3. Setup Guide

3.1 Charging the Smartwatch

Before first use, fully charge your smartwatch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a power adapter (not included) or a computer's USB port.

- A full charge typically takes approximately 2 hours.
- The watch features magnetic fast charging.

3.2 Downloading and Pairing the App

The RUXINGX G58 Smartwatch synchronizes with the**Glory Fit** application.

1. Scan the QR code in the manual or search for "Glory Fit" in your smartphone's app store (App Store for iOS, Google Play Store for Android).
2. Install and open the Glory Fit app.
3. Follow the on-screen instructions to create an account and set up your profile.

4. In the app, navigate to the device section and select "Add Device" or similar option.
5. Your smartwatch should appear in the list of discoverable devices. Select it to pair.
6. Confirm the pairing request on both your phone and the smartwatch if prompted.

Note: Ensure your phone's Bluetooth is enabled during the pairing process.

3.3 Customizing Watch Faces

Personalize your smartwatch display:

- Through the Glory Fit app, you can choose from over 400 watch faces.
- You can also upload your own photos to create custom watch faces.

3.4 Changing Straps

The smartwatch comes with two interchangeable straps (metal mesh and silicone) to suit different styles and occasions. Refer to the watch's quick-release pins to easily swap the straps.

5. Maintenance

5.1 Cleaning Your Smartwatch

To maintain the appearance and functionality of your smartwatch:

- Wipe the screen and body with a soft, lint-free cloth.
- For stubborn marks, dampen the cloth slightly with water. Avoid using harsh chemicals or abrasive materials.
- Clean the charging contacts regularly to ensure proper charging.

5.2 Battery Care

To prolong battery life:

- Avoid extreme temperatures.
- Do not leave the watch fully discharged for extended periods.
- Charge the watch regularly, even if not in daily use.

6. Troubleshooting

If you encounter issues with your RUXINGX G58 Smartwatch, refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Unable to pair with phone:**
  - Ensure Bluetooth is enabled on your phone.
  - Make sure the watch is within range of your phone.
  - Restart both your phone and the smartwatch.
  - Try unpairing and re-pairing the device through the Glory Fit app.
- **Notifications not appearing:**
  - Check notification permissions for the Glory Fit app in your phone's settings.
  - Ensure the app is running in the background.
  - Verify that "Do Not Disturb" mode is not active on either the watch or your phone.
- **Inaccurate health data:**
  - Ensure the watch is worn snugly on your wrist, not too tight or too loose.
  - Clean the sensors on the back of the watch.
  - Environmental factors and movement can affect readings.
- **Language setting reverts:** If the language setting on your watch does not stay fixed, ensure the Glory Fit app is updated to the latest version. Check for any firmware updates for the smartwatch through the app. If the issue persists, contact customer support.
