BrickSoul BS-76444-tvw

BrickSoul Light Up Kit for Lego Diagon-Alley Wizarding-Shops 76444

Model: BS-76444-tvw

INTRODUCTION

This instruction manual provides detailed guidance for installing and operating your BrickSoul Light Up Kit, specifically designed to enhance the Lego Diagon-Alley Wizarding-Shops 76444 Building Set. This kit transforms your model into a vibrant display piece, adding stunning detail and visual impact. Please note that the Lego 76444 model is not included with this lighting kit.

SAFETY INFORMATION

- This product is intended for use by individuals aged 14 and older.
- Ensure the power source is a safe 3-5V USB input. Do not use power sources exceeding this voltage.
- Avoid pulling or bending wires excessively during installation to prevent damage.
- Keep small parts away from young children to prevent choking hazards.
- Do not attempt to modify the lighting components, as this may damage the kit and void the warranty.

PACKAGE CONTENTS

Verify that all components listed below are present in your package:

Light Kit Only – Not Model

Package Include:

Light Control Button

Light Kits

Instructions for Use

Tweezers

Battery Box
AAA not included

- Lighting Kit Components
- Light Control Button (integrated into USB cable)
- Instructions for Use (digital access)
- Tweezers (for precise placement)
- Battery Box (AAA batteries not included)

SETUP AND INSTALLATION

The BrickSoul Light Up Kit is designed for straightforward installation. Follow the detailed digital instructions for the best results.

Accessing Digital Instructions

No Paper Manual - Digital Instructions Only

- Scan The Code On The Manual
- Input Product Model Query
- Preview PDF/Video Instruction

Image: A tablet showing digital instructions for the light kit installation, emphasizing that no paper manual is included. Users can scan a code or input the model number to access PDF/video guides.

This kit utilizes digital instructions (PDF and video guides) for a clear, step-by-step installation process. You can access these guides by scanning the QR code provided in the package or by visiting the BrickSoul website and inputting the product model number (BS-76444-tvw).

General Installation Steps

1. **Preparation:** Ensure your Lego Diagon-Alley Wizarding-Shops 76444 Building Set is fully assembled and ready for lighting integration.
2. **Follow Digital Guides:** Refer to the numbered step-by-step bags and the video/PDF guides for precise placement of each light component. You may need to temporarily remove a few bricks from your model during installation.
3. **Cable Management:** The kit features upgraded cable-hiding technology. Route wires neatly along existing brick lines and under elements to ensure a clean, professional appearance without tangled wires.
4. **Connect Power:** Once all lights are installed, connect the USB cable to a compatible 3-5V USB power source (e.g., a USB wall adapter, power bank, or the provided battery box with AAA batteries).

Upgrade Your Building Set with Light

Bring Your Creation to Life at Night

OPERATING INSTRUCTIONS

The BrickSoul Light Up Kit features an upgraded USB button for convenient control.

Power On/Off and Brightness Adjustment

Hold To Adjust Brightness By **Usb Button**

Light Kit Only – Model Not Included

Image: A visual guide demonstrating the functionality of the USB control button. It illustrates tapping to turn lights on/off and holding the button to adjust brightness from 0% to 100%.

- **Turn On/Off:** Tap the button located on the USB cable to toggle the lights on or off.
- **Adjust Brightness:** Press and hold the button to smoothly adjust the brightness level. Release the button when the desired brightness is achieved. This allows you to customize the lighting intensity to your preference and save energy.

MAINTENANCE

To ensure the longevity and optimal performance of your BrickSoul Light Up Kit, follow these simple maintenance guidelines:

- **Cleaning:** Gently dust the light components and wires with a soft, dry cloth. Avoid using liquid cleaners directly on the electrical components.
- **Handling:** Handle your illuminated model with care to prevent accidental dislodging or damage to the wires and lights.
- **Storage:** If storing the model, ensure wires are not pinched or tangled.

TROUBLESHOOTING

If you encounter any issues with your BrickSoul Light Up Kit, refer to the following common solutions:

Problem	Possible Cause	Solution
Lights do not turn on.	No power, loose connection, or faulty component.	Ensure the USB cable is securely connected to a 3-5V power source. Check all wire connections for tightness. If the issue persists, contact BrickSoul support.
Lights are dim or flickering.	Insufficient power, loose connection, or brightness setting.	Verify the power source provides adequate power. Check connections. Press and hold the USB button to increase brightness.
Some lights are not working.	Damaged wire or LED, or loose connection.	Carefully inspect the specific light and its wiring for any visible damage or loose connections. If a component is damaged, refer to the warranty information for replacement.

SPECIFICATIONS

- **Model Number:** BS-76444-tvw
- **Compatibility:** Lego Diagon-Alley Wizarding-Shops 76444 Building Set
- **Material:** Durable ABS Plastic and Copper Wire
- **Power Input:** USB 3-5V
