PETSITE PTS10416LBEPV

PETSITE Cat Litter Box Enclosure

MODEL: PTS10416LBEPV - USER MANUAL

Introduction

This manual provides instructions for the assembly, operation, and maintenance of your PETSITE Cat Litter Box Enclosure, Model PTS10416LBEPV. This versatile furniture piece is designed to function as a discreet cat litter box enclosure, a comfortable cat house, or a decorative end table. Please read all instructions carefully before assembly and use to ensure proper function and safety.

Safety Instructions

- Ensure all parts are securely fastened during assembly.
- Do not exceed the maximum tabletop loading capacity of 66 lbs (30 kg).
- Keep small parts away from children and pets during assembly to prevent choking hazards.
- Place the enclosure on a flat, stable surface to prevent tipping.
- Regularly inspect the enclosure for any loose parts or damage.

Package Contents

Verify that all components listed below are present before beginning assembly:

- 1 x Cat Litter Box Enclosure (disassembled components)
- 1 x User's Manual (this document)
- Hardware pack (screws, dowels, etc.)

Assembly Instructions

Assembly of the PETSITE Cat Litter Box Enclosure requires following the detailed, illustrated instructions provided in the separate assembly guide included with your package. Please ensure you have all tools required (typically a screwdriver) before starting.

1. Unpack all components and verify against the parts list in the assembly guide.
2. Identify each piece and its corresponding label.

3. Follow the step-by-step diagrams in the assembly guide to connect panels, attach hardware, and secure doors.
4. Ensure all screws and fasteners are tightened securely, but do not overtighten.

Product Dimensions

This diagram illustrates the key dimensions of the PETSITE Cat Litter Box Enclosure, including its overall size and the maximum allowable dimensions for an internal litter box. The enclosure measures 31.5 inches (L) x 21 inches (W) x 20 inches (H).

Operating Instructions

The PETSITE Cat Litter Box Enclosure offers multiple functionalities:

As a Hidden Litter Box Enclosure:

- Place a litter box inside the main compartment. The maximum allowable litter box size is 20" x 19.5" x 18.5" (L x W x H).
- The interior divider creates a winding entry, allowing your cat discreet access while helping to contain litter tracking.
- The double doors provide easy access for scooping and cleaning.

This image shows the PETSITE Cat Litter Box Enclosure with its double doors open, revealing a cat comfortably using a litter box inside. The enclosure is designed to discreetly house a standard litter box.

As a Cat House:

- Remove the litter box and place a comfortable pet bed or cushion inside the main compartment.
- The enclosure provides a private and cozy space for your cat to rest or sleep.

The enclosure can also serve as a cozy cat house. This image displays a cat resting on a soft bed placed inside the enclosure, with the doors open.

As a Side Table or Storage Cabinet:

- The sturdy tabletop can support up to 66 lbs (30 kg), making it suitable for lamps, books, or decorative items.
- The interior can be used for storing pet supplies, magazines, or other household items.

Versatile Use

Cat Litter Box Enclosure

Cat House

Storage Cabinet

A collage demonstrating the multi-functional design of the PETSITE enclosure. It can be used as a hidden litter box enclosure, a comfortable cat house, or a practical storage cabinet.

Key Features:

- **Winding Entry:** Provides a playful and private entrance for your cat.
- **Double Doors:** Facilitate easy access for cleaning and maintenance.
- **Magnetic Catches:** Ensure doors remain securely closed.

Winding Entry

Allow for easy access while adding more fun

Side Entrance

Magnetic Catches

This image highlights several design features: the winding entry for pet access, the side entrance for discreet use, and magnetic catches on the doors for secure closure.

Maintenance

Regular cleaning and care will extend the life of your PETSITE Cat Litter Box Enclosure.

- **Cleaning:** Wipe down all surfaces with a damp cloth and mild cleaner. Avoid abrasive cleaners that may damage the finish. The double doors allow for easy access to the interior for thorough cleaning.
- **Odor Control:** Ensure the litter box inside is cleaned regularly to minimize odors. The enclosure helps contain smells, but proper litter box hygiene is essential.
- **Inspection:** Periodically check all hardware for tightness and re-tighten if necessary.

Wooden Cabinet with Double Doors

Make scooping and cleaning a breeze

Cleaning the enclosure is made easy with its smooth surfaces. This image shows a hand wiping down the top surface of the enclosure, demonstrating simple maintenance.

Troubleshooting

If you encounter issues with your enclosure, consider the following:

- **Assembly Difficulties:** Refer to the detailed assembly guide. Ensure all parts are correctly oriented and all hardware is used as specified. Do not force parts together.
- **Stability Issues:** Ensure the enclosure is placed on a level surface. Check that all screws are fully tightened.
- **Doors Not Closing Properly:** Verify that the magnetic catches are correctly aligned and installed. Check for any obstructions.
