JEPRECO PS7TWINOG

JEPRECO 52.4" Tall 7-Tier Plant Stand Instruction Manual

Model: PS7TWINOG | Brand: JEPRECO

1. Product Overview

This document provides instructions for the assembly, operation, and maintenance of the JEPRECO 52.4" Tall 7-Tier Plant Stand. This stand is designed for displaying multiple potted plants and decorative items in various indoor and outdoor settings.

Image 1.1: The JEPRECO 7-Tier Plant Stand in Oak Grey, showcasing its capacity for multiple plants in a home environment.

The plant stand features a minimalist design with seven tiers, constructed from heavy-duty rustproof metal tubes and thickened MDF boards. Its structure is suitable for various locations including living rooms, balconies, patios, gardens, courtyards, and offices. It can also function as a display shelf for books, picture frames, and other ornaments.

2. Setup and Assembly

The JEPRECO 7-Tier Plant Stand is designed for straightforward assembly. All necessary tools and components are included in the package. A screwdriver is required for assembly.

2.1 Package Contents

- MDF Shelf Boards (7 pieces)
- Metal Support Tubes (various lengths)
- Screws and Fasteners
- Anti-Floor Scratching Mats (4 pieces)
- Assembly Instructions Manual

2.2 Assembly Steps

1. Unpack all components and verify against the parts list in the included manual.
2. Follow the pictorial directions provided in the assembly instructions. Pay close attention to the orientation of the holes on each board.
3. Securely attach the metal support tubes to the MDF shelf boards using the provided screws and a screwdriver.
4. Ensure all connections are tightened for stability.
5. Attach the anti-floor scratching mats to the bottom of the stand to protect your flooring.

Video 2.1: An overview of the JEPRECO Tall Plant Stand, demonstrating its features and potential setup.

3. Operating and Placement

This plant stand is designed for versatile use, accommodating various plant sizes and decorative items. Proper placement and arrangement contribute to both stability and aesthetic appeal.

3.1 Recommended Placement

- **Indoor Use:** Suitable for living rooms, sunrooms, apartments, and office spaces. Its compact design allows it to fit well in corners or against walls.
- **Outdoor Use:** Can be placed on balconies, patios, gardens, or courtyards. Ensure it is on a stable, level surface.
- Avoid placing the stand in high-traffic areas where it might be easily bumped or knocked over.

3.2 Plant and Item Arrangement

- Distribute weight evenly across the shelves to maintain stability. Place heavier pots on lower shelves.
- Consider plant light requirements when arranging. Taller plants can be placed on higher shelves to receive more light, while lower shelves may be suitable for plants requiring less direct light.
- The stand can hold various pot types, from small succulents to medium-sized leafy plants and taller vases.

