1. INTRODUCTION

Thank you for choosing the Rolanstar Twin Bed Frame. This bed frame is designed to provide a comfortable and functional sleeping solution, featuring integrated LED lighting, a convenient charging station, and four easy-slide storage drawers. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and optimal use of your new bed frame.

4 Drawers with Wheels & Buckles

Smooth to Pull, Secure to Lock

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- Do not load more than 700 pounds on the bed frame. Exceeding this weight limit can compromise the structural integrity and lead to collapse.
- Follow assembly instructions carefully to prevent instability. Ensure all bolts and fasteners are securely tightened before use.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Do not stand or jump on the bed frame.
- Regularly check all connections and tighten as necessary to maintain stability.
- Ensure the power cord for the LED lights and charging station is not pinched or damaged during assembly or use.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Headboard
- Bed Frame Components (Side Rails, Support Legs, Slats)
- 4 Storage Drawers
- LED Light Strip
- USB Charging Station (pre-installed in headboard)
- Assemble Bag (containing all necessary tools and fasteners)
- Instruction Manual

4. SETUP AND ASSEMBLY

This bed frame is designed for easy assembly and comes with all necessary tools and clear instructions. Assembly can typically be completed by one person in approximately 30 minutes. For best results, we recommend assembling the bed frame in the room where it will be used.

4.1 Preparation

1. Clear an open space for assembly.
2. Unpack all components and lay them out on a soft, clean surface to prevent scratches.
3. Identify all parts against the package contents list.

4.2 Assembly Steps

Follow the step-by-step diagrams provided in the included assembly guide. Key steps generally include:

1. Attach the side rails to the headboard and footboard.
2. Install the central support beam and legs.
3. Place and secure the metal slats onto the frame.
4. Assemble the four storage drawers and slide them into place under the bed. Ensure the anti-slip clips are engaged.
5. Connect the LED light strip and charging station power cable to a suitable power outlet.

Easy Assembly with All Included

No Complex Tools Required, Effortless Setup

5. OPERATION

5.1 LED Lighting System

The bed frame is equipped with smart RGB LED lights. These lights can be controlled via a mobile application, offering over 60,000 colors, adjustable brightness, and various modes including music sync and timing functions.

- **App Control:** Download the designated mobile app (refer to the quick start guide for app name/QR code) to access full customization features.
- **Manual Control:** A small control panel may be located on the headboard for basic functions like power on/off and color cycling.

5.2 Charging Station

The integrated headboard features a charging station with 2 USB ports and 1 Type-C port. This allows convenient charging of your electronic devices directly from your bed.

- Simply plug your device's charging cable into the appropriate port.
- Ensure the bed frame's power cord is connected to a live electrical outlet for the charging station to function.

5.3 Storage Drawers

The four easy-slide storage drawers provide additional space for organizing clothes, blankets, or other items. Each drawer is equipped with anti-slip clips to prevent accidental sliding.

- To open, gently pull the drawer handle.
- To close, push the drawer fully until the anti-slip clips engage, securing it in place.
- Avoid overloading drawers to ensure smooth operation and prevent damage.

6. MAINTENANCE

6.1 Cleaning

- Wipe down metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- For the LED strip, gently wipe with a dry cloth. Do not use liquids directly on the lights or electrical components.

6.2 Inspection

- Periodically check all bolts and screws to ensure they remain tight. Re-tighten as needed to maintain the bed frame's stability.
- Inspect the power cord for the LED lights and charging station for any signs of wear or damage. If damage is found,

discontinue use and contact customer support.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is wobbly or noisy.	Loose bolts or uneven assembly.	Check and tighten all bolts and screws. Ensure the bed frame is on a level surface.
LED lights are not working.	Power connection issue, damaged LED strip, or app malfunction.	Ensure the power cord is securely plugged in. Check the LED strip for visible damage. Restart the mobile app or try manual controls.
Charging station is not working.	Power connection issue, device cable fault, or charging station malfunction.	Verify the bed frame's power cord is plugged in. Try a different device or charging cable.
Drawers do not slide smoothly or fall out.	Overloaded drawers, debris in tracks, or anti-slip clips not engaged.	Reduce drawer contents. Clean drawer tracks. Ensure anti-slip clips are properly engaged when closing.

8. SPECIFICATIONS

Feature	Detail
Model Number	hq-chj026-58
Size	Twin
Product Dimensions (L x W x H)	80.7" x 39.4" x 41.3"
