

TRAUSI T5

TRAUSI T5 Bluetooth 5.4 Open Ear Headphones User Manual

Model: T5

INTRODUCTION

Thank you for choosing the TRAUSI T5 Bluetooth 5.4 Open Ear Headphones. These headphones are designed to provide a comfortable listening experience with advanced features like Bluetooth 5.4 connectivity, Environmental Noise Cancellation (ENC), and an ergonomic earhook design. This manual will guide you through the setup, operation, and maintenance of your new headphones to ensure optimal performance.

46 Hours Long Battery Life

Enjoy longer music time with charging case

WHAT'S IN THE BOX

Please check the package contents to ensure all items are present:

- T5 Wireless Earbuds (2 units)
- Type-C Charging Cable (1 unit)
- User Manual
- Wireless Charging Case
- Packaging Box

SETUP

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Place the earbuds into the charging case. Connect the Type-C cable to the charging case and a compatible USB power source. The LED display on the charging case will show the battery percentage, and individual earbud battery indicators will illuminate.

BLUETOOTH 5.4

Technology and One-step Pairing

Image showing the TRAUSI T5 earbuds in their charging case, illustrating the 46-hour total battery life, 6 hours per single charge, and 1 hour fast charging capability. The LED display indicates battery levels.

2. Pairing with Your Device

Follow these steps to pair your TRAUSI T5 headphones with a Bluetooth-enabled device:

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for 'T5' in the list of available Bluetooth devices.
4. Select 'T5' to connect. Once connected, you will hear an audible confirmation.
5. After initial pairing, the earbuds will automatically reconnect to your device when removed from the case, provided Bluetooth is enabled on your device.

OPERATING INSTRUCTIONS

1. Power On/Off

- **Power On:** The earbuds automatically power on when removed from the charging case.
- **Power Off:** Place the earbuds back into the charging case and close the lid to automatically power them off. Alternatively, press and hold the touch control area on either earbud for 5 seconds to manually power off.

2. Touch Controls

The TRAUSI T5 earbuds feature intuitive touch controls on each earbud for easy management of music and calls:

- **Play/Pause:** Single tap on either the Left (L) or Right (R) earbud.
- **Switch Song:** Double tap the L earbud for the previous track; double tap the R earbud for the next track.
- **Adjust Volume:** Triple tap the L earbud for volume down; triple tap the R earbud for volume up.
- **Answer/Hang up Call:** Double tap on either L or R earbud during an incoming call or active call.
- **Reject Call:** Press and hold on either L or R earbud for 2 seconds during an incoming call.
- **Voice Assistant (Siri):** Triple tap on either L or R earbud to activate your device's voice assistant.

Easy Control, Physical Buttons

Light Click of Your Fingertips to Play Music or Answer Calls

MAINTENANCE

1. Cleaning

To maintain the performance and appearance of your earbuds:

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Avoid using harsh chemicals, cleaning solvents, or abrasive materials.
- Do not immerse the earbuds or case in water. While the earbuds are IPX5 waterproof, direct immersion can cause damage to internal components.

LED Power Digital Display

Easily Check The Remaining
Battery and Charging Status at Any Time

Image showing the TRAUSI T5 earbuds with an ergonomic design and flexible earhooks, highlighting their IPX5 waterproof rating, making them suitable for sports and workouts.

2. Storage

Store the earbuds in their charging case when not in use to protect them from dust and damage, and to ensure they remain charged. Keep them in a cool, dry place away from extreme temperatures and direct sunlight.

TROUBLESHOOTING

If you encounter any issues with your TRAUSI T5 headphones, please refer to the following common solutions:

- **No Sound or Poor Sound Quality:**

- Ensure the earbuds are properly paired and connected to your device.
- Check the volume levels on both the earbuds and your connected device.
- Recharge the earbuds and the charging case.
- Try disconnecting and re-pairing the earbuds with your device.

- **Earbuds Not Charging:**

- Ensure the charging cable is securely connected to both the case and the power source.
- Verify that the power source is active and functioning correctly.

- Clean the charging contacts on both the earbuds and inside the charging case with a dry cotton swab to remove any debris.

- **Pairing Issues:**

- Ensure Bluetooth is enabled on your device.
- Turn off Bluetooth on other nearby devices to avoid interference.
- Place the earbuds back in the case, close the lid, wait a few seconds, then reopen to re-enter pairing mode.
- On your device, 'forget' or 'unpair' 'T5' from your Bluetooth device list and attempt to pair again.
