Ports and Features

3 Connection Methods

BT

AUX

TF

Image: TIMU S11-2 Speaker showing Type-C, AUX, and TF card ports under a protective flap.

- **Type-C Charging Port:** For charging the speaker.
- **AUX Input:** For wired audio connection using the provided AUX cable.
- **TF Card Slot:** For playing music directly from a TF (MicroSD) card.
- **Wrist Strap:** For easy portability and secure carrying.

SETUP

Bluetooth Pairing

1. Ensure the speaker is charged.
2. Long press the Power Button to turn on the speaker. You will hear an audible prompt indicating it's in Bluetooth pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "S11-1" from the list of devices to connect. You will hear a confirmation tone once successfully paired.

TWS (True Wireless Stereo) Pairing

To achieve a stereo sound experience, you can pair two TIMU S11-2 speakers together.

TWS Wireless Pairing

Connect two speakers together to get stereo sound and enjoy fully immersive audio

Image: Two TIMU S11-2 speakers wirelessly paired to a laptop for stereo sound.

1. Ensure both speakers are powered on and not connected to any other Bluetooth device.
2. On one speaker (this will be your primary speaker), double-press the Power Button. It will enter TWS pairing mode.
3. The two speakers will automatically connect to each other. You will hear a confirmation tone once TWS pairing is successful.
4. Now, connect your device via Bluetooth to the primary speaker (as described in Bluetooth Pairing). Audio will play in stereo through both speakers.

OPERATING INSTRUCTIONS

Power On/Off

- Long press the Power Button for approximately 3 seconds to turn the speaker on or off.

Volume Control

- Short press the + button to increase the volume.
- Short press the - button to decrease the volume.

Music Playback

- Short press the **Power/Play/Pause** button to play or pause the current track.
- Long press the **+** button to skip to the next track.
- Long press the **-** button to go to the previous track.

Light Modes

The speaker features 8 RGB light modes to enhance your listening experience.

Image: Group of people enjoying music with two TIMU S11-2 speakers displaying colorful RGB lights.

- Short press the **Sun/Light Button** to cycle through the available light modes.
- Long press the **Sun/Light Button** to turn off the RGB lights.

CHARGING

The TIMU S11-2 speaker is equipped with a 4000mAh rechargeable lithium battery.

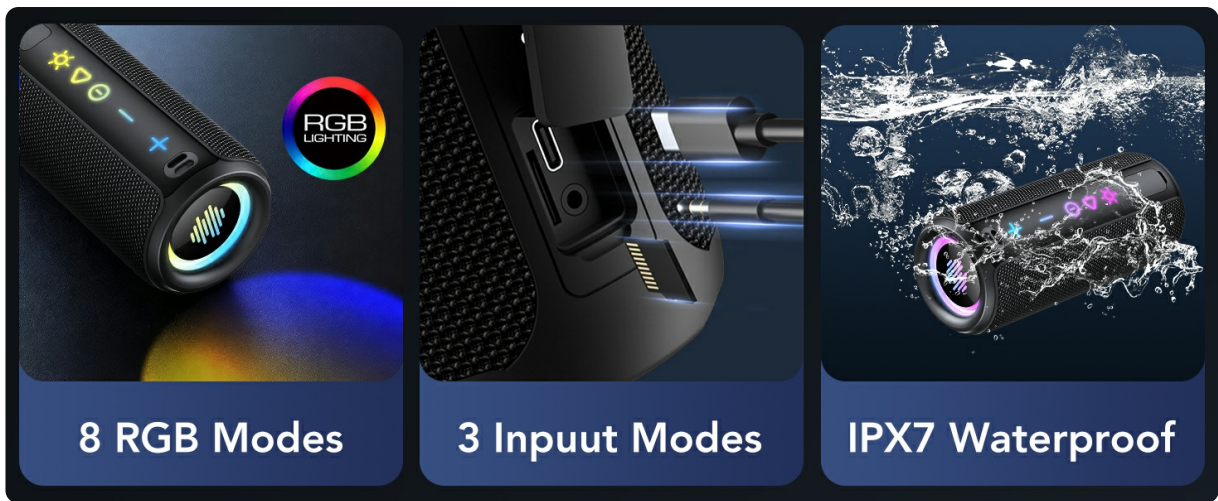

Image: TIMU S11-2 speaker next to a soda can, indicating 4000mAh battery and 24H playtime.

- Connect the provided Type-C power cable to the charging port on the speaker and to a compatible USB power adapter (not included).
- A full charge takes approximately 3 hours.
- The speaker provides up to 24 hours of playtime at 30% volume with lights off.

MAINTENANCE

To ensure the longevity and optimal performance of your TIMU S11-2 speaker:

- Keep the protective flap over the charging and AUX ports securely closed when not in use to maintain IPX7 waterproof rating.
- Clean the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- Avoid exposing the speaker to extreme temperatures or direct sunlight for extended periods.
- Store the speaker in a cool, dry place when not in use.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Speaker does not power on	Low battery	Charge the speaker fully.
No sound	Volume too low; Device not connected; Incorrect input mode	Increase volume on speaker and device; Re-pair Bluetooth; Ensure correct input (BT, AUX, TF) is selected.
Cannot pair via Bluetooth	Speaker not in pairing mode; Device too far; Interference	Long press power button to enter pairing mode; Move device closer; Turn off other Bluetooth devices.
TWS pairing fails	Speakers already connected to other devices	Disconnect both speakers from any other Bluetooth devices before attempting TWS pairing.
