Model: MS109

Introduction	Package Contents	Setup	Operating Instructions	Maintenance	Troubleshooting
		Specifications	Warranty & Support		

1. Introduction

The MINISO MS109 AI Translator Earbuds are designed to provide a seamless communication experience across language barriers. These 4-in-1 intelligent earbuds integrate real-time translation, video calls, phone calls, and high-fidelity music playback. With support for 135 languages and a sleek, comfortable design, the MS109 earbuds are an ideal companion for travel, business, and daily use. They offer less than 0.5s delay and up to 98% accuracy in translation, compatible with both iPhone and Android devices.

2. Package Contents

Please verify that all items listed below are present in your package:

- MINISO MS109 Earbuds (2)
- Charging Case (1)
- USB-C Charging Cable (1)
- User Manual (1)
- Quick Start Guide (1)
- Lanyard (1)

APP User Guide

3. Setup

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Connect the provided USB-C cable to the charging case and a power source. A full charge takes approximately 1.5 hours and provides up to 50 hours of battery life with the charging case.

Headphones+Phone Mode

Two-way translation with voice for global negotiations or travel

Image: Visual representation of the charging process, indicating 1.5 hours for a full charge and 50 hours of total battery life with the charging case.

3.2 App Installation and Pairing

To access the translation features, download the free **AuralIntelli** app from your device's app store (no subscriptions required). The earbuds are compatible with both iOS and Android smartphones.

1. Download the "SayMi" app (or AuralIntelli as mentioned in feature bullets).
2. Log in to the app.
3. Take out the headphones from the charging case.
4. Connect the earbuds to your device via Bluetooth.
5. Enter the app and connect to Bluetooth within the app for full functionality.

Power On, Connect Instantly

Compatible With Mobile Phones, iPads, Computers, Watches And Other Devices, With Fast Connection and No Waiting.

Image: Step-by-step guide for downloading the app, logging in, connecting via Bluetooth, and enabling app features.

Real-Time Translation Function

Make cross-language communication as natural as a native-speaker conversation, making business trips and travel a breeze.

Image: Earbuds delivering synchronized audio during a musical performance, highlighting the absence of audio delay.

5. Maintenance

To ensure the longevity and optimal performance of your MINISO MS109 AI Translator Earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Water Resistance:** The earbuds are rated IPX5 waterproof, meaning they are resistant to splashes and sweat. Do not submerge them in water or expose them to heavy rain. Ensure they are dry before placing them back in the charging case.
- **Storage:** Store the earbuds in their charging case when not in use to protect them from dust and damage. Keep

them in a cool, dry place away from extreme temperatures.

- **Charging:** Use only the provided USB-C cable for charging. Avoid overcharging by disconnecting once fully charged.

6. Troubleshooting

If you encounter any issues with your MS109 earbuds, please refer to the following common solutions:

- **Earbuds Not Connecting:**
 - Ensure Bluetooth is enabled on your device.
 - Make sure the earbuds are charged.
 - Restart your device and the earbuds (by placing them back in the case and taking them out).
 - Forget the device in your Bluetooth settings and re-pair.
- **Translation Issues:**
 - Verify that the AuralIntelli app is installed and updated to the latest version.
 - Check your internet connection, as some translation features may require it.
 - Ensure the correct source and target languages are selected in the app.
 - Speak clearly and at a moderate pace.
- **Lost Earbuds:**
 - Utilize the "Find My Earbuds" feature within the companion app to locate their last known position or trigger an audible alert.
- **Poor Audio Quality:**
 - Ensure the earbuds are properly seated in your ears.
 - Clean any debris from the earbud speakers.
 - Check the audio source device for any issues.

For further assistance, please contact customer support.
