## DWVO MADWVp3jSP

# DWVO Shoe Storage Cabinet with 2 Flip Drawers and Bench - Pure White

Model: MADWVp3jSP | Brand: DWVO

## INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your DWVO Pure White Shoe Storage Cabinet. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of the product. Keep this manual for future reference.

## SAFETY INFORMATION

- **Anti-Tipping Device:** For safety, this shoe storage cabinet includes an anti-tipping device. It is crucial to securely mount the cabinet to a wall using this device to prevent accidental tipping, especially in households with children or pets.
- **Weight Capacity:** Do not exceed the recommended weight capacity for shelves and the bench. Overloading can compromise stability and cause damage. The top shelf has a capacity of 44 lbs, and the internal shelves have a capacity of 66 lbs.
- **Assembly:** Ensure all parts are correctly assembled and fasteners are tightened according to the instructions. Loose connections can lead to instability.
- **Placement:** Place the cabinet on a flat, stable surface. Avoid placing it in areas with high humidity or direct sunlight to prevent material degradation.

## PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Cabinet Panels (various sizes)
- Flip Drawers (2 units)
- Shoe Storage Bench components
- Adjustable Shelf Dividers
- Side Hanging Hooks (2 units)
- Assembly Hardware (screws, dowels, cam locks, etc.)

- Anti-Tipping Device
- Instruction Manual

## SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the DWVO Shoe Storage Cabinet requires careful attention to detail. A comprehensive installation guide with diagrams is included in your package. Please follow the step-by-step instructions provided in that guide. Ensure you have a clean, spacious area for assembly.

### Key Assembly Steps:

1. **Unpack and Identify Parts:** Lay out all panels and hardware. Compare them against the parts list in the included guide.
2. **Assemble Main Cabinet Frame:** Connect the side panels, back panel, and base according to the diagrams.
3. **Install Flip Drawers:** Assemble the two flip drawers and integrate them into the main cabinet structure. Ensure hinges operate smoothly.
4. **Attach Shoe Storage Bench:** Securely attach the bench component to the side of the main cabinet.
5. **Install Side Hanging Hooks:** Attach the two hooks to the designated side panel.
6. **Install Anti-Tipping Device:** This is a critical safety step. Securely fasten the anti-tipping device to the top rear of the cabinet and then to a wall stud or appropriate wall anchor.

Figure 1: Product Dimensions and Component Overview. This diagram illustrates the overall dimensions of the shoe cabinet and bench,

including specific measurements for the top shelf, flip drawers, and the space underneath.

## OPERATING INSTRUCTIONS (USAGE)

The DWVO Shoe Storage Cabinet is designed for efficient organization of footwear and small items.

### Flip Drawers:

The cabinet features two flip-down drawers, each designed to hold multiple pairs of shoes. The internal compartments are adjustable or removable to accommodate various shoe sizes and types.

- **Adjusting Compartments:** To adjust the internal dividers, gently lift and reposition them into the desired slots.
- **Removing Compartments:** For larger footwear like boots, the internal dividers can be fully removed to create a single, larger storage space within the drawer.
- **Capacity:** Each drawer can hold approximately 8 pairs of standard-sized shoes, totaling up to 16 pairs for the cabinet. Larger shoe sizes (e.g., men's size 13) may require shoes to be inserted at an angle or dividers to be removed.

# SUFFICIENT SPACE

Can be adjusted or removed according to the shoe

Figure 2: Adjustable Shoe Compartments. This image demonstrates the flexibility of the flip drawers, allowing users to customize storage space for various shoe types.

### Top Storage Platform:

The open shelves at the top provide additional space for keys, decorative items, small plants, or other daily necessities.

# STORAGE PLATFORM

Top storage compartment, can hold daily necessities

Figure 3: Top Storage Platform. This image highlights the utility of the top surface for displaying or storing frequently accessed items.

## Side Hanging Hooks:

Two hooks are located on the side of the cabinet, ideal for hanging small items such as keys, umbrellas, or bags.

# SIDE HANGING HOOK

Store small items such as keys

Figure 4: Side Hanging Hooks. This image demonstrates the practical use of the integrated hooks for small accessories.

## Under-Cabinet Space:

The space beneath the main cabinet is suitable for storing flats, slippers, or other low-profile items.

Figure 5: Overall Product View. This image provides a complete perspective of the shoe cabinet, including the space beneath for additional storage.

## MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your shoe cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the finish.
- **Spills:** Promptly clean up any spills to prevent staining or moisture damage to the engineered wood.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- **Avoid Overloading:** Do not place excessively heavy items on the shelves or bench to prevent structural damage.

## TROUBLESHOOTING

If you encounter issues with your DWVO Shoe Storage Cabinet, refer to the following common problems and solutions:

- **Problem:** Flip drawers do not close properly.  
**Solution:** Ensure shoes are not obstructing the closing mechanism. For larger shoe sizes, adjust or remove internal dividers. Verify that the drawer hinges are correctly installed and not bent.
- **Problem:** Cabinet feels wobbly or unstable.  
**Solution:** Confirm that all assembly screws are fully tightened. Ensure the cabinet is placed on a level surface. Most importantly, verify that the anti-tipping device is securely installed to a wall stud or appropriate anchor.
- **Problem:** Missing or damaged parts during assembly.  
**Solution:** Stop assembly immediately. Refer to the package contents list and contact customer support with the specific part number(s) for assistance.
- **Problem:** Difficulty aligning panels during assembly.  
**Solution:** Double-check the instruction manual diagrams. Ensure you are using the correct hardware for each step. Sometimes, loosening adjacent screws slightly can help with alignment before re-tightening.

## SPECIFICATIONS

<b>Brand</b>	DWVO
<b>Model Name</b>	Shoe Cabinet
<b>Model Number</b>	MADWVp3jSP
<b>Color</b>	Pure White
<b>Material</b>	Engineered Wood
<b>Product Dimensions</b>	9.45"D x 31.5"W x 45.8"H (24cm D x 80cm W x 116.5cm H)