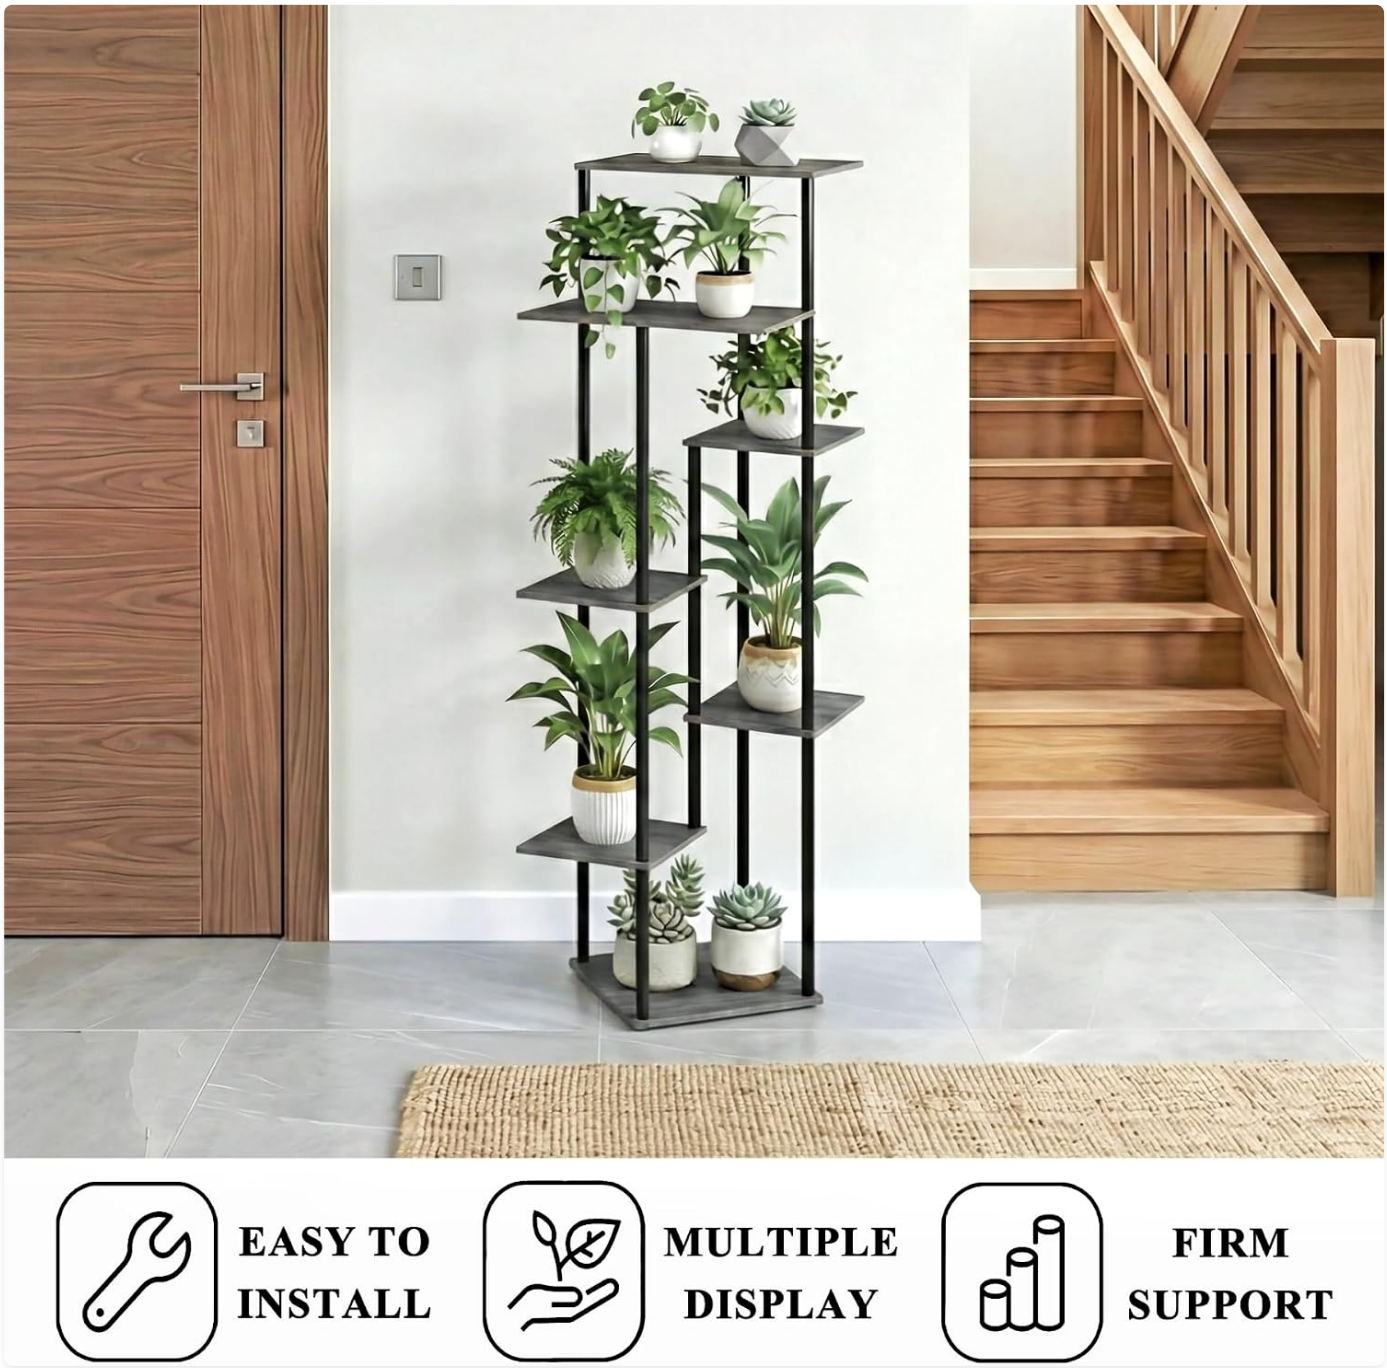

Image 3.1: Guide for placing various plant sizes and types on the stand's tiers.

Image 3.2: The plant stand utilized on a balcony, demonstrating its suitability for outdoor display.

4. Maintenance

Regular maintenance helps preserve the appearance and longevity of your plant stand.

- **Cleaning:** Wipe down MDF boards with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Metal Frame:** The metal frame is rustproof. Clean with a damp cloth as needed.
- **Spills:** Promptly clean any water spills from watering plants to prevent water damage to the MDF surfaces.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

5. Troubleshooting

If you encounter any issues with your plant stand, refer to the following common solutions:

- **Wobbling:** Ensure the stand is placed on a flat, level surface. Check that all assembly screws are fully tightened. The included anti-floor scratching mats can also help stabilize the stand on uneven floors.
- **Shelf Instability:** Verify that the metal support tubes are correctly inserted and secured into the shelf boards. Ensure weight is distributed evenly and not concentrated on one side or a single shelf.
- **Missing Parts:** If any parts are missing upon unboxing, refer to the customer support section for assistance.

6. Specifications

Feature	Detail
Model Number	PS7TWINOG
Brand	JEPRECO
Color	Oak Grey
Material	Engineered Wood (MDF), Metal
Number of Tiers	7
Overall Height	52.4 inches (133 cm)
Top Shelf Dimensions	14.0" W x 7.9" D (approx.)
Base Dimensions	10.6" W x 10.6" D (approx.)
Shelf Height (approx.)	16.9 inches
Item Weight	4.25 kg (9.37 lbs)
UPC	666186977750

7. Warranty Information

This product is covered by a manufacturer's warranty against defects in materials and workmanship. For specific warranty terms and conditions, please refer to the documentation included with your purchase or contact customer support.

8. Customer Support

For any questions, assistance with assembly, or to report missing/damaged parts, please contact JEPRECO customer support through the retailer's platform where the product was purchased. Please have your model number (PS7TWINOG) and purchase details ready for faster service.
