1. INTRODUCTION

This manual provides essential information for setting up, operating, and maintaining your new plimpton Kids Tablet 10 Inch. Designed with an upgraded Android 15 system and robust features, this tablet offers a secure and engaging experience for children. Please read this manual thoroughly to ensure proper use and to maximize the tablet's potential.

2. WHAT'S IN THE BOX

Upon unboxing your plimpton Kids Tablet, please verify that all the following items are included:

- 1 x PlimPad Kids Android 15 Tablet
- 1 x USB Adaptor
- 1 x USB Charge Cable
- User Manual (this document)

4. SETUP

4.1 Initial Power On

1. Press and hold the power button located on the side of the tablet until the screen lights up.
2. Follow the on-screen prompts to select your language, connect to a Wi-Fi network, and agree to the terms and conditions.
3. Sign in with your Google account or create a new one. This is necessary for accessing the Google Play Store and Google Kids Space.

4.2 Charging the Tablet

Before first use, fully charge the tablet using the provided USB adaptor and USB charge cable. Connect the small end of the USB cable to the tablet's charging port and the larger end to the USB adaptor. Plug the adaptor into a wall outlet. The battery indicator on the screen will show charging status.

4.3 Installing the Protective Case

The tablet comes pre-installed in a durable EVA protective case. If removed, carefully re-insert the tablet into the case, ensuring all ports and buttons align correctly with the case cutouts. The case provides enhanced protection against drops and bumps.

5. OPERATING THE TABLET

5.1 Basic Navigation

- **Touchscreen:** Tap to select, swipe to scroll, pinch to zoom.
- **Home Screen:** Access your installed apps and widgets.
- **Notifications:** Swipe down from the top of the screen to view notifications and quick settings.
- **Back Button:** Navigate back to the previous screen.

- **Recent Apps:** View and switch between recently used applications.

5.2 Installing and Managing Apps

You can download a wide variety of apps from the Google Play Store. Ensure parental controls are configured to manage app access and purchases.

5.3 Eye Protection Mode

The tablet features a low blue light technology and an eye protection mode. This mode automatically adjusts screen

brightness and color temperature to reduce eye fatigue, enhancing comfort during prolonged use. This setting can be configured in the tablet's display settings.

6. GOOGLE KIDS SPACE & PARENTAL CONTROLS

The plimpton Kids Tablet is designed with children's safety and learning in mind, integrating Google Kids Space and comprehensive parental controls.

6.1 Google Kids Space

Google Kids Space offers a curated environment with apps, books, and videos tailored for children aged 3 and above. It provides a safe and engaging platform for learning and entertainment. Children can also create personalized avatars within this space.

6.2 Parental Control with Google Family Link

Parents can manage content, set screen time limits, establish educational goals, and control app access using the Google Family Link app on their own device. This ensures a secure and monitored digital experience for your child.

- **Content Filtering:** Block inappropriate websites and apps.
- **Screen Time Limits:** Set daily limits for tablet usage and schedule downtime.
- **App Approvals:** Approve or deny app downloads and in-app purchases.
- **Location Tracking:** Monitor your child's device location (if enabled).

7. DURABLE DESIGN

The plimpton Kids Tablet is encased in a rugged, environmentally friendly EVA material protective case. This case is designed to be odorless, resistant to deformation, and provides superior durability and impact resistance, making it ideal for active children.

7.1 360° Rotatable Bracket

The integrated 360° rotatable bracket allows for optimal viewing angles, enabling children to use the tablet hands-free for learning or entertainment. This feature also doubles as a handle for easy carrying.

10. MAINTENANCE

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and exterior. Avoid abrasive cleaners or solvents.
- **Software Updates:** Regularly check for and install system updates to ensure optimal performance and security.
- **Storage Management:** Periodically clear unnecessary files and apps to free up storage space and maintain speed.
- **Battery Care:** To prolong battery life, avoid extreme temperatures and do not leave the tablet fully charged or fully discharged for extended periods.

11. TROUBLESHOOTING

Problem	Solution
Tablet won't turn on	Ensure the battery is charged. Connect to the charger and try again. If unresponsive, perform a hard reset by holding the power button for 10-15 seconds.
Apps are running slow	Close unused apps, clear app caches, or free up storage space. Restarting the tablet can also help.
Wi-Fi connection issues	Check if Wi-Fi is enabled. Restart your router and the tablet. Ensure you are within range of the Wi-Fi signal.
Screen is unresponsive	Restart the tablet. If the issue persists, contact customer support.

12. WARRANTY & SUPPORT

The plimpton Kids Tablet comes with a **2-year warranty** and a **30-day worry-free return and replacement policy**. For any questions or concerns, please do not hesitate to reach out to our customer support team. We are committed to providing professional service and resolving any issues you may encounter.

For further assistance, please refer to the contact information provided on your customer support card included in the packaging.
