully connected to your iPad, you can view the keyboard's battery usage by swiping right on the iPad home screen to access the Widgets view.

Connectivity Issues

- Ensure the keyboard is fully charged.
- Verify Bluetooth is enabled on your iPad and the keyboard is powered on.
- Try unpairing and re-pairing the keyboard in your iPad's Bluetooth settings.
- Restart both your iPad and the keyboard.
