KZLAA KZ356

KZLAA 42" Furniture Dog Crate Model KZ356 Instruction Manual

Brand: KZLAA | Model: KZ356

1. INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your KZLAA 42-inch Furniture Dog Crate, Model KZ356. This product is designed to serve as both a secure enclosure for your medium to large dog and a functional piece of furniture, such as an end table, TV stand, or nightstand. It features a durable wooden and steel construction, a waterproof finish for easy cleaning, and convenient mobility.

Anti-Chew & Ultra-Sturdy

0.4-inch thick steel tubing fends off chewers and outlasts traditional wire and wooden kennels.

2. SETUP AND ASSEMBLY

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included detailed instructions and labeled parts for a smooth assembly process. Tools required for assembly are provided.

2.1 Pre-Assembly Considerations

- **Measure Your Pet:** Before assembly, measure your dog's height and body length to ensure the 42-inch crate provides adequate space for standing, turning, lying down, and stretching comfortably.
- **Clear Workspace:** Assemble the crate in a spacious area to prevent damage to components or surrounding furniture.

2.2 Assembly Steps

Follow the step-by-step instructions provided in the separate assembly guide included with your product. Ensure all screws and fasteners are tightened securely for stability. The crate features a simple structure designed for straightforward assembly.

3. OPERATING INSTRUCTIONS

Your KZLAA Furniture Dog Crate is designed for versatile use and pet comfort.

3.1 Multi-purpose Furniture Use

The wide top surface of the crate can support up to approximately 110 pounds, allowing it to function as an end table, TV stand, or nightstand. This design integrates the pet enclosure seamlessly into your home decor.

3.2 Rotating Stainless Steel Dog Bowls

The side door features a 360° rotating mechanism for the two stainless steel dog bowls. This allows for easy access to food and water without opening the main crate door, helping to maintain a tidy environment and prevent spills.

3.3 Secure Latch Mechanism

The front door is equipped with a reinforced latch designed to lock securely, preventing pets from opening the door and escaping. Always ensure the latch is fully engaged when your pet is inside.

3.4 Mobile Design with Braking Casters

The crate base features smooth, quiet casters for easy movement. Each caster includes a braking system to lock the crate in place, providing stability when stationary and convenience for repositioning or cleaning floors.

4. MAINTENANCE

Regular cleaning and maintenance will prolong the life and appearance of your dog crate.

4.1 Cleaning Wooden Surfaces

The wooden surfaces are treated with a waterproof finish. For spills, fur stains, or accidental urine marks, simply wipe clean with a damp cloth. Avoid abrasive cleaners that may damage the finish.

4.2 Cleaning Metal Components

Wipe metal bars and latches with a damp cloth as needed. Ensure all metal parts are dry after cleaning to prevent rust.

4.3 Bowl Maintenance

The stainless steel bowls are removable for easy cleaning. Wash them regularly with soap and water to maintain hygiene.

5. TROUBLESHOOTING

If you encounter any issues with your KZLAA Furniture Dog Crate, please refer to the following common solutions:

- **Stability Issues:** Ensure all screws and fasteners are fully tightened. Check that the crate is placed on a level surface.
- **Door Not Latching:** Verify that the door is properly aligned with the frame and that the latch mechanism is free of obstructions. Ensure the latch is fully engaged.
- **Casters Not Rolling/Locking:** Check for debris in the caster wheels. Ensure the braking mechanism is fully disengaged for rolling or fully engaged for locking.
- **Missing Parts:** If any parts were missing upon delivery, please contact customer support immediately.

For further assistance, please contact our customer support team.

6. SPECIFICATIONS

Feature	Detail
Model Name	KZ356
